For the benefit of the farmer-plan producers

Market for General Combination of Farmers

COOPERATIVE STAND IN FISH MARKET

Discussion of Methods of Securing Local Sales for Fruits and Vegetables.

Plains for the making of a market for the produce of the small farmers of the Territory of Hawaii are under consideration by many of those who believe it may be possible that the time may soon come when the small farmers and vegetable growers of the Territory of Hawaii may be able to secure a larger share of the market for their produce than they have hitherto been able to do. The small farmers and vegetable growers of the Territory of Hawaii have been very successful in the production of a number of the more common kinds of fruits and vegetables, and it is believed that with suitable facilities and proper organization, they may be able to secure a larger share of the market for their produce than they have hitherto been able to do.
