

# Beautiful Highland Park Lots, Above the Middle Locks

Since the last report a number of lots have been sold in the beautiful Highland park subdivision. Some of those who bought in block 1 wish to make a beautiful park on the front of that block, therefore, to accommodate them the present road up the hill will be discontinued after a new road is made up Bluff street. Everything possible is being done to make this beautiful river view place the most attractive suburb in the country. You should visit it at once and then you would see what great bargains are offered. Just think of having the opportunity of buying full sized lots facing on beautiful, broad Maple avenue and all with a grand river view for only from \$125.00 to \$325.00. Some of the very choicest lots are only \$250.00 and \$275.00 each. They are certainly a splendid investment and most desirable for a home and we will sell them on easy terms. Will be pleased to take you to see them. Call on J. A. ROBERTS, 420 Main. Phone 676 Red.

## MRS. MOORE DIED EARLY TODAY

Wife of Robert H. Moore at the Family Home, 2106 Des Moines Street of Tuberculosis.

## AT AGE OF THIRTY-NINE

Born at Hannibal, Mo., Where Parents Reside and Came to Keokuk Four Years Ago.

Mrs. Bertha Moore, wife of Robert H. Moore, of 2106 Des Moines street, died at 1:20 o'clock this morning of tuberculosis, after an illness of about three months.

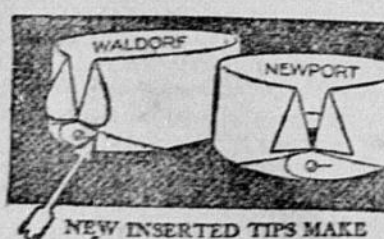

Mrs. Moore was born at Hannibal, Mo., thirty-nine years ago, and came to Keokuk four years ago where she has since resided. During her comparatively short residence in the city she had endeared herself to many of the people here and was highly esteemed by her neighbors. Her husband is an employee of the Stone & Webster company and feels keenly the loss of a devoted wife. She leaves two children, a daughter and a son, Helen aged thirteen, and Harold aged ten years, to feel the irreparable loss of a kind and affectionate mother.

Besides these she is survived by her parents, Mr. and Mrs. James L. Swashey of Hannibal, Mo., three sisters Mrs. W. P. Foster, Mrs. Sam Moore, both of Hannibal, and Miss Annie Swashey of Kansas City, and one brother Leo Swashey of Keokuk. Mrs. Moore, while not a member, attended the services of the Methodist Episcopal church.

Announcement of the funeral will be made later.

## AMUSEMENTS.

"The Littlest Rebel." Mr. Marshall Farnum will be presented in Edward Peple's latest play, "The Littlest Rebel," at the Grand opera house Thursday evening, Dec. 5, under the direction of A. H. Woods. "The Littlest Rebel" is a stir-

ring, pathetic and humorous war-play the action of which takes place near Richmond towards the close of the civil war. It is not a play-exploiting the love of the soldier of the north and the maid of the south. The love-interest centers in the paternal love of two men, one actuated naturally and the other by sympathy. There is no accounting for sexes at all; the author has shown that it is not this love that alone can inspire to deeds of heroism and elasticity of duty, but that an equally if not stronger motive exists when the chord of human paternity is touched. The grim background of war might be stripped away, and the story of the little girl who suffered with her father through many trying ordeals and finally saved his life through her plea to one of the greatest men in American history, would hold its human interest; but all the elements of the play adds to its appeal and serves to please all tastes from the romantic sentimentalist to the lover of the thrilling and spectacular. Mr. Farnum has a play which offers ample opportunity to display his pleasing and interesting personality and histrionic abilities.

The story is simple. It is about a southern scout who risked his life to see his little hungry and motherless girl, and in doing so was captured by Lieut. Col. Morrison of the northern army, and later, through the pleadings of his child is allowed to escape, only to be captured later during a battle while fighting for and saving the life of Col. Morrison. The two men are brought to headquarters and taken before a court-martial that sentence them to death, one as a spy and the other as a traitor. They are saved through the little girl who seeks General Grant and tells him the story. An interesting feature is a realistic war scene which requires fifty men. The title role is played by little Viola Savoy who is said to be one of the prettiest and cleverest child-actresses on the American stage.—Adv.

## At the Hippodrome.

This afternoon the Hippodrome management offers one of the best bills that has ever appeared at the local house. The program is headed by Ed Vinton and the dog with the human mind. This act has been a big hit at all the metropolitan houses and will not fail to please patrons of the popular Keokuk vaudeville house. The remarkable canine has been examined by brain specialists all over the country and all express the belief that he has a wonderful intelligence. Fisher and Green are presenting a comedy sketch entitled, "In the Subway," that is one of the cleverest skits now on the vaudeville stage. Both members of the cast are comedians of exceptional merit and are well known to the patrons of the big town houses. The feature act on the bill is W. S. Harvey and Company in the original offering, "The House Upside Down." This is a really big act and has been warmly commended by critics in all parts of the country. Motion pictures complete the bill.—Adv.

## At the Colonial.

Are you going to see "Double Life" or "Convicted by Hypnotism," a psychological tragedy of mind over mind. A drama of intense interest from start to finish. In three parts

and thirty scenes. Magnificent settings and photographic perfection. A picture worth going miles to see. It will be shown at the Colonial theatre tonight only. Don't miss it. Three shows, 7, 8 and 9.—Adv.

## \$823,415,455.14 FOR COMING YEAR (Continued from page 1.)

Included in the money asked is \$25,000 for the president's traveling expenses and money for the executive automobiles, garage and other miscellaneous items. Pension estimates were increased \$21,500,000 because of the increases given under the so-called "Sherwood-dollar-a-day" act of last winter. Pension Commissioner Davidson says claims filed under this act number 430,000 or about \$72 each increase, 80 per cent of all pensioners being entitled to more money. Millions for postoffices and other public buildings are asked, to continue present improvements.

An increase from \$200,000 to \$300,000 for enforcing the anti-trust laws is asked by the department of justice. For suppression of the "white slave" traffic \$200,000 is asked.

Arms, ammunition and subsistence of the army and navy add millions more to Uncle Sam's expense account.

For continuing the commerce court, \$54,500 is asked, but will probably be refused by the democratic administration. "Freak" bounties and benevolence of Uncle Sam are exposed in the estimates. These include \$3,000 for care and propagation of Alaska reindeer; \$3,640 for the free, palatial bathrooms of the senate; \$14,000 for the leper colony on Guam Island; \$100,000 for a dairy for the naval cadets at Annapolis; \$100 for repairs to George Washington's birthplace at Wakefield, Va.; \$200 for repairs to the house in which Abraham Lincoln died in Washington and \$85,000 for artificial limbs for war veterans. The latter item is \$200,000 under this year's account, because of the decrease in pensioners.

Another request is for \$50,000 to pay interest on enlisted men's banking deposits with army and navy paymasters.

An increase of the "secret fund" of the diplomatic service from \$50,000 to \$30,000 is requested.

For the army aviation corps \$100,000 is asked, as compared with \$10,000 last year. Navy hydroplane service work will cost only \$10,000 next year, it is estimated.

The department of agriculture estimates include \$300,000 for suppressing the southern cattle "tick"; \$3,800 for experiments in making desert cactus available for stock food; \$400,000 to fight cotton boll weevil; \$200,000 to fight forest fires; \$743,000 for enforcing the pure food law; \$371,000 for eradicating fruit and vegetable pests, parasites and insects; and \$1,857,000 for the public health service including \$499,800 to fight disease epidemics.

An increase of \$1,400,000 to a total of \$6,614,000 for postoffice building additions and improvements, is requested. The principal expenditures requested are: Boston, \$410,000; Minneapolis, \$200,000; Muskogee, \$155,000; Newark, Ohio, \$100,000; New Orleans, \$157,000; and Washington, \$970,000.

A new appropriation asked is \$200,

000 for the meat inspection service. No money was appropriated for that work this year.

Few salary increases, or general increases in other expenditures, are suggested by the government officials. Submission of the estimates today was a trial adoption of President Taft's idea for an annual "budget" similar to the British national budget.

## FOUR MEN ARE GUESTS OF CITY AND COUNTY

One Draws Thirty Days for Petty Larceny and Three Drunks Will Get Time.

Four men appeared before Judge McNamara this morning and pleaded to informations against them. The judge's short vacation in St. Louis evidently did not have the desired effect of improving his disposition, for all the offenders were sent back to jail.

Ed Dorf, who is said to have stolen a ring from a man rooming across the hall from him in a Main street rooming house, was given thirty days in the county jail, as was Frank Johnson charged with the heinous crime of intoxication. John Johnson was given ten days on the same charge and Ed Ryan drew thirty for taking on too much for water. Both the latter will stop at the city bastille.

It should be said that nothing herein shall be considered as preventing the government or any party in interest, if so desiring, from presenting to the court a plan for accomplishing this result, or as preventing the court from adopting and giving effect to any such plan so presented.

"Any plan or plans shall be presented to the court within three months from the receipt of the mandate of this court, failing which, or upon the rejection by the court of plans submitted, within such time, the court shall proceed by receivership and sale, if necessary, to dispose of such stock in such wise as to dissolve such unlawful combination."

The court held that the attempts of the Harriman company to acquire the Northern Pacific stock, the Santa Fe interests and the "Salt Lake route" interests were not illegal and sustained the lower court in this part of the case.

## SENATE MET FOR HALF HOUR (Continued from page 1.)

New members—Lewis T. Morgan of Louisiana, succeeding the late Representative Wickliffe; A. N. Hart of New Jersey, succeeding Senator-elect Hughes; George C. Scott of Iowa, succeeding the late Representative Hubbard; and E. A. Merritt of New York, succeeding the late Representative Malby.

Next was the formal announcement of the congressional dead—Vice President Sherman. Senators Heyburn and Rayner, Representatives Malby,

Hubbard, Tucker of Rhode Island, Connell of New York, and C. P. Anderson of Ohio. Resolutions of regret were adopted in each case.

Former Speaker Cannon made the announcement of Sherman's death in a brief eulogy.

A messenger from the senate announced the adjournment of that body and cannon's motion to adjourn out of respect to the memory of Vice President Sherman was carried.

Speaker Clark appointed Representatives Underwood, Mann and Johnson of Kentucky, to notify the president that the house was ready for business. The house was in session one hour and ten minutes, adjourning at 1:10 p. m.

## Inside Information.

New York Tribune: "Silk stockings must be very cheap in America. No where in the world do women's slim and supple ankles gleam in lustrous silk as they do here."

The speaker was Robert Lorraine, the English actor. He continued: "A married man told me the other day that, going into one of your department stores, he said to the floor walker:

"I'm looking for something pretty in silk stockings."

"The floor walker smiled, and with a gesture embraced the long rows of counters, with their charming saleswomen.

"That remark," he said, "describes, I believe, practically every one of our young ladies."

## THE MARKETS

The Grain Market.

(United Press Leased Wire Service.)

CHICAGO, Dec. 2.—Heavy deliveries on December contracts, weak cables and improved crop conditions in Argentina, were dominating influences in the wheat pit today. Transactions from the opening were at prices under last week's. There was fairly even competition between buyers and sellers, and the market held steady at the decline.

Corn traders were not so active, but enough demand was manifested to keep prices for futures about even with Saturday's closing figures.

There was a firm undertone in oats and slight advances were made over the final prices for last week. Provisions displayed a weakness and transactions were made at a slight reduction.
