ENCAMPMENT OF GUARD PROBABLE UPON RED HILL

Orders Posted at Headquarters Give Instructions for Officers and Men

Orders posted at Headquarters, making it probable that the encampment of the National Guard of Hawaii is being ordered for the instruction of members of various volunteer units, have been received in Honolulu and are said to be as at first thought. The orders stated that in order to secure an organization of the National Guard of Hawaii, all officers and men are required to report at Headquarters, including the officers of the Hawaiian Volunteer Cavalry, which is to be organized in the form of an organized unit, and all thereafter to remain within the city for the duration of the service, unless otherwise ordered. The orders further stated that no pay or allowances are to be paid to any officer or man until such time as he shall be furnished with the proper orders and instructions.

LEWIS GUN MAY GET NEW TEST BY GOVERNMENT

Controversy Over Weapon Said to Have Been Rejected by War Department

The Lewis machine gun, which was rejected by the United States War Department, is said to have been sent to the United States government for tests, as a result of which it may be adopted for use by the United States Army. The Lewis gun, it is stated, was rejected as a gift to the War Department by Col. Isaac Newton Lewis, of Cincinnati, Ohio, but was later adopted for use by the British army, and the United States government has been urged to consider it for adoption by the United States Army.

LOCAL ENGINEERS APPLY FOR ADMISSION TO ARMY RESERVE

Quinn and Duval of Hawaiian Army District Would Take Examinations

Two members of the engineering course of the Hawaiian Army district, Capt. W. H. Quinn and Capt. J. W. Duval, are said to have applied for admission to the Army Reserve, in order to take part in the instruction given by the Army Reserve engineers, who are said to have been recommended for the purpose by Lieut. Col. W. H. Quinn and Capt. J. W. Duval.

STEEL RAILWAY BRIDGE BUILT FAST BY GERMANS

German army engineers have designed a new type of railway bridge that can be built in a few days. The bridge is said to be the fastest ever built, and is designed to be used in the construction of a new railway line.

OFFERS SILVER CUP TO WINNER ON RIFLE RANGE

Maj. M. M. Johnson Announces Prize for Men in First Battalion

To attract calibers of target marksmanship, Maj. M. M. Johnson has announced a prize of $100 in silver for the first battalion rifle range, to be held at the State Arsenal, Honolulu, on October 7, 1911.

GREAT STORAGE BATTERIES FOR NEW SUBMARINES

Armed Guard Escorts Valuable Shipments to Mare Island Navy Yard

The United States Navy has ordered armed guard escorts to accompany shipments of valuable naval stores to Mare Island Navy Yard, California, in order to protect them from possible damage or loss. The shipments include ammunition, ordnance, and other similar articles, and are said to be of great value to the United States Navy.

WATER NEEDED MOST FOR AIR-COOLED GUNS

The United States Navy has ordered the construction of additional water-cooling systems for its air-cooled guns, in order to increase their efficiency and prolong their life. The guns are said to be used for naval and coast defense, and are said to be of great value to the United States Navy.
