## Bigelow Inspects New Hanalei Wharf

Lyman H. Bigelow, superintendent of public works made a flying visit to Kauai last Friday, coming in on the Claudine in the morning and returning the same evening. The principal object of Mr. Bigelow's visit was to inspect the work at the Hanalei wharf and he reported that he was satisfied with the progress made.

The work on the wharf is being done by Coney and Morris, a new concrete deck being laid on the wharf. The contractors experienced a little difficulty at the start owing to labor trouble, but as soon as they got rid of one of the men, whom it was alleged was an agitator, the trouble was soon over.

The construction of the Kapaa water works was also considered by Mr. Bigelow while here and he made a short trip of inspection to the spring that will be used to supply the water for Kapaa. Nothing can be done on this work until the plans are drawn up and approved by the board of public works. This will take considerable time and the work cannot be expected to start for at least two or three months.

Mr. Bigelow did not have an opportunity to inspect the recent survey of the Paupaka road but he did disapprove of having the work done under any sort of agreement where the person in charge worked on a commission basis.

## JOYRIDERS CONVICTED OF MALICIOUS CONVERSION

John Padella and George Souza, Porto Rican youngsters employed by the Grove Farm plantation, stepped off with the wrong foot, as it were, on July Fourth. Everybody was going to Makaweli to see the games between the westenders and the soldiers from Honolulu. John and George both wanted to be counted among those present and enjoy the event, so they purloined an old truck belonging to Grove Farm and started west.

Inexperience hampered them somewhat but it was not before the pair reached Koloa that their conveyance began to balk and foam at the mouth and finally stopped for want of water and breath.

In the meantime the car was missed and a search was made and the boys were found at Koloa and brought back to Lihue and Justice.

On Thursday the pair came up in the Lihue district court before Judge Hjorth; they pleaded guilty and were sentenced to pay a fine of \$100 each besides cost of \$1. Not having a banking account or ready cash, both offenders are at Hotel Montgomery in the tender care of Kalei for the next three months. Thus ended an otherwise pleasant outing and the boys are sadder but wiser youths.

## A NEW GOVERNMENT DENTIST FOR KAUI

Dr. H. P. Choy, recently appointed as government dentist of Kauai by Dr. Trotter of the territorial board of health, arrived last Wednesday to take up his new duties. He is at present stationed at the Kapaa school but will later travel to all schools of this island. He takes the place of Dr. Southwell, who recently resigned to practice in Honolulu.

All dental equipment now at Inspector Cook's office at Waimea will be removed to the Kapaa school this week and Kapaa school children needing attention to their teeth will be attended to as soon as the necessary equipment can be installed.

Dr. Choy has been practicing dentistry successfully in Honolulu since 1918. He is a Honolulu boy and obtained his D. D. degree at the University of Denver, class of 1918. He will also open an office in Kapaa and engage in private practice after giving the necessary time to his government duties.

## COUNTY TO CONSTRUCT THE OLOHENA ROAD

Owing to some technicality of the law, the board of supervisors are unable to let the contract for the Olohena road to George Mahikoa, as it was necessary that the county do the work on the road.

Mahikoa was appointed foreman of the work, which will start just as soon as the crusher and other equipment can be moved to Kapaa.

C. L. Lane of the Bank of Hawaii, Lihue, returned from Honolulu this morning, where he went to see his wife away on the Niagara last Saturday. Mrs. Lane is on her way to visit her parents, Mr. and Mrs. Bresler of Seattle. Mr. Lane's mother, Mrs. C. Lane, and his sister, Miss Lucille Lane, returned with him for a month's visit.

## Supervisors Hold Regular Meeting

The regular monthly meeting of the Board of Supervisors of the County of Kauai was held on Wednesday, July 5, 1922, at 9:30 a. m.

Present:—H. D. Wishard, chairman; T. Brandt, J. I. Silva, Fred Mendes, A. Menefoglio.

The minutes of the last meeting were read and approved.

A request from Sheriff W. M. Henry Rice for an allowance of expenses for the upkeep of his automobile of which he is using for county work was received, and by unanimous vote, was allowed to spend sixty dollars (\$60.00) per month.

Of the Board's own motion, by unanimous vote, Sheriff W. H. Rice was recommended as a committee of one to represent Kauai, to succeed himself on the Bureau of Tourists at Honolulu, Hawaii.

Upon the motion of Mr. Brandt, seconded by Mr. Menefoglio, and by unanimous vote, Miss Mabel I. Wilcox of Lihue was appointed a trustee of the Samuel Mahelona Memorial hospital to succeed herself.

Upon the motion of Mr. Menefoglio, seconded by Mr. Mendes and by unanimous vote, the county engineer was authorized to call for bids for material and for construction of the Kauai high school shop; the chairman and the county engineer were also authorized to open the said bids on the 27th inst., at 10 o'clock a. m.

The board's own motion, by unanimous vote, Mr. Middleton will hereafter be recognized officially as the county engineer, County of Kauai, and not county road supervisor, as heretofore known.

Bids for the furnishing of material, etc., and for construction of one teachers' cottage for the Lihue grammar school, (2) school desks, (3) new road machinery, and a new engine were received and are as follows:

**CAR BUMPS CULVERT; COMES OFF SECOND BEST; CULVERT GETS DECISION**

A Dodge car was almost totally wrecked last Tuesday when it collided with the heavy concrete culvert at the top of the hill just above the Wailua flats. The car was bound toward Kapaa and according to the story told by the occupants, tried to pass another car going in the same direction. The occupants of the wrecked car claim that the driver of the other car was a novice and was swerving all over the road, forcing them in to the ditch and against the culvert.

According to the police, the driver of the other car was an experienced chauffeur and that from the indications of the wreck the smashed car was being driven at a terrific rate of speed and the driver probably lost control while attempting to pass the other car.

All passengers in the wrecked car escaped without injury, which was a miracle, as the car was almost a complete wreck.

**CONTRACTS AWARDED FOR NEW TEACHERS' COTTAGE**

The contract for the new teachers' cottage to be erected at the Lihue grammar school was awarded by the board of supervisors to John Hansen for construction, and materials bid of Allen & Robinson, being the lowest, was accepted. The new cottage will be erected next to the one that was built, making three cottages in a row. This should be a popular spot for the young men, for if a man finds himself unpopular in one house it will not call for much effort to move on to the next. Parking reservations are already being made for next year.

Later on upon the advice and recommendation of the county engineer the following bids were accepted:

**Teachers' Cottage, Lihue School Material: Allen & Robinson Ltd.** ..... \$3,100.00  
**Construction: John Hansen** 1,200.00  
**School desks: Office Supply Co.** ..... \$3,620.00  
**Road machinery No. 3 wheeling**  
Honolulu Iron works ..... \$1,705.00  
**Stationary elevator, etc.** ..... \$ 465.00  
The bid of \$1,870 for the engine, 30 horsepower, by the Honolulu Iron works was referred to the county engineer to investigate and report at the next meeting.

Upon the motion of Mr. Menefoglio, seconded by Mr. Mendes, and by unanimous vote, the sheriff was authorized to build a tool house for the county building, adjoining the county building garage.

The several demands submitted and hereinafter listed were approved.

Upon the motion of Mr. Menefoglio seconded by Mr. Mendes, and by unanimous vote, the clerk was instructed to ask Miss Hundley, supervising principal of Kauai schools, to furnish this board with a list of furnitures of all the schools and cottages needed for the next six months.

Financial reports for the month of June 1922, etc., being the treasurer's; treasurer, auditor; auditor's receipts, balances and outstanding warrants; auditor's; joint reports and the quarterly report of Sam'l Mahelona Memorial hospital's treasurer were referred to Mr. Brandt for advice.

The report from the pound master of the Lihue district for the quarter ending June 30, 1922, was received and was referred to Mr. Menefoglio for advice after which he reported favorably on the said report.

A letter, dated June 19th, 1922, from the Kauai Chamber of Commerce, petitioning the board to secure by purchase, one share of the Haena Hui, etc., was received, up- (Continued on Page Six)

## Waimea Bank Clerk Held For Grand Jury

Shige Akahane, who was charged with embezzlement of \$520 by the Bank of Bishop, Waimea, plead guilty in Judge Hofgaard's district court last Thursday morning and was committed to the grand jury.

Akane did not waive examination and Th. Brandt, the manager of the bank, was put on the stand and testified that Akane admitted falsifying the accounts to him when confronted by the depositor from whose account the money was taken.

Evidence was brought out during the trial the money was used by Akane to help pay some debts of his father's, who is now in Japan, the boy agreeing to pay the father's share. Evidently his salary would not cover the burden and he found it necessary to get money in some other way.

His method of operating entailed considerable bookkeeping to keep the accounts straight, but even his system was not proof against the check system maintained by the bank.

Akane will be brought before the grand jury and if a true bill is found against him he will probably be tried in the October term of court.

## KAPAA NOTES

Mrs. D. Hamick, who was formerly Miss Deborah Mahikoa of Kapaa, returned to Honolulu last Friday after spending a month here visiting her family.

The Amiel Brothers' Boston Store opened its doors last week and did a land office business in spite of alleged hard times. Lots of publicity in the papers as well as by other means undoubtedly enhanced their chances of success.

Prominent Foresters, including Chief Ranger Prigge, Henry Aki and Joseph Scharsch were among those returning last Friday. They all reported a great time on the Valley Isle.

Charles Huddy, veteran cowpuncher with the Makoe Sugar Co., met with a rather painful accident last Friday morning while out near the beach house at Kealia. An unexpected movement of his mount resulted in a fall. An examination by Dr. Hagood indicated that one rib was broken.

Mrs. George Ing, and Miss S. S. Kau of Honolulu are spending their summer vacation visiting Mr. and Mrs. Ahoon at Kealia. Mrs. Ing and Miss Kau are sisters, and used to teach at the Kapaa school about seven years ago.

## PRECINCT CLUB ENDORSES MASUNAGA FOR DEPUTY TAX ASSESSOR OF KAWAII

The race for the position of Kawaihau tax assessor is getting warmer and two candidates have been added to the list. Henry Pan Giesen however, wishes to announce that he is not a candidate. This leaves K. Masunaga, N. K. Hoopii and Arthur Wong in the race, with S. Kellinai also reported to be in it.

The executive committee of the Kawaihau Republican precinct club, at a meeting held last Monday evening, unanimously endorsed Masunaga for the place and the territorial central committee, the Kauai committee and Carlos A. Long, Kauai tax assessor, were notified of this action. What effect this endorsement will have, if any, is problematical, as politicians have ways which are mysterious to the layman as oriental puzzles are to the people of the occident.

## KAUI FORESTERS RETURN; REPORT WONDERFUL TIME ON THE VALLEY ISLAND

Delegates from Court Waialeale of the Ancient Order of Foresters, who attended the territorial convention on Maui returned last Friday morning after a wonderful week on the Valley Isle.

Every delegate from Kauai is loud in his praises of the hospitality that he experienced during his four day visit to Maui. Maui no ka oe has a new and wonderful meaning to them.

Those that represented Kauai at the convention were D. Prigge, John Fernandez, Henry Aki, Henry Van Giesen, Wm. Ferreira, J. S. Ornellas, F. Prigge and Ernest Victorino.

Mrs. S. M. Lowrey of Honolulu with her four children, arrived on the Claudine this morning. They were joined by Mrs. D. P. R. Isenberg and her children, who have been in Lihue for some time, and the whole party motored to Hanalei where they will spend several weeks at the Isenberg cottage.

## Wailua and Kawailoa Lots May be Opened

Considerable discussion has been going on in the Lihue district in regard to petitioning the land commission to open up lots on the Lihue side of the Wailua river just above the Sahr house and also to open up beach lots on the beach near the Lihue dairy which is known as Kawailoa.

According to J. M. Lydgate, local land agent, it is necessary that a petition of at least twenty-five names be submitted to the land commission to have the commission consider the proposition of opening up these lands for sale.

The lots on the bluff above the Wailua river would be ideal lots for homes, as this is one of the most beautiful spots on the island. It is proposed to ask the commission to open up a strip wide enough on each side of the road that goes mauka at the Wailua bridge. With the enlargement of the Kapaa waterworks that is being planned, the pipe line could be easily extended from the end of the present line which is at the Hills residence, to these lots across the river.

The beach lots at Kawailoa would also be a boon to the salaried man on Kauai as there are very few spots where a person of ordinary means may purchase a beach lot. This beach is said to be a very good one, being used now quite a bit by swimming parties.

## STUDENTS' REUNION HELD AT WAIMEA

About a hundred and twenty-five young men and women attended the students' reunion gathering last Sunday night at the Waimea social hall. Students from the following schools were represented at the gathering: University of Hawaii, McKinley high school, Mills high school, Kauai high school, normal school, Waimea Junior high school, and Iolani high school. A very interesting program was planned out by the Waimea ex-students. The program was as follows:

Self Introduction.  
Song—America the Beautiful.  
Prayer by Mr. Hall.  
Talk—"Origin of the Students' Reunion" by Mr. Mashita.  
Talks by representatives of the different communities.  
Talk by Mr. Hall.  
Talk by Dwight Pugh, secretary of the University of Hawaii Y. M. C. A.  
Songs, school yells, and school songs.  
Refreshments.  
Aloha Oe.

The students' reunion was organized by the Waimea people three years ago, and they have promoted the gatherings ever since. The first two gatherings were planned just for the Japanese students of Waimea, but this year the circle has been enlarged, including students of all races between Koloa and Kekaha. Much credit was due to the Waimea people for promoting such a splendid gathering.

## FORD CAR TURNS OVER ON WAILUA FLATS

A Ford car, the property of K. Kawano of Waipouli, was wrecked this morning when it went off the road just at the foot of the hill on the Wailua flats. The car was being driven by Kawano's son and for some reason got off the road into the ditch on the left hand side of the road. Instead of stopping and backing out of the ditch the driver attempted to bring the car out, in the meantime going ahead.

The road has been made over a small fill at the foot of the hill and as the car kept on going it finally got a point where it over balanced and turned over. It did one complete turn righting itself at the foot of the hill. There were three passengers in the car, all of whom were badly shaken up, but none were seriously injured.

One of the Standard oil tank wagons was just behind the Ford and the driver helped the passengers get out of the wreck.

The top and windshield of the car was smashed as well as the fenders and body.

## JUDGE ACHI GOES TO HONOLULU

Judge Achi left Friday for a short business trip to Honolulu. While in town the judge will attend the picnic given by the Bar Association at Wailua.

The Bar Association is having as its guests at the picnic all the supreme court, federal and circuit judges.
