

TREATED OLD LADY IN A ROUGH MANNER

(Continued from Seventh Page.)

1899, and bond fixed at \$25,000, and has remained at that figure up to the present time. However, upon adding the various interests of the estate he finds that they amount to about \$300,000 at the present time, and therefore recommends that the amount of the guardian's bond be increased to \$500,000.

Continued Until Friday.

Kalana, who appeared for trial Wednesday in Judge Humphrey's court, was there again yesterday morning.

On Wednesday when he appeared he was clothed in the garb of a felon, notwithstanding the fact that he had not been tried or found guilty of burglary in the first degree with which he had been charged the court ordered that he should appear again yesterday in citizen's clothing, and also ordered that such clothing be procured for him. His case was yesterday continued until the February or any special term of the court.

Motion for New Trial.

A motion for a new trial has been filed by J. L. Kaulukou in favor of his client A. Gusmann, who was convicted yesterday of manslaughter in the third degree in Judge Humphrey's court. The motion is based on the following grounds: That the verdict of the jury in said action rendered on the 11th day of December against the defendant finding him guilty of manslaughter in the third degree, be set aside, and a new trial granted said defendant on the grounds, to-wit:

First, that the verdict was, and is contrary to the law and the evidence, and to the weight of the evidence, in said action, and also contrary to the instructions of the court to the jury thereon.

The motion will be heard on Saturday.

Court Notes.

Fred Wundenburg has given notice of appeal from the decree dismissing his bill for injunction against George Markham.

In the case of the Territory of Hawaii vs. Kaunimaka, who was recently tried for assault and battery in the lower court, and sentenced to thirty days at hard labor and to pay costs upon a plea of guilty, who appealed to the Circuit Court for mitigation of sentence, upon motion of Deputy Attorney General Cathcart the case received nolle prosequi yesterday.

The suit of W. C. King vs. W. L. Peterson, upon open account in which plaintiff sought to collect from defendant for goods purchased by his wife, was decided in favor of defendant. It was shown that defendant had obtained a divorce from his wife, and declined to pay for goods bought by her on the grounds that she was not authorized to purchase by him. Judgment was given for the defendant as the purchase was not a necessary one and the agency of the wife was not satisfactorily established.

WILLIAMS BOYS PLEAD GUILTY.

Light Docket Confronted Judge Wilcox in District Court Yesterday.

Stars of high magnitude succeeded in arresting the attention of those who gathered at the police court yesterday morning. The Wilcox matinee while brief was none the less interesting. The famous Williams team was on the boards, listed for a "first degree turn."

The noted Ethiopian store breakers were arraigned before the First District Court. Bob Williams and Edgar Williams responded to their names when called out by the prosecution. Each lost no time in pleading guilty to the charge of burglary in the first degree. There was little else for the prosecution to do, but to recommend to the court that the ball of the defendants be fixed high enough, to retain them in the confines of the city. The negroes were placed under bonds to the amount of \$2500 each, and in default of which they were remanded to jail. The defendants were committed for trial at the next term of the Circuit Court.

Hallilan, charged with vagrancy, was granted a nolle prosequi. The man was found wandering about the Fernandez premises at Waikiki and was placed under arrest. The complaining witness refused to prosecute.

Messrs. Hamlin and Sul Tim, arrested while occupying the room of a mutual friend were sent up for vagrancy yesterday. Each defendant was given three months at the reef.

GARRISON MUTINIED.

Hundreds of Turkish Women Pensioners Demand Their Pay.

NEW YORK, Dec. 6.—The Constantinople correspondent of the London Times and New York Times, says the garrison at Mecca which has not been paid for a long while, has mutinied. As a result money to pay the troops here was sent from Constantinople on Wednesday. Hundreds of Turkish women pensioners gathered on Wednesday in the precincts of the Fort, weeping, shrieking and demanding their pay. The Grand Vizier dispersed them by telling them they would forfeit their pension if they did not cease their clamor.

REPORTED TO HAVE TURNED

TURTLE IN A TERRIFIC STORM

British Ship Nelson Thought to Have Been Sunk Immediately Carrying Down to Death the Entire Crew.

PORTLAND (Or.), Dec. 4.—With twenty-eight men on board, the British ship Nelson, bound for Queens-town, is reported to have turned turtle last night some distance out of Astoria in the terrific storm which has been raging off the Oregon coast for several days. The ship is said to have sunk immediately, carrying down to death the entire crew. The storm which the Nelson encountered caused great disaster all along the North Pacific coast.

The bar tug "Tatoosh," Capt. Bailey, which returned to port at Astoria today, brought the news of the terrible disaster, which is believed to be fully as bad as reported.

The night was dark, and it was simply impossible for the tug to render any assistance to those members of the crew, if any, who were not carried down with the ship. The noise of the gale made it impossible to tell whether any of the men might have been rescued, and those on board the tug were finally compelled reluctantly to withdraw to a place of safety.

Captain George W. Woods, the bar pilot, says the Nelson must have sunk between 10 and 11 o'clock last night, when the gale was at its height.

The Nelson was built at Fort Glasgow, Scotland, in 1874 and was owned by Shaw, Savill & Co. of Glasgow. On November 25th, she sailed from Portland, Or., with 38,230 cents of wheat, valued at \$75,700, shipped by the Portland Grain Company, and she was bound for Queenstown. Her tonnage was 1247. The cargo was fully insured.
