A Group of DESIRABLE FROCKS

at \$8.00

JERSEY

Only a few models left. Well made, extremely practical—and smart. Two styles: Bramley and collarless. Contrasting trimming.

FIGURED GEORGETTE

Foundations of real silk. Picot-edged throughout. Taffeta girdles. Bright figures on subdued backgrounds of mauve, navy or brown. For afternoon or informal evening wear.

DOTTED SWISS

You won't believe that these frocks can be sold for so little. Charming, dainty, colorful—and trimmed with real filet, Irish or Val! Brown and navy blue, too.

TWILL AND TAFFETA

Poirot twill is one of the season's favored fabrics. A slipon style with novel belt and patch pocket. Plaid taffeta blouse; Bramley collar. Good-looking and serviceable.

NEW SPORTS SKIRTS

\$5.50

These have not yet been shown at any of our Honolulu sales. Home spun or tweed. Alternating wide and narrow pleats; self colored buttons. Rose, tan, French blue, and sand.

WOMEN'S SPORTS COATS

OF JERSEY

\$4.95 and \$8.00

These coats are incomparable to any other sports coat because they are smart-looking, they wear well and they are inexpensive. Mrs. Drake is bringing a few of each price. The styles are very similar, but they differ a bit in weight and quality. Either is a good investment! Choice of green, tan, navy, brown, yellow and blue.

Our first Monday Special Sale in Maui, the latter part of August, was such a success and of such mutual benefit both to you and to us, that we are going to repeat it.

This will be welcome news to you, we hope, especially to those who have been urging us to put on another sale for some time.

We call it a "Monday Special Sale"—even though it will last more than one day—because it is a direct outgrowth of our famous Monday Special Sales in Honolulu, and modeled along the same lines.

In other words, we are giving you Maui-folk the same opportunity to secure the splendid values that we offer our Honolulu patrons every Monday in the year.

However, since we are making the effort to bring the sale to you, which means time and money, we find it advisable to continue it more than one day. Those who cannot come Monday will thus be able to attend it later.

But remember "the early bird—!"

Mrs. Marion Drake, the head of our Mail Order Department and Personal Shopping Bureau, will again take charge.
