

Our Men's Furnishings

(Or as one of our department heads put it, MEN'S SMALL NEEDS).

Department

—Is prevalent and redolent with an air of good taste. The flowers in glass bowls which grace the showcases are rivalled by the Silken Blossoms woven into our latest Neckwear. The colors of our Business Shirts are pleasing and artistic. The English and American Underclothing of serviceable and fine textures lends a substantial air to the whole, to which the dainty things intended for men's wear adapt themselves with good grace. Magnificent value is coupled with modest price in such a way as must give our store an additional prestige as a men's wear shopping center.

Views on Money—Trade—The Retailers—Collections—Canned Goods—Produce Prices—Building Material.

COMMERCIAL.

There seems to be quite a contraction in local circulation of money, although the large number of troops recently passing through Honolulu left much with us. The large amount in Government vaults, and the drains by assessable stocks in the hands of clerks and others of small income, prevent a general exchange. The result is that merchants generally report business below expectations for the season. Fewer goods for fall have been purchased and credits—more carefully extended.

Fruit stands, saloons and restaurants report increased revenue from soldier patronage.

Combination of Coast canneries and shortage in crops have made still higher rates in canned goods. Pears have risen 25 per cent in the last six weeks. Flour firm and upward. No change in wheat. Butter advanced 6 cents per pound on the Coast; tallow in proportion. Rice 4.60. Island potatoes advanced 2 cents; California potatoes locally 2½ cents to 3 cents. Canned meats advancing.

Collections very tardy, due to causes already named. Bicycle trade large; one local firm reports average sales of 45 wheels per month for the year.

Building materials are firm. Little change in feed stuffs. Great local demand for printers in all departments. Mechanics of all classes find ready employment. Wages advancing.

Rebels Found Inrenched—A False Friend Arrested—Houses Burned—Station Established.

MANILA, Oct. 28.—10 A. M.—General Young's column, which left San Isidro at daybreak moving northward in the direction of Santa Rosa, encountered the enemy strongly entrenched just beyond the Tuboatin river. A brisk fight ensued and the rebels were repulsed. Two Americans were killed and one wounded. Pursuit was impossible owing to the width and depth of the stream.

MANILA, Oct. 27. 6:15 P. M.—M. Uperio Santiago, one of the wealthiest Visayans, who had taken the oath of allegiance to the United States and who posed as a friend of Americans, has been arrested at Iloilo, while other Visayans are being watched. The prisoner is charged with organizing a revolutionary junta. Santiago owns sugar estates throughout the island of Negros.

It is asserted that a council of ten and the manager of the junta met daily at Santiago's office for the purpose of engineering an extensive scheme of collections for an insurrection. One of Santiago's steamers was captured carrying supplies to the rebels. His arrest caused rumors of an outbreak of the natives of Iloilo, and precautions have been taken to prevent trouble.

A battalion of the Eighteenth Regiment and the marines of the gunboat Concord have returned from an expedition to Concepcion, Northern Panay, where they went in search of the Concord's coxswain, who was lured ashore by a white flag and who is supposed to be a prisoner. They found the place deserted and burned every house as a punishment.

WASHINGTON, Oct. 27.—The following cablegrams have been received at the War Department from General Otis:

"MANILA, Oct. 27.—Lawton's advance under Young, North San Isidro, near Cabanatuan. Established permanent station, three months' supplies being forwarded by the San Juan river route. Lawton meets little resistance. Twenty-sixth Volunteers and a battalion of the Nineteenth Infantry sent to Iloilo."

"The transport Tacoma, headquarters, seven companies Twenty-seventh Volunteers, arrived. Casualties, Corporal Henderson, Company C, washed overboard. Two men deserted and seven left sick at Honolulu, of whom Corporal Hunter, Company G, is dead. No other casualties. Command in good health."

"Transport Sheridan, Thirty-third Volunteers, and recruits arrived. Good condition. One casualty, Private Hulan, Company K, died en route."
