### Whooping Cough.

There is no danger from this disease when Chamberlain's Cough Remedy is freely given. It liquefies the tough mucus and aids its expectoration. ## Havana Flats

is the latest novelty in cigars. This is a perfectly flat cigar. The filler is Havana of a very high grade and laid in, like the sheets of a book, in the same way as cigars that cost \$150.00 per thousand. The outside appearance of the cigar conforms to the filler, and is perfectly flat. Those of our cigar customers who have sampled them pronounce the Havana Flats of excellent quality and of unique and attractive shape.

## Havana Cigars

by reason of their superior quality and name are usually sold at high prices. We have an excellent line of these cigars direct from Havana. While the quality of these cigars is at the top-notch our prices have been scaled down to bring these popular cigars within the reach of all.

## Manila Cigars

need very little said in their praise, for they are well known here to every smoker. It would be difficult to get a better cigar for the price at which Manilas are sold. We allow no one to undersell us in this line. We compete with any nationality. Remember that when looking for Manila Cigars.
