I

MOMENT OF COUNCIL. DIONISIO Q. BARRERA.

The International Cyclopedia is the Best Standard of Reference for the School or the Home.

DO YOU WANT A CYCLOPEDIA? GET THE BEST

What a valuable and helpful book it is for the household, the school and the public library.

Approved by Educators. A very valuable work of reference, to which every household library should be added. It is also found to be of great value for the school. It covers all departments of knowledge, and is the most complete and comprehensive book of reference ever compiled.
