### Troop Doings Punene Troop No. 2

"The meeting was opened in our usual way by reciting the scout oath and law. Then had the roll call showing fourteen present and four absent. Then our Scoutmaster F. Martin, gave us a short talk, he spoke concerning nature study and also gave a few hints on signalling. When he finished we practiced signalling for about twenty minutes. We then talked over what we should do before the long vacation. We decided to have a small luau of our own by using the scout dues which we saved. The luau is to be on June 22nd.

"We then had a few games led by the senior patrol leader. We played first aid game, wheelbarrow races, taking the hat, etc. The wheelbarrow race was the funniest, here was a fat boy acting as a wheelbarrow and a small boy wheeling him. The boy was so fat and tired that he could hardly go on. After going for a few feet he would wobble and fall. The small boy had a hard time holding his feet as his partner was so heavy. That side lost the race.

"In the first aid game because some who did not know how to carry the man learned the fireman's lift. We enjoyed this game.

"We had such a good time that we did not want to quit but we had to do it or it was late. Meeting adjourned at 9:15 p. m.

### Troop No. 6 Makawao

"At the meeting held on Tuesday night, June 6, at the scout house all

business was put aside to take up the practice for our show which was to take place on Saturday night. First some of the scouts took up test passing taking up map reading and the living of the scout pledge. This was first class work. Then we went right to work on the rehearsal for the acts. It was funny and we are sure the people of Makawao will enjoy our Portuguese Dutch acts. As a number of scouts were absent we had to do away with the pyramids and took up signalling instead. The executive then asked for volunteers for Saturday morning to prepare the building for the show. Five scouts volunteered. On looking up the records it was found that Kuraji Towata was the first scout to pass his first class tests.

"L. de COSTA, Scribe."

Saturday night was a big night for the Bronco Busters at Makawao. The new scout room was crowded to overflowing by the friends and parents of the troop. The show opened up with the Scout Oath and Law then Scouts Kuraji Towata and John Fernandez were presented with their first class pins. The ceremony was very impressive and the audience and scouts joined in three cheers for these scouts.

The Executive stated that Kuraji had made a record for the island of Maui in finishing his first class requirements. He joined the troop on January 10th, 1922 and qualified as a first class scout on June 6th 1922. Just five months from the time he joined the troop. The program then continued. Troop singing songs signalling, first-aid work, lifts and carries. The Executive sang a funny song and told his baseball story. Then we had the Dutch Comedians. Louis Maciel and John Paiva gave an act called from Soup to Nuts. It was a scream and the crowd just screamed.

Jacinto Estrella and L. de Costa then gave an act called The Insurance Agent. This was also a very funny act and the audience enjoyed it very much. Then we had four reels of good pictures which were greatly enjoyed by all. The lights were then turned on and

the color bearer brought in the American flag. The troop pledged our allegiance to the flag and all joined in singing the National Anthem. The whole show was a big success and the people wanted the troop to give another in the near future.

### Troop XI—Hamakuapoko

Saturday night Troop XI of Hamakuapoko, in charge of Scoutmaster Emil Davis took the bunch to the Spreckelsville Beach House for an over night camp. This was the first outing for the troop and they certainly had a jolly time. Mr. Murphy joined the gang later in the evening and Pop showed up about 11:45 p. m. after the show at Makawao. Sunday morning the boys were given instruction in firefighting by the Executive. We left the place at 8 a. m. and returned to Hamakuapoko. After church the scouts went out for practice in tracking.

Examiners Martin and Crockett have been kept busy the past few weeks on their passing of the papers on Nature Study. Some very excellent papers have been sent in by the scouts. It will not be long ere the

scouts of Maui will be familiar with the foliage and shubbery of this island.

### Some Scouts and some records

Kuraji Towata holds the record for passing from recruit to First Class Scout in five months. Kuraji is a member of troop 6 at Makawao.

Tomatsu Omoto qualified as a First Class scout in October 1921 and up to date had passed eleven Merit Badges. This is surely a splendid record. Only ten more and we will have an Eagle Scout on Maui. Scoutmaster Martin is surely proud of his scouts and deserves a great deal of credit for the splendid showing made by his boys.

Court of Honor.—There will be a session of the Court of Honor just before the close of the school term. All First Class scouts and those who have passed on Merit Badge subjects will have to be present to receive their honors.

Some Merit badges arrived from New York and these will also be presented at the sitting of the Court of Honor.

### Spreckelsville

Captain Dorothy Johnston took sixteen girl and boy scouts on a week end hike to Keanae. She reported a very exciting and strenuous time. An account of the trip is promised for next week.

### Haiku

We haven't heard very much of the Daisy Troop. But at last we can report three tenderfoots. Several others will soon be "pau."

Last Tuesday the director took four of the Pina scouts with her to the presentation ceremony at Pauwela school. Two of the Seminary scouts attended the meeting and gave a little talk to the young troop. Scout Dorothy and Elizabeth have agreed to help these girls during the summer.

After several innings of "Long ball" and soda water for refreshments we said aloha to our sister scouts and started for the valley.

### Keahua

All of these scouts are going to camp. Such a time as they have had raising the necessary funds. Cake, ice cream, banana and watermelon sales have all helped to swell the fund.

### Miscellaneous

Makawao girl scouts are giving an entertainment Saturday evening, June 15th, at 7 o'clock to raise money for camp. We guarantee a good performance.

Tuesday, June 20th, at the Hippodrome in Waialuku, the Lehua Troop of Waialuku and the Star of Bethlehem of Lahaina are giving an opera and entertainment. A picture will also be shown. Advanced sale of reserved seats has begun. These tickets may be exchanged at the Maui Drug Co.

Star of Bethlehem won the cup at the swimming meet last Monday evening at Punene tank. This is the second time they have won and thus the trophy is theirs "for keeps."

### Waialuku Scouts Day

Tuesday, June 20th, will be Girl Scout day in Waialuku. To celebrate, the Lahaina girls of the Star of Bethlehem troop are giving an opera, "Mellotte" at the Waialuku Hippodrome. The Lehua troop of Waialuku will give a very amusing one-act play. In addition to these two splendid offerings, Mr. Harris has promised a good picture.

"Let us give the Girl Scouts a hearty welcome for we are proud of the Star of Bethlehem, Maui's best troop. And Waialuku's own, the Lehua troop. "Everybody out! Get your tickets now! Tuesday, June 20, 1922, Waialuku Hippodrome.

### NEWS OF VARIOUS TROOPS

Maunaolu Seminary  
Maunaolu Seminary,  
Paia, June 9

"Dear Miss Seibert: "The two scout troops of Maunaolu with captains Collins and Vincent hiked to the Maliko Gulch, Wednesday afternoon. After school girls from both troops rushed to the kitchen to pack the lunch. We left the Seminary about three thirty. Our first stop was at the guava patch but we need not tell what we did there. When we came near the gulch we all watched the cars cross the winding path then into a tunnel and out again on the other side. It was something exciting to us.

"The girls hiked on down to the bottom of the gulch and then scattered a number of we girls hiked farther than the rest for ferns and when we came back found the rest sitting among the rocks near the big bonfire which Scout Esther had started with one match. We roasted sausages over the fire. As it was getting dark we hurried up the path so as not to lose our way and soon saw the moon peeping over the cliff at us. When we reached the top it would have been dark but the glorious moon continued to shine brightly down upon the wanderers. We all sat on the edge of the gulch with the moon and stars above us and sang some songs. It was about half past seven o'clock when we left. On our way home we gave yells and made up songs.

"School closes Friday so we will have no more meetings until in September, but hope to see many of you

in camp this summer, and wish all a happy vacation.

"SCOUT DOROTHY KALOA,  
Pakalana Troop."

### Waialuku

Waialuku, Maui, June 6

"Dear Miss Seibert: "We the troop of Lehua were very sorry that you could not attend to our meeting. At the beginning of the meeting the girls played ball and after playing they were called in to attend the meeting.

"Tome Nishimura was our chairman for this meeting and it was held successfully. At the beginning we had our opening exercise and the secretary read the minutes and also the treasurer's report. We discussed about camping that is what we shall bring and what we should not and also decided about the entertainment which the Star of Bethlehem were going to give. Almost at the closing we thought of giving a farewell party and we all thought it was a fine idea. We had our closing exercise and went to our captain's home to dance and went home about 5 o'clock.

"Yours truly,  
"HARUYO YOJI."

### Lahaina (Star of Bethlehem)

They guarded so well that the teachers were unable to score more than 16 points. The teachers played a wonderful game too. They need more practice if they expect to win from the "Stars."

"I presume you are all glad to hear our news for I have some splendid news to tell.

"On June 2th we gave a play "Mellotte" at the Puukoli theater. We first sang our troop song (to the tune of Wabash Blues) and other popular songs and two of our scout songs. We surely made a big hit that night. The American Beauty Troop sang their troop song and a fairy dance was done by one of their girls. The proceeds were \$64 and a few cents. Half of the proceeds went to the American Beauty troop and half to our troop.

"We again gave our play at Lahaina on June 6th. Besides "Mellotte" we had the play "The Sheik" and a folk dance (Reap the Flax) and sang songs. We surely made another hit at Lahaina especially "The Sheik". The proceeds were \$68 and a few cents, \$8 went to expenses. The eighth grade boys were very kind for they helped us to load and unload the ferns. We are going to give our play at Waialuku, June the 20th. We hope to make a big hit.
