Play on Two Courts-Results in Detail-Hours and Matches for Second Day.

The tennis tournament has begun in earnest and from the indications of yesterday there are very warm times yet to come before the contests that shall decide for this year the supremacy of the players in singles and doubles, have been completed. The courts of both the Pacific and Beretania tennis clubs were well attended by friends at the opening sets yesterday afternoon. The play on the whole was very good and gives promise of fine things to come in a day or so. The play of yesterday is summed up as follows:

Pacific Courts-H. Waterhouse, P. T. C. Senior, won over H. Macfarlane, P. T. C. Junior, 6-1, 6-0; E. R. Adams, P. T. C., won over W. H. Babbitt, Punahou, 6-4, 6-1; Harold Dillingham, P. T. C. Junior, won over G. P. Wilder, P. T. C. Senior, 6-2, 6-1; C. W. Dickey, P. T. C. Senior, won over George Fuller, P. T. C. Junior, 3-6, 6-0, 6-3; P. F. De La Vergne, P. T. C. Senior, defaulted to C. Berger, P. T. C. Junior.

The sets on the P. T. C. grounds were very exciting. In the sets between Waterhouse and Macfarlane, the junior member tried his best to get on top but the senior member had the experience. The first set between Adams and Babbitt was very exciting. Babbitt playing a fine game against a swift opponent. Had he kept along at the same pace he might have won the second set but he went to pieces and gave Adams every opportunity to pass him. It is needless to say that the P. T. C. man took advantage of this. Adams did fine work down the side lines. Fuller won the first set off Dickey in nice style but he could not keep up the pace and put up a much weaker game in the two remaining sets.

The last set played on the P. T. C. courts was between Chas. Atherton of the B. T. C. and S. G. Wilder of the P. T. C. This was probably the most exciting contest of the day. Wilder won the first set with a score of 6-0. Then Atherton turned around and by a splendid up-hill game, beat Wilder by a score of 6-3. Then came the deciding game. Wilder and Atherton were both determined to do or die and when it became so dark that they could play no longer, the score stood 10 games on each side. The final games will be played off at 2 p. m. today.

B. T. C. Courts-D. H. Hitchcock, P. T. C., won over H. W. Mist, 3-6, 9-7, 9-2; E. A. Mott-Smith, B. T. C., won from E. A. Jones, P. T. C., 6-4, 6-3; C. H. Cooke, P. T. C., won over W. A. Wall, B. T. C., 6-0, 6-1; D. Shanks, B. T. C., won over Geo. Carter, P. T. C., 6-1, 6-0; C. H. W. Norton, P. T. C., defaulted to Arthur Mackintosh, Valley Club; J. P. Cooke, P. T. C., won over Alex. St. M. Mackintosh, Valley Club.

The play today as arranged by the committee is as follows:  
P. T. C. Courts at 4 p. m.-E. R. Adams, P. T. C., vs. H. Waterhouse, P. T. C.; Willie Roth, P. T. C. Junior, vs. Wilder Wight, P. T. C. Junior, 5 p. m.-C. H. Cooke, P. T. C. Senior, vs. Harold Dillingham, P. T. C. Junior; J. P. Cooke, P. T. C., vs. C. W. Dickey, P. T. C.  
B. T. C. Courts at 4:30 p. m.-Chas. Berger, P. T. C. Junior, vs. Donald Ross, B. T. C. 5 p. m.-E. A. Mott-Smith, B. T. C., vs. Arthur Mackintosh, Valley Club.  
The winner of the Wilder-Atherton match, unfinished yesterday, will play D. H. Hitchcock.  
The percentage of players in the sets of yesterday was as follows: P. T. C., 86; B. T. C., 19 1/2; Valley Club, 11 1/2 and Punahou, 3.

To Seat 3,000.

The outdoor dining hall on the Executive Building grounds is now ready for use. John Emmeluth has the monster range in place and the contractors have delivered the tables and benches. The actual seating capacity provided is 3,200. The plan is to serve 3,000 men at one time if necessary. Capt. Ashley believes that this can be done easily if the details as now arranged are carried out. The tables are in shade so far as possible.

REWARD OF MERIT.

At the CHICAGO CYCLE SHOW in 1897, each visitor on entering the Show was handed a coupon reading as below:

"After viewing the exhibits, kindly fill in the name of the Bicycle which pleases you best as regards beauty and mechanical merit, and deposit the coupon in ballot box near exits. Name of Bicycle....."  
The "Shirk" received 17,489 ballots against 12,377 the next highest. When it is known that all the leading makes of wheels in the United States were on exhibition at this Show, the above speaks for itself. The HONOLULU BICYCLE CO. have secured the Agency for this strictly high grade wheel. IT WILL INTEREST YOU TO CALL AND SEE IT.  
The SHIRK is the best thing that ever happened.

A Model Plant is not complete without Electric Power, thus dispensing with small engines.

Why not generate your power from one CENTRAL Station? One generator can furnish power to your Pump, Centrifugals, Elevators, Plows, Railways and Hoists; also, furnish light and power for a radius of from 15 to 30 miles.

Electric Power being used, saves the labor of hauling coal in your field, also water, and does away with high-priced engineers, and only have one engine to look after in your mill.

Where water power is available it costs nothing to generate Electric Power.

THE HAWAIIAN ELECTRIC COMPANY is now ready to furnish Electric Plants and Generators of all descriptions at short notice, and also has on hand a large stock of Wire, Chandeliers and Electrical Goods.

All orders will be given prompt attention, and estimates furnished for Lighting and Power Plants; also, attention is given to House and Marine Wiring.
