

Y. M. C. A. WORK IS IN EARNEST

The Coming of M. O. Hill Being Pushed in Order to Have a Large Attendance.

ONE BIG STUNT AHEAD

Other Events in Anticipation Showing Much Activities for the Winter Season—Bible Class Tonight.

If there is not a large attendance at the Young Men's Christian Association at the men's meeting at 2:30 o'clock next Sunday afternoon, it will be the fault of the citizens of Keokuk and not of those in charge of the affair as the management is making every effort to give it the utmost publicity, even to circulating a personal circular letter to the people individually, as a reminder of the event which is given below:

"December 12. Dear Friend: Mr. H. O. Hill of Sao Paulo, Brazil, will speak upon the work of the association in that neighboring country on Sunday, Dec. 15, at 2:30 p. m. in the auditorium of the Y. M. C. A. building."

"Sao Paulo is a city of 250,000 population. It is one of the leading educational centers. South America is a most interesting country as regards her people, industries and trade. Mr. Hill's talk will be illustrated by fifty lantern slides. Plan to hear him Sunday afternoon. This will be a meeting for men and boys fifteen years of age and over."

"Mr. Hill's visit to Keokuk is for the purpose of making us acquainted with South America and giving us intimate knowledge of the christian work now being done. No solicitation of funds will be made."

"This association is particularly interested in the Rio de Janeiro association and the growth of its work. Our own representative, Mr. Manuel, is in charge. With kindest, I am, in behalf of the committee, cordially yours,

"C. D. STREETER, Chairman."

Professor Utt will conduct the music at this meeting.

Big Stunt.

A novel event will be given at the Young Men's Christian Association next Saturday night, December 21, in anticipation of the coming Christmas holiday. It is called a Roman Christmas and the arrangements will be unique. It will be conducted by the older boys under the active and enthusiastic management of Ben D. Chapman, boy's secretary, who has entered into the preparation work with much spirit. Each member participating in the stunt will be expected to furnish a present not to cost over ten cents and these little gifts will be jumbled into a mass from which each boy present is to receive a gift. In connection with the event a program of some kind will be prepared and announced later. Much enjoyment is expected to be derived from this very pleasing coming event.

Planning a Meeting.

The delegation of Keokuk older boys are planning for a big meeting to be held in the very near future.

An Everyday Cake

Here is a simple and inexpensive cake that can be varied in many ways with different frostings and icings. It looks a little nicer baked in a tube pan, but will be equally as good baked in a square loaf.

K C Gold Cake

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

$\frac{1}{2}$ cup butter; $\frac{1}{2}$ cup sugar; yolks of 4 eggs, beaten light; 1 cup flour, less 2 level tablespoonfuls; 2 level teaspoonfuls K C Baking Powder; $\frac{1}{2}$ cup milk; grated rind of 1 orange.

Sift flour and baking powder together three times; cream butter and sugar, beat yolks of eggs, add these to creamed mixture, and lastly add the moisture and flour alternately, beating butter until smooth. Gold Cake can only be made successfully by beating yolks of eggs, very, very creamy and light lemon colored, using a rotary beater. The rotary beater is the only beater that will do justice to the yolks of eggs. The beating kills all egg taste and improves the texture of the cake.

Cocoanut Frosting

Beat the whites of 2 eggs dry, gradually beat in half a cup of sifted confectioner's sugar and continue the beating until the frosting is smooth, thick and glossy; then beat in grated cocoanut, fresh or prepared, and spread upon the cake. This frosting is made thick by beating rather than by sugar.

Save this recipe. You will want to use it frequently. Or better, send us the colored certificate packed in each 25-cent can of K C Baking Powder and we will mail you "The Cook's Book" containing this and 89 other baking recipes equally good—all by Mrs. Hill. "Iques Mfg. Co., Chicago."

At this meeting many interesting reports will be given by the delegates who went to Des Moines recently to attend the state convention of the older boys of what they saw and did there.

The quartette and orchestra of the older boys will be in good musical trim by that time and will furnish the music for the event.

Bible Class.

The Friday night Bible class of the Young Men's Christian Association, J. O. Boyd teacher, will be held this evening. The usual lunch will be served.

Basket Ball.

The Keokuk high school team will meet the high school team of Hannibal, Mo., in a game of basket ball tonight in the first game with an out-of-town team this season, and is likely to call forth a large crowd of enthusiasts.

Suffragette Club House.

[United Press Leased Wire Service.] OMAHA, Neb., Dec. 13.—A suffragette club house is in prospect for Omaha, according to plans announced today by Mrs. A. C. Anderson, secretary of the local Equal Suffrage League. Her announcement followed the refusal of officers of the Commercial club to allow the votes for women enthusiasts to hold meetings in Commercial club rooms.

"We'll build a club house and what's more, the business men of this city will pay for it," declared Mrs. Anderson.

First Degree Murder.

[United Press Leased Wire Service.] EPHESBURG, Pa., Dec. 13.—Alternately sobbing and smoking cigarettes, George Henderson, youthful slayer of Miss Fern Davis, the Johnstown choir singer, his fiancée, almost fainted when he finally heard the verdict of "first degree" murder from the jury early today.

Judge Stevens gave his attorneys time to file briefs for a new trial. Henderson's defense was insanity.

BUN the baker of Baraboo betters his batch of billowy batter every time he substitutes Rona Dutch cocoa for baking chocolate in making cakes, icings, sauces, etc.

You'll find Rona a great improvement over chocolate for all cooking purposes—for the harmful and excessive fat is removed and only the rich chocolate flavor and nourishment retained.

LOST PRESIDENT HIDING IN FRANCE

Castro of Venezuela Has Been Found and Ordered to Keep on Moving.

[United Press Leased Wire Service.] PARIS, Dec. 13.—Cipriano Castro, the "lost" ex-president of Venezuela, was found hiding today in the home of a friend in Compeigne, Oise, 45 miles from Paris.

When seen by a United Press correspondent, Castro apparently was considerably embarrassed.

"There is no purpose in my secret movements. I am not hiding. I am leaving France in a few days," he said.

He refused to talk further and disappeared into the door of his friend's house. Detectives who learned the whereabouts of the South American kept the place under surveillance and every movement of Castro was watched.

Ordered to Get Out.

BOULOGNE, Dec. 13.—It was learned here from a semi-official source that Cipriano Castro, who disappeared several days ago from Paris and was found at Compeigne, had been ordered to quit France forthwith.

WHITMAN BOOMED FOR MAYOR

As Direct Result of Becker Conviction, Attorney Finds Himself Strong Candidate.

[United Press Leased Wire Service.] NEW YORK, Dec. 13.—As the direct result of the events following the murder of Herman Rosenthal and the convictions of Police Lieutenant Becker and the four gunmen, District Attorney Charles S. Whitman is today a full-fledged candidate for mayor. His boom was launched last night at a dinner given in his honor by 1,000 New Yorkers of every political faith. And because of the fact that United States Senator William Borah, of Idaho, was one of the speakers, there was a general belief today that Whitman will be a fusion candidate against the Tammany candidate and that eventually he will receive the bull moose support.

Whitman in his speech to the diners appealed to them to keep the district attorney's office out of politics and praised the "awakened public conscience" which he said, made the many recent successful prosecutions possible.

AMUSEMENTS.

At the Hippodrome.

The Hippodrome made good its promise of an exceptional program for this week at the opening performance yesterday. The present bill is undoubtedly the highest class entertainment that has appeared in the city this season and the many rounds of applause was sufficient evidence that the bill had made good with Keokuk vaudeville goers. The bill is headed by the Bel Canto Trio, humorists and singers of exceptional merit. All the members have unusually good voices and the comedy injected into the act is of the highest class. They were greeted with a storm of applause after the first song and had their audience with them all the time. Sylvester and Vance are clever in their sketch, the male portion of the company pleasing everyone with his yodeling selections. The Krag Trio, European gymnasts, perform many thrilling and

WOMEN DODGE JURY SERVICE

Just Crazy to Vote But Object to Sitting in Court Room all Day.

[United Press Leased Wire Service.] INDEPENDENCE, Kas., Dec. 13.—With the announcement of Justice Clarke today that he intends to have a woman jury in every case in his court where the testimony is not likely to be of an embarrassing nature, and the known fact that the women who worked so hard for suffrage are now dodging jury service, a lively time is promised here for the deputies serving subpoenas.

Sheriff Rodman reported to the court that he had not been able to reach half of the women summoned to try the case of a man charged with shooting a hole in the window of a street car. In many cases he was informed by servants that their mistress was "out," said the sheriff when at the same time he could see the absence at an upstairs window laughing at him. Justice Clarke says he will see that the women reap the full benefits of equal suffrage, and do jury duty.

DAVIS HOME BURNS AT MIDDLE LOCK

Old Residence Destroyed by Fire While Family Is Visiting in Keokuk.

The home of O. M. Davis at the middle lock was completely destroyed by fire last night. The origin of the fire is unknown and the house and contents are a total loss.

Yesterday the family of Mr. Davis came to Keokuk, intending to spend the night here with friends. Late last night they received word that the house was burning but before they or any of the neighbors arrived at the scene, it was too late to save any of the furniture.

For many years, Mr. Davis has been a resident at the middle lock and the house was a well known place. The

family will take up their residence in Keokuk, now that their home there has been destroyed.

Roosevelt at Home.

[United Press Leased Wire Service.] NEW YORK, Dec. 13.—Accompanied only by his private secretary, Colonel Roosevelt returned from the bull moose conference today and went directly to the Outlook office where he plunged into a mass of correspondence and tackled some editorial work.

"I'm feeling fine as ever. That was a great meeting in Chicago," was the only statement the colonel would make.

[United Press Leased Wire Service.] CHICAGO, Dec. 13.—Word that a note telling goodbye to all the friends of the officers and crew of the Rouse Simmons, was received here today just as the revenue cutter Tuscarora was about to start on a search of the islands in northern Lake Michigan in the hope that the boats' human cargo might have reached land safely.

Unlucky Thirteens.

[United Press Leased Wire Service.] CHICAGO, Dec. 13.—Philip Markowitz, 19, confessed embezzler, the police say, who was arrested in Milwaukee today, attributes his downfall to a combination of unlucky thirteens and women and wine. He is charged with having taken \$600 from the Samuel W. Straus and Company bank, number 6, North Clark street Chicago, on November 13, 1911, thirteen months ago. He is said to have admitted that fast life in Chicago caused him to steal. He formerly lived in Pittsburgh.

Out of Her Head.

[United Press Leased Wire Service.] CHICAGO, Dec. 13.—After wandering aimlessly about the city for fifteen hours, Mrs. W. P. Pangh, wife of a wealthy retired banker, of Spokane, Wash., was found today by a nurse near the Columbus hospital. She was suffering from exposure.

Mrs. Pangh disappeared from her room in the Palmer house yesterday, and her husband was so exhausted from his anxious search for her that he was under the care of a physician today.
