CRUISER OLYMPIA ARRIVES.

THE DELAYED TERN BERTIE MINOR LIGHTERING COAL.

Steamer Cummins Arrives---The Mokolii Departs---Other Items Along the City Front To-day.

The bark Matilda came off the Marine Railway this morning.

The steamer Mikahala goes to Kauai and Niihau tomorrow afternoon.

The schooner Robert Lewers is due at this port from the South via Hilo.

The steamer W G Hall goes to Lahaina, Maalaea, Koua and Kau tomorrow morning at [illegible].

The steamer Kaala arrived in port yesterday morning from windward Oahu ports, with one passenger, 50 sacks paddy and 130 sacks rice.

The steamer J A Cummins arrived in port this morning with Henry Macfarlane of Ahuimanu ranch as sole passenger and 600 bags rice from Kaneohe plantation. She returned thence this afternoon.

The tern Bertie Minor has delayed her departure for the coast, having struck a job. She is coaling the Olympia at $1.50 a ton, the ship to haul from the wharf, and the Olympia to unload the same from the ship's hold.

The police boat captured a whale boat this morning about 2 o'clock off Diamond Head with two occupants. They were run into the police station where they were given their liberty upon proper explanations. The whale boat is the one formerly owned by the late Dr. Trousseau. It contained a gasoline engine which has since been removed.

The steamer Keauhou came in from the Garden Isle via Kahuku, Saturday afternoon with 6 cabin and deck passengers, 63 sacks Electe rice and 26 packages machinery from Kahuku plantation, which the steamer stopped enroute to bring here for repairs. The Keauhou returned to Hanamaulu this afternoon with 150 tons of coal for that plantation.

The latest news from the whaling fleet received in San Francisco on September 21st, and dated from Herschel island, May 21st, is a tale of woe. There were deaths from consumption, men frozen to death, scurvy was prevalent and desertions were frequent. The wife of Captain Sherman presented her husband with a bouncing babe girl last May and that broke the spell of ill luck.

The cat-rigged Water Lily, which took the unfortunate yachting party to Pearl Harbor a few weeks ago, resulting in an arrest for violation of quarantine laws, returned Saturday afternoon to harbor. The slow sailing of the craft on that unlucky day was found upon examination of the Water Lily's bottom to be caused by a board which had become loose from the centre board and turned completely around athwart ship masking it simply impossible to sail the boat.

The U S S Olympia from Lahaina anchored in the roadstead at noon yesterday, and will remain here for some days taking on provisions and coaling previous to her departure for Japan. President Smith of the Board of Health and U S Vice Consul Boyd boarded the cruiser in the afternoon and were courteously received and entertained. Later on Port Physician Day went on board with full particulars regarding the situation. Although Commander Reed is not seated he will allow no shore leave for the present.

DESCRIPTION AND TERMS:

CREOLE is the gamest, fastest and best bred stallion that has ever been imported into the Hawaiian Islands. He reduced his record of 2:20 to 2:18 in Petaluma, Cal., August 24, 1894, distancing his whole field in the first heat; then again to 2:15 in stockton, Cal., September 23, 1894, winning the first heat in 2:15¾, fourth heat in 2:15, and fifth heat in 2 19¼, proving that he is a remarkably game as well as a speedy race horse. ("Creole by Prompter out of Grace by Buccaneer shows that he is capable of getting a mark of 2:10 and is one of the gamest stallions seen this year, and besides being game, is one of the best formed, and remarkably intelligent."—*Breeder and Sportsman*, Sept. 25, 1894.) He is 15¾ hands high and of powerful build throughout. His color is glossy black with one white hind foot His disposition is all that could be desired, and his action superb. He is a sure foal getter.

Terms $50, with usual return privilege. Will make the season at the
