THE INSTITUTE

For Girls Lately Founded in Spain

Something About Hawaii's Personal Interest in the Movement -Donations Received.

The following have been given as reasons why the people of Hawaii should assist in the movement in aid of an international institute for girls founded in Spain:

1. Origin.—Mr. and Mrs. Wm. H. Gulick, with great consecration and mission enterprise, commenced work in Spain in 1871. After enduring peculiar trials and difficulties and many discouragements, Mrs. Gulick succeeded in introducing educational methods of the highest class, resulting in the foundation of the "International Institute for Girls" in 1881. When the war with Spain commenced it was supposed that the work of years was destroyed and that, with indomitable energy, the institute was transferred from San Sebastian, Spain, to Biarritz, France. Every Spanish teacher, pupil and servant accompanied their leaders, and new pupils from Spain soon joined them.

2. Outlook.—Influential Spanish families and professors in the universities now welcome the proposed return of this school to Spain, offering assistance and expressing the wish that their graduates of the Institute, incredible as it may seem, have gained positions of influence in educational and literary circles.

3. Future Location.—Prominent Spaniards agree with the founders of the Institute that it should be located in Madrid, and are already giving counsel and assistance. Suitable grounds and buildings are now the essential need, and a fine location has been proposed by prominent Spanish friends of the Institute. These grounds are being considered by other parties making immediate action necessary.

4. Opportunity.—Hawaii has an excellent opportunity to aid, modestly, a nation just emerging from the clouds of war. Without stopping to give reasons, it can readily be seen that at the present time aid from Hawaii will be a singularly graceful gift.

5. Amount.—No specific sum is named as desired from Hawaii. It is certain that in Madrid there would be a lasting memorial, if a building could be secured, as a token of Hawaiian interest and friendship.

6. Subscriptions.—Any amount, small or large, will manifest personal interest. Immediate pledges will aid in perfecting the enterprise, but payment can be deferred, according to the convenience of subscribers. Such subscriptions, or pledges, can be forwarded to Miss Caroline D. Castle, Honolulu, and will receive prompt acknowledgment.

POSITIVE ASSURANCE

That Boston Lyric Opera Company Will be Here.

If there are any doubts of the fulfillment of the coming opera season, they should be dispelled at once. The Boston Lyric Opera company will play in Honolulu and arrive here on the 25th of October on the S. S. Australia. The season will be for eight weeks as has been announced and every promise made will be carried out to the letter. On account of the anxiety felt by the public of this city, in regard to the coming engagement, this positive announcement is made. Mr. Harkinson has received a communication by the last mail from Col. W. A. Thompson, manager of the company, dated from San Francisco, on which the statement is made that all arrangements have been made for the transportation of the company with full payments made. This is an unquestionable assurance of the great musical season being a certainty.

GERMAN-CANADIAN JOKE.

A Berlin, Ont., German paper springs this on an unsuspecting public: Mueller—That is certainly a great mixture about those Filipinos. Schultz—How so? Mueller—First they were great friends of the soldiers and diplomats of Uncle Sam, and then—Schultz—And then? Mueller—Then they were renais and insurgents, and then—Schultz—And then? Mueller—Then they became bandits and robbers—Schultz—And then? Mueller—And then they will become American citizens.

Kindness—"Why did you laugh at that joke?" "Well I expect to be old myself, some time."—Washington Star.

Home Again

Every judge of millinery art will be pleased to learn that Miss M. E. Killeen, who left for New York over two months ago for the purpose of obtaining the choicest collection of fall millinery of the latest styles, has returned by the steamer Mariposa Thursday morning. The fact that Miss Killeen's mission to the East was fully accomplished is demonstrated by the large stock of elegant goods now on display at her store. During her short visit in San Francisco Miss Killeen was very fortunate to secure the service of Miss Agnes Smith, an accomplished artist, late of St. Strozynski, one of the leading hairdressing stores in that city. Miss Smith has met with great success on the Coast, being acquainted with all the very latest styles.

Consumption It Can be Cured.

There is no doubt about it. Begin early, take out all impurities from the system, enrich the blood, and recovery is certain. If your child is thin and pale give Ayer's Sarsaparilla at once. Consumption only attacks the weak. Mr. Alfred G. Stevens, of Parnell, Auckland, N. Z., sends us the photograph of his daughter and says:

"My daughter Emily, 17 years of age, was in a very low state. She could not sleep because of her violent cough. Two doctors said she was in the first stages of consumption. She was so weak she could not go out by herself. A friend induced me to try

AYER'S Sarsaparilla

In less than two weeks our daughter could sleep well at night. Her mother and I would go into her room at all hours of the night, it seemed so good not to hear that awful low cough. She raised great quantities of blood, yet notwithstanding all this I can now say she is entirely cured. Take Ayer's Pills with the Sarsaparilla. Prepared by Dr. J. C. BRILLIANT ENDORSEMENT.

By Health Journal of New York August 24, 1899.—J. A. Davis, M.D., Editor and Manager. Only last week we examined the beer brewed by the Capital Brewing Company of Olympia, Wash., and it is a perfect illustration of the quality of beer which we are always glad to commend. For the analysis showed it to be entirely free from any trace of any injurious substance. Such a high grade of beer is most beneficial in its use, for none of the pure malt and hops have been displaced by harmful ingredients. Every hygienist will concur with us in saying that a beer of such superior excellence is a very wholesome beverage. Physicians often have occasion to prescribe a pure beer for cases of debilitation, and they can safely order this beer, made by the Capital Brewing Company.

L. H. Dee has in his keeping the American Journal of Health and can be seen by anyone. This beer can be had in bottle or on draught at the HOFFMAN, corner of Hotel and Nuuanu streets. A large assortment of the very best of American and foreign liquors we are pleased to sell you and give you value for the benefit of your health. Yours, L. H. DEE, Proprietor of HOFFMAN.
