'HE DON'T LOOK GOOD' OFFERING OF INGERSOLLS

"He Don't Look Good" is the offering of the Ingersoll Comedy Company at the Bijou theater for the rest of this week and as presented for the first time last night, is a fairly good vehicle but hardly up to the standard of some of the past attractions.

The feature of the comedy lies almost entirely in its musical numbers, of which there are several, including a number of specialties, and are well worth hearing. Tim Moore, colored comedian, brought the house down with two or three songs and some lively patter. As usual Jeanne Mai scored a distinct hit with a contralto solo and the new quartet was exceptionally good.

Eddie Young in kilts sings "A Wee Bit o' Scotch" and does a Highland fling with variations, and Jean Maury and Ruth Maker are good in a duet, "Whose Baby Are You?" Considerable local color is portrayed by Besie Hill and chorus in a medley of Hawaiian songs.

It was "Punahou Night" at the Bijou last night, about 150 students of Oahu college being present. Before the show started and between the acts they threw streamers, sang and gave their school yells.

WILLIAM FARNUM IN FINE SKETCH

William Farnum, hero of photodramas innumerable, prime favorite with the devotees of the "canned" art from coast to coast and from border to border, is usually one of the best drawing cards who come to Honolulu, and the Hawaii theater management looks with favor upon the appearance of this William Fox star. But seldom has Farnum appeared locally in anything that is superior to "A Man of Sorrow," the present Hawaii feature offering.

Melodrama is the popular diversion at the Hawaii. William Fox is easily the leader in melodramatic productions and William Farnum is well to the lead as a star of melodrama. Consequently "The Man of Sorrow" should satisfy almost everyone who has the Hawaii "habit."

The serial, "The Girl on the Game," which deals with railroads and railroading to a large extent, is one of the most fascinating yet shown.

ANN PENNINGTON IS CAPTIVATING

Petite and pretty, Ann Pennington has already captivated the followers of the motion pictures of Honolulu, as well as the entire country as a result of her sterling work in "Susie Snowflake," the current feature at the Liberty theater. Miss Pennington comes to the silent-drama from the musical comedy stage and a peculiarity of her initial offering is that it deals with musical comedy life, Susie being a picture prototype of Miss Pennington herself.

Susie Snowflake, after a successful stage career, returns to her small town home and with her brings her Broadway ideas. Naturally, the pliant little dancer meets with disfavor in the eyes of the stricter members of the community society, but she proves that she has lots of real character and unwavering loyalty when put to the crucial test. It is a clever and clean bill with a clever and able star.

NELL LOCKWOOD RECITAL DEC. 6

Music lovers should be keenly interested in the coming concert on December 6, given by Miss Nell Lockwood, contralto. Miss Lockwood is well known in California and also on the eastern coast, where she has appeared in many concerts and oratorios. Her entire program, which will be published at a later date, will consist of Indian songs and ballads, and Miss Lockwood will be dressed in Indian costume. This unique feature should attract many.

Quoting from the New York Musical Courier:

"Miss Lockwood has the divine spark that makes the true artist, the real dramatic fire and sense of values, without which, no matter how lovely the voice, success is impossible. But when these are combined with a rarely beautiful voice of much color and the warmth of a true contralto, the combination spells success. In the costuming and of her program she is authentic and artistic to a degree."

Tickets are now obtainable at Cunha Music Company or from any member of the Moai Music Club, under whose auspices the concert will be given.

An erroneous announcement carried the information that prizes would be given at the mask dance in the armory Saturday night, which is incorrect, as no prizes are offered on this occasion.

AILEEN FLAVIN'S DANCES MAKE HIT OUT AT HEINIE'S

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

MISS AILEEN FLAVIN

Hundreds of others gathered at Heinie's Tavern last evening to witness the debut of Miss Aileen Flavin in her esthetic dances. Miss Flavin has made a study of the dance, and in her first appearance last evening was accorded a great reception by the many diners who had come to see her in the new role.

With Fritz Scavenius at the piano, Miss Flavin interpreted a number of the dances of the Occident and Orient. Her Turkish dance, which was composed by Hamid Dullia, and was made famous by Genee, was perhaps the feature of the evening. Another, an interpretation of the Punjab spirit, which came to America from India

Woman Needs All Her Strength

Keeping house is hard enough when well. The woman who has a bad back, blue, nervous spells, dizzy headaches and kidney or bladder troubles, has a hard lot, for the family cares and tasks never let up.

Probably it's all the result of kidney trouble and not the much feared "woman's weakness." Strengthen the kidneys with Doan's Backache Kidney Pills, used and recommended by women the world over. They are just as harmless as they are effective and may be used for children with weak kidneys, too.

"When Your Back is Lame—Remember the Name." **DOAN'S BACKACHE KIDNEY PILLS.** Sold by all druggists at 50c a box (six boxes \$2.50), or mailed on receipt of price by the Hoffman Drug Co., or Benson, Smith & Co., agents for the Hawaiian Islands.

"Pape's Diapepsin" Makes Sick, Sour, Gassy Stomachs Feel Fine

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour gassy stomach? Now, Mr. or Mrs. Dyspeptic, let this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belchings, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—adv.

last season, was cleverly done, and shows much study. This dance brings out many of the phases which have been incorporated in other dances, together with new interpretations.

In addition to her feature dances Miss Flavin also entertained with three carefully selected songs. Her manner of expression made a decided hit with the diners, and she without a doubt scored the biggest hit that has been accorded a local artist at Heinie's in a number of years. Manager Havery announced last evening that Miss Flavin will be retained for some time.

George Zuger is recovering from bruises sustained when he was thrown from a second-story veranda of the Fern block on River street Wednesday night as the result of a drunken row. He was treated at the emergency hospital. Sydney Welsh is charged with the offense and will be heard tomorrow in police court.
