THE EVILS OF PAINTING
And their Remedy.
"It has been said with much truth,
too, that house painting might, with
study and acquirement of taste, resume
its rank as a liberal art."—Painters'
Manual.
Believing the above to be true, A. B.
KERR has now re-organized his system
of working the business in Honolulu.
In the first place he has secured the
services of that celebrated artist, Mr. Max
Korn, formerly of San Francisco, whose
work in the line of plain and decorative
paper-hanging, frescoing, &c., is up to
the present time unsurpassed, and on
these Islands has never been equalled.
For house painting jobs first-class me-
chanics only will be employed. In
future patrons can depend upon my fill-
ing every order on the most scientific
basis known to the trade.
The Sign Painting and Lettering de-
partment will be permanently presided
over by Mr. Geo. STRATMEYER, (further
comment unnecessary.)
P.S.—Send for designs of frescos for
ceiling and corners. Something new;
and if you want any glass put in call at
"Tiger" Paint Store,
247 1/2 King Street.
Notice.
DURING the temporary absence of
Mr. W. G. Irwin from this King-
dom, Mr. W. M. GIFFARD will attend to
the business of our house.
