Honolulu, T. H., April 22nd, 1902.

Pacific Hardware Co., Ltd., Honolulu, T. H.

DEAR SIR:—The presence of the horn-fly pest in my herd of milch cows has been a cause of serious apprehension to me, both on account of the consequent deterioration in the condition of the cattle and the reduced production of milk. I am pleased to inform you that the application of the So-Bos-So Kilfly, which I purchased from you a few days since, has already resulted in a decided improvement in the condition of the cattle, as well as an increase of 20 per cent in the quantity of the milk produced, before the application of the Kilfly. Very truly yours,
PAUL R. ISENBERG.

So-Bos-So Kilfly Is a Liquid Mixture

designed to protect cows and horses from torture of flies. The preparation is positively harmless. It is used with splendid results as a disinfectant and germicide. The Electric Sprayer discharges the So-Bos-So (Kilfly) in a fine, broad spray. From 30 to 50 cows can be sprayed in a few moments. The Electric sprayer is detachable, and thus may be thoroughly cleaned. If your animals are troubled with lice, use So-Bos-So (Kilfly). It knocks them out. Spray your poultry house with So-Bos-So (Kilfly). It kills lice or any vermin that may infect the fowls. Sufferers from the Horn Fly should give Kilfly a trial. We are sole agents for the Territory of Hawaii.

FAMINE TO AID STRIKE

Teamsters May be Starving All Chicago.

STOCK YARDS NOW TIED UP

Union Men Declare They Will Prevent Coal and Ice From Reaching Butchers.

CHICAGO, May 27.—Chicago's beef supply from the stockyards has been almost entirely cut off, and unless the concessions demanded by the striking teamsters are granted within the next day or two the city will be face to face with a meat famine. Not only have the big packers failed in every attempt to smuggle meat out of the yards, but the wholesale and retail butchers, who usually drive their own wagons and take out loads of provisions, have been forbidden to do so in the future. A number of them were today allowed to carry away stuff that they had bought from the packers, but they were warned not to return for any more until the trouble is settled.

CHICAGO, May 28.—If the four great packing concerns at the Union Stock Yards do not yield to the demands of the striking teamsters within a short time it may result in a general stoppage of 40,000 employees at the yards. Already several hundred persons have quit. The situation is becoming so impossible that it apparently will be impossible for the union men to remain at work much longer without violating the rules of the Chicago Federation of Labor, under which they hold charters.

A strike among the beef butchers or hog butchers or any other set of men, upon whom hundreds of others are dependent, would cause a complete tie-up in every branch. This is said to be not unlikely, because in many instances union men have been asked to do the work of the strikers, and have been discharged upon refusing. Furthermore, union men are forbidden to handle goods that have been prepared by non-union labor, and it is said to be nearly impracticable for the men to continue without doing this.

Conferences between several of the firms and representatives of the union were held this afternoon in an effort to adjust the trouble, but the packers refused to concede any of the demands of the strikers, and the probability of an early settlement seems as remote as on the first day of the tie-up.

Twenty-two boxmakers employed by the National Box Company's plant at Thirty-eighth street and Center avenue struck because they had been asked to furnish boxes to the packers against whom the teamsters are struggling. The American Express Company refused today to handle meat because of the fear that its drivers, who are members of the teamsters' union, would strike if asked to haul meat.

Striking teamsters attempted today to curtail the meat supply of downtown hotels and restaurants by surrounding drivers for Swift & Co. and threatening them. Policemen, sent in response to a riot call, dispersed the crowd, however, and soon were in full possession.

Further steps to extend the strike were taken today when orders were issued from the teamsters' headquarters that no coal should be delivered to the concerns to refrigerate meat for "unfair" butcher shops or packing-houses. This development promises the most complete tie-up of teaming deliveries ever experienced in Chicago. Butchers who use meat delivered by non-union drivers will lose their ice and concerns that make their own ice will lose their coal.

CHICAGO, May 31.—The teamsters' strike today spread to the department stores. Eighty-nine men working for the Fair struck and it is stated that 400 more men employed by other big stores will be out by tonight. The effect, it was said, would be to practically shut off the delivery of goods to customers and the bringing of new stock. The department store teamsters' union was recently formed and is affiliated with the national organization on the same footing as the one at the yards. The men make the same demand as the packers' teamsters for better hours, higher wages and recognition of the union. Police were called to guard the Fair.

Jacob Kessler, manager of the establishment, attempted to address the teamsters this morning. Their business agent, however, told Mr. Kessler that he would have to talk to the men's agent and that he could not talk to the men. "I do not recognize you," said Mr. Kessler. At this the business agent blew the whistle and the teamsters to a man quit work leaving large guards of pickets, however, to look after their interests.
