

PACIFIC IMPORT COMPANY.

FORT STREET, MODEL BLOCK.

To All Those That Are Open To Conviction:

We take great pleasure to inform the public of Honolulu and all the Islands that

The Pacific Import Company will open a First Class

DRY AND FANCY GOODS STORE

**On or About March the 28th,
Under the Management of Mr. S. Ehrlich.**

TUESDAY, MARCH the 28th, the Opening will take place at 7:30 p. m., of which full particulars will appear in all the daily papers. The program will be very interesting. Everybody is invited, and at the same time to inspect our large and elegant new stock, carefully selected by Mr. S. Ehrlich and two assistant buyers of the PACIFIC IMPORT CO., who have searched the principal cities of the East for sixty days to obtain desirable goods for this climate; and only the most reliable manufacturers' output will be handled by THE PACIFIC IMPORT CO. We are quite safe in stating that no other retail house in this city enjoys the facilities in every respect to purchase goods in such large quantities as we do; this is owing to the fact that our business in Honolulu is a branch of one of the largest department stores in California. There is no reason why we should not be able to sell the choicest and most reliable makes of merchandise at prices that will astonish every one.

Our manager, Mr. Ehrlich, during the time he was East had the advantage of knowing what styles are best suited for the Islands, being off and on here in business for about eighteen years; so we feel quite confident the selections made by him and our other buyers will no doubt meet the approval of most of the people here.

We hardly consider it necessary to write a longer letter of information, as the Ladies of Honolulu will soon find out "Facts" about THE PACIFIC IMPORT CO. Such "Facts" will talk louder than all the advertising we can do.

Relating to the store, ladies will find it a very pleasant place to do their shopping, as it is a new building of modern construction, plenty of ventilation, light, roomy, and fitted up in the most modern style.

It will be our greatest endeavor to please the public and constantly place the newest productions to meet the demand in our growing city, at the most popular prices.

Very respectfully,

PACIFIC IMPORT COMPANY,
FORT STREET, MODEL BLOCK, Opp. Catholic Church.

SPECIAL.—Full information will appear in this paper, and also the program of our opening night, Tuesday, March 28th, at 7:30 o'clock.
