### WHARF AND WAVE.

City of Peking from San Francisco tomorrow.

Double time—\$4 a day—was paid for work alongshore yesterday.

On account of the departure of the Australia this afternoon no freight will be delivered for Oceanic dock today.

Capt. Calhoun, of the bark Ceylon, at Tacoma, will take command of the Archer, in San Francisco, says the Seattle P. I.

Last night three Bennington men who had been posted as deserters were arrested. There is a reward of \$20 for each man.

The steamer Claudine brought an unusually abbreviated list of passengers and a small lot of freight to port last Saturday. She sails us usual this afternoon.

The Canadian-Australian liner Miowera docked at Pacific Mail wharf last Sunday evening with a small lot of freight and a number of passengers from Victoria and sailed at 6 o'clock the following morning for Sydney via Suva. Purser Humphreys was somewhat under the weather and will next spring take several months' vacation visiting England. Commander Free formerly of the Canadian-Australian line will be in Sydney next July in charge of a fine new steamship for the Huddart line between Sydney and Auckland.

The steamer Maui arrived from Paauhau ports last Saturday night with a big cargo of sugar, which was discharged into the Australia yesterday. Rough weather is reported off the Hawaiian coasts, the seas at Paauhau being very high. Just before leaving Paauhau the whole lower works at that landing were carried away by the waves. On the way to port the Maui was continually under water and it was thought that some of the cargo would be damaged, but not a single bag of sugar was found to be wet. The Maui brought a head of cattle for the Settlement and the local market. She will return to Hanaia this week.

### Worth Bagley Garrison.

The first regular meeting of Ensign Worth Bagley Garrison No. 168, Regular Army and Navy Union of the United States of America was held last Friday evening with a large and enthusiastic attendance. Col. De la Vergne, of Delong Post, G. A. R. was an honored guest of the new garrison. The following officers were elected and installed:

Commander—M. H. Sanders.  
Senior Vice Commander—P. F. Ryan.  
Junior Vice Commander—E. A. Strout.

Adjutant—J. E. Sheahan.  
Paymaster—Chas. Lind.  
Quartermaster—L. A. S. Gardner.  
Chaplain—Ardie Turner.  
Officer of the Day—Thos. Dunn.  
Officer of the Guard—John Lund.

The garrison was instituted and the officers installed by National Deputy Wm Mackay, escorted and assisted by Sr. Past Commander J. F. Pearson, and National Officer of the Day Geo. W. Gregory.

All indications point to a bright and flourishing career for the new garrison.

### For Columbia Sailors.

On Friday evening a benefit performance will be given for the crew of the steamer City of Columbia at the Orpheum theater.

The misfortunes of the vessel have left the crew practically penniless and many thousand miles from home, and although there is some ten thousand dollars due them, still the unavoidable delay of the courts leaves them entirely without means until the vessel can be sold.

Christmas found them homesick and discouraged and the performance Friday is given in order that they may have something for New Year's.

The bill Friday night will excel anything ever attempted in the vaudeville line in Honolulu, for in addition to the regular Orpheum Company, Capt. Berger and members of the Hawaiian band have volunteered, as well as the best local talent.

### Have a Yell.

Talk about your college and class yells—the boys of the little gunboat have a "warm one" of their own. Here it is:

Who are we?  
Who are we?  
We are the boys of the new Navy!  
Are we in it?  
Yes, we are!  
Boys of the Bennington!  
Rah! Rah! Rah!

### Bar Meeting.

A large number of the attorneys practicing here were on hand last Saturday afternoon for the called meeting of the bar of the First Circuit. A committee was appointed to arrange for the banquet to the Chief Justice.

At the bar meeting the contempt case of Attorney Geo. A. Davis was mentioned, but no action was taken.

Lieut. Riggs, who served as a volunteer in the navy during the war with Spain, enters the offices of Bishop & Co. today.

A party of Italians sent for by Mr. Damon arrived by the Miowera. The Italian authorities will allow but twenty people to leave at one time.

### WHAT CUBA'S LOSS MEANS TO SPAIN.

The loss of Cuba means to Spain the loss of the very sustenance of the nation. Already her tax-ridden people are crying for bread. In the same way the loss of your once vigorous appetite means poverty and starvation to your body. If any reader of this paper wishes to be as hungry again as when a child, and wants to fully enjoy hearty meals, drink Seattle beer. It cures indigestion and dyspepsia. On tap or in bottles at the Criterion.
