SCANDALOUS COMPARISONS.

Mr. A. Hoffnung, Hawaiian Charge d' Affaires at London, in an interview published at San Francisco, said he would as soon believe Mr. Gladstone or President Cleveland guilty of accepting a bribe as he would the truth of the charge against King Kalakana of accepting \$71,000 as a bribe to issue an opium license. This shows Mr. Hoffnung's faith in his master, and is creditable to that extent; but since his arrival here he has had ample opportunity to satisfy himself that his comparison was an insulting impertinence to the most exalted statesman in England, and to one of the purest and best of Presidents of the United States. If Mr. Hoffnung were a private individual his comparison might have passed unchallenged, but his position makes it a public record of official opinion at once offensive and reckless. Mr. Gladstone was Premier of England when his foreign secretary strained a point to give Mr. Hoffnung official recognition, and a sentiment of gratitude alone should have prevented him venturing upon an impertinent comparison, even were his own mind free from doubt on the subject, which it could not have been. Mr. Hoffnung is now training with the Victorious Opposition, and has satisfied himself of the truth of the charge of corruption involved in the opium bribe. Let him come out like a man and say so, and apologise to British and American people for his improper allusion to two of their greatest and most distinguished statesmen. If he does not do this, he will find himself in a rather awkward position among the members of the diplomatic corps at the Court of St. James' upon his return to his post.

A NEW TENOR.

London, June 18th.—Theodore Bjorksten, the Swedish tenor, sailed on the Gasconne yesterday from Havre, accompanied by his wife. His success in Europe has been in Barcelona, Paris, Antwerp and Ghent. His advent in New York will be of great interest. Gounod, the composer, who is a personal friend, has called him the new Mario. He takes with him many letters of introduction to prominent people in New York, including the Vanderbilts, James Gordon Bennett and John A. Cockrell. Bjorksten's father was formerly a captain in the Swedish navy, but is now governor of the King's Palace at Stockholm. Mrs. Bjorksten is also a Swede, and before her marriage was Mlle. Hearear Torpall. She has been for several years leading contralto in the American Church in Paris.—[S. F. Chronicle.

Swan Bros., livestock-dealers at Cheyenne, have failed. Their liabilities are about \$800,000. A complaint has arisen in some places that Arbor day was observed with too much exercises and too little tree-planting.—[Boston Journal.

Mass Meeting

A LARGE GATHERING!

Pointed Speeches

Resolutions Adopted

All Business Suspended.

The Liquor Houses Closed!

The Military Under Arms

Great Excitement.

The mass meeting at the armory, announced by advertisement and otherwise, opened at 5 minutes past 2 o'clock. The town had shut up long before that time, and people of all classes wended their way to the place of meeting. All nationalities and classes of people were represented. The prominent merchants and business people of the town were present in force. The room was jammed full including a large smattering of Chinese.

At the reporter's table were representatives of all the newspapers, foreign and native. On Editor Testa taking his seat there were roars of ironical applause. Without the doors the Honolulu Rifles were drawn up under arms, with Major Ashford in Command. Major Wodehouse and Vice Consul Walker were present.

Mr. S. B. Dole ascended the platform at five minutes past 2 o'clock and called the meeting to order, nominating Mr. P. C. Jones as Chairman on this occasion (Loud Applause).

Mr. Jones on taking the Chair said:—Fellow Citizens, I feel proud at being nominated as Chairman at this, the largest meeting of the kind that has ever met on the Islands. We propose to conduct it in a constitutional manner and to address the king for a change of Government which we earnestly desire. We represent all classes of society and can afford to conduct ourselves in a firm, determined and dignified manner because we are firm and determined in what we ask. We have prepared a set of resolutions which will be read to you by Mr. L. A. Thurston, and also a communication just received from His Majesty, addressed to Hon. C. R. Bishop.

In view of the largeness of the meeting and the number of persons appointed to address the meeting, each speaker would be limited to five minutes.

Mr. Thurston mounted the rostrum and before proceeding to read the resolutions, apologised for appearing in uniform but having been ordered so to do, he was but obeying orders.

RESOLUTIONS.
We the citizens, residents, and Taxpayers of Honolulu, acting as we firmly believe, in sympathy with and in behalf of all right-minded Citizens, Residents and Tax-payers of this Kingdom, and being assembled in mass meeting in the city of Honolulu, on the 30th day of June, 1887, do resolve as follows:—

1.—That the administration of the Hawaiian Government has ceased, through corruption and incompetence, adequately to perform the functions and afford the protection to personal and property rights, for which all governments exist.

2.—That while some of the evils of which we complain cannot be at once adequately redressed, and their recurrence prevented; and many others are incurable except by radical changes in the present constitution, involving protracted delays; yet there are some evils which we feel must be remedied at once before a permanent reform movement can be inaugurated with any reasonable prospect of success.

3. Holding these views, we request of the King:

First. That he shall at once and unconditionally dismiss his present cabinet from office, and we ask that he shall call one of these persons, viz: William L. Green, Henry Waterhouse, Godfrey Brown, or Mark P. Robinson, to assist him in selecting a new cabinet, which shall be committed to the policy of securing a new constitution.

Second. That Walter M. Gibson shall be at once dismissed from each and every office held by him under the government.

Third. In order so far as possible to remove the stain now resting on the throne, we request of the King that he shall cause to be made immediate restitution of the sum, to wit: Seventy-one thousand dollars (\$71,000) recently obtained by him in violation of law and of his oath of office, under promise that the persons from whom the same was obtained should receive the license to sell opium, as provided by statute of the year 1886.

4.—Whereas one Junius Kaee was implicated in the obtaining of said seventy one thousand dollars (\$71,000) and has since been and still is retained in office as Registrar of Conveyances, we request as a safe guard to the property interests of the country that said Kaee be at once dismissed from said office, and that the records of our land titles

be placed in the hands of one in whose integrity the people can safely confide.

5.—That we request a specific pledge from the King.

(1) That he will not, in the future, interfere either directly or indirectly with the election of representatives.

(2) That he will not interfere with or attempt to unduly influence legislation or legislators.

Resolved that the committee of thirteen

TO WAIT ON KING.
Paul Isenberg, W. W. Hall, J. A. Kennedy, W. H. Rice, Captain King, E. B. Thomas, H. C. Reed, Jno. Vivas, W. P. A. Brewer, W. B. Oleson, Cecil Brown, Captain Ross, J. B. Atherton,

Is hereby appointed to present the foregoing resolutions and requests to the King, and said Committee is hereby instructed to request of the King a personal answer to the same be returned within twenty-four hours of the time when the same are presented; and to further inform the King that his neglect to so answer the same within said time will be construed as a refusal of the said requests.

Resolved, That said committee, in case of the King's refusal to grant said requests, or in case of his neglect to reply to the same, is authorized to call another mass meeting at this place on Saturday, July 2, at 2 P. M. to further consider the situation.

There was no interpretation of speeches as speeches were to be made in both languages. On Mr. Jones calling on Mr. Green there was tremendous applause.

The Hon. W. L. Green spoke at considerable length and his remarks were received with loud cheers. He said they were assembled to express their views on the past, and also as to the future. (Loud cheers.)

Mr. W. A. Kinney next spoke. He said it is time that the Throne was addressed in the language of truth and that means the reconstruction of the Cabinet. He particularly urged a new constitution and that speedily. He next spoke in Hawaiian, and his remarks were received with tremendous cheers.

These addresses were frequently interrupted with vociferous cheering and applause.
Mr. Bishop then ascended the rostrum, and read the following letter from the King:—

THURSDAY, June 30, 1887.
HON. C. R. BISHOP, Member of the House of Nobles, Privy Councilors of State, &c.
My Dear Sir:—Reposing especial confidence in your loyalty and sound judgment as a councillor, and knowing your regard for our people, we are moved to call upon you in the present condition of affairs in our Government, to say that we have called upon the Hon. W. L. Green to form a Cabinet and a ministry which he may select and which will be acceptable to the respectable and responsible majority of our people will be welcome to us, and any guarantees which may be reasonably required of us under the constitution and laws of our kingdom will be at once conceded to such administration.

Your friend,
KALAKAUA.
The meeting was addressed by Messrs. Dole, McCandless, C. R. Bishop, H. Waterhouse, Jr., R. Jay Greene, L. A. Thurston, P. Isenberg, H. S. Swinton.—The burden of the speeches was a radical change is wanted at once. Strong determination was expressed by every speaker. The meeting was extremely enthusiastic from beginning to end.

INQUEST ON THE NUUANU STREET FIRE.

In accordance with Chapter X, of the Session Laws of 1886, which provides for inquests of fires, the Marshal convened a jury composed of the following named gentlemen to enquire into the origin of the fire at Cunha's store, on Nuuanu street, on the night of the 20th instant. The jury were Messrs. Louisouin, J. H. Soper, H. Waterhouse, W. W. Hall, J. B. Atherton and M. Davis.

Mr. S. B. Dole made the application for the enquiry on the part of the Northern Assurance Company. The building was insured for \$2,000 and the stock for \$5,000. Manuel R. de Madeiras, first witness, stated that immediately after the fire took place, he went to Frank Cunha's house and asked him if he knew that his store was burnt. He asked me if it were true, or a joke. On assuring him it was true, he dressed himself and went down together. We started within one hour after my arrival at his house. I went up in a hack. When we got to the ruins Cunha wanted to go inside the building but he was not permitted to do so. He said he felt most sorry about the death of the boy. He knew nothing about the affairs of the business before the fire happened.

Antone Fernandez sworn, stated: He remembered the fire but did not go there. I saw Mr. John Cunha going home at quarter past 7 o'clock the evening of the fire. I went to Cunha's house about 11 o'clock and told him that the store was burnt out. I stayed about four minutes and then went to my own house. After I had gone to bed a man came and asked me if I knew anything about the boy. No enquiry was made about the store goods. I do not know if John Cunha got up when I went to his house. I heard him speak. I did not know the boy was dead when I started out. Jose Rosa sworn: I knew the boy that lost his life. He sometimes slept in a room of the second floor of the store. I do not know whose business it was to close the store, or what is the regular time of closing. I do not know who carries the key of the store.

F. M. Swazy sworn, stated: I am connected with Messrs. T. H. Davies & Co. They are insurance agents. The premises destroyed were insured in their office. The building and stock had previously been insured for five or six years. John Cunha sworn, stated: I closed the store doors, and locked them at 7 o'clock together with Frank Cunha and the boy. Frank Cunha then said he wanted some meat for the dog, and the boy volunteered to go for it. In a little while he came back. I started for my house and the boy and Frank Cunha went together. I got to my house between 7 and 8 o'clock. About half-past 8 o'clock I went to bed. I heard no fire bell rung. I felt so scared when I was told my store was burnt out, that I could not speak. I did not go down town that night. I went down next morning at 6 o'clock.

Mr. Dole, in addressing the jury, said that this was all the evidence they had to offer. They would observe that there was no light burning in the store on the night of the fire, neither were there any matches there, and no apparent cause by which the place could be set on fire. It was for them to decide whether it was the result of a pure accident or not. They would observe that, on the news of the fire being conveyed to the partners in the business, there was no surprise expressed. It was possible that the boy who eventually lost his life was sent for the meat in order to be got out of the way until the fire was well under way. The value of the verdict would be an expression of any suspicious circumstances. Mr. Dole then invited the jury to visit the site of the fire which they did.
