

ANSONS MAKE DEBUT; WHITES BEAT GRAYS

EIGHT HUNDRED FAITHFUL FANS WITNESS FIRST PRACTICE GAME SUNDAY.

RICHARDS HAS GREAT MATERIAL FOR TEAM

Infield Candidates Promise Hot Contest For Places—Pitching Staff and Backstopping Department Causing Manager No Worry—Outfield Only Department Now Giving Concern.

The new Ansons made their debut Sunday afternoon on their new field, before a crowd of 800 fans, and gave a highly creditable performance, considering the short time the squad has been in active practice.

It was not a great game of ball, nor had it been heralded as such, but compared with the opener of a year ago, the class of the men engaged was notably higher, and it is evident that Manager Richards has some fine material on which to build his team.

The five pitchers who worked were instructed to use only a fast straight ball, and there was no effort to "put anything on the pill."

Pitchers Impress Fans. The pitchers made a good impression with the crowd when it is remembered that Slattery, Harter and Maul are to be added to the staff.

RICHARDS WINS CONTEST. Captures Pennant From Maxwell High School Friday Evening. Carrying away two firsts, one in the oratorical and one in the humorous division, Rhodes high school Friday evening won the pennant put up by the opposing side, the Maxwell high school, in a declamatory contest held in the Presbyterian church at Rhodes.

Whites Excel in Stick Work. The Whites, captained by Manager Richards, excelled in stick work, and defeated the Grays by a score of 9 to 6.

No Question of Infield. The infield candidates are especially good and Manager Richards should have one of the greatest infields ever seen in this city.

Weak in the Outfield. In Hamersmith and Ryan, Richards has two backstops who can hold up their end of the game with anything in the league, so far as fielding is concerned.

The outfield will be the only department to give Richards any great concern, and unless the men signed for the garden positions show up soon the manager will be obliged to do some fast wire-work and annex a new recruit or two.

The only regular member of the outfield squad in the game Sunday was Chappell, and the big fellow took a slump in his batting which was disappointing to the fans.

The line-up Sunday was as follows: Whites—Anderson, 2b; Wright, ss; Richards, 1b; Dietrich, 3b; Flaherty, cf; Unger, lf; Hamersmith, c; Gruno, p. r; Beard, p. r; Lehman, p; Sumner, p; Richardson, p.

Grays—Cahill, ss; Chappell, 1b; Lipps, 3b; T. Ryan, 2b; Hoekridge, lf; Dadiaman, lf; M. Ryan, c; Richardson, rf; p; Beard, p; Lehman, p; Sumner, p; r.

The score: R. H. E. Whites.....02000320—9 17 1 Grays.....00000000—0 3 2 Slattery Joins Squad. "Phil" Slattery, the staff left hander of last year's pitching staff, reached

the city this morning from Rapid City, S. D., where he has been spending the winter. Slattery is in excellent condition and will probably be able to get into the game against Des Moines Tuesday.

It is expected that Harter will reach the city by this evening, and Maul will probably be here by tomorrow. Martini is also due in the city Tuesday. Should Boyd not report within the next day or two, Manager Richards will sign an experienced outfielder, with whom he is now negotiating.

Des Moines team next. The Des Moines Western League team will play two games with the Ansons today and Tuesday. The Des Moines club has been divided and the team which plays in this city is captained by Lee Tannehill, former White Sox shortstop, and one of the greatest players in that position the game has ever known.

HENRY GERMAN DEAD. Former State Center Farmer Passes Away in Minnesota. Henry German, a former well-known farmer living near State Center, died Saturday afternoon at his home in Mankato, Minn. The message received by relatives in State Center gave no cause for the death, although Mr. German has been in poor health for two years.

When you have dyspepsia your life is miserable. You have a bad taste in your mouth, a tenderness at the pit of your stomach, a feeling of puffiness, headache, heartburn, and sometimes nausea. Dyspepsia is difficult digestion—that is what the word means—and the only way to get rid of it is to give vigor and tone to the stomach and the whole digestive system.

Maxwell captured both first and second places in the dramatic division, Ellen Uhl securing first with "How the LeRue Stakes Were Lost," and "A Voice From a Far Country," by Kathryn Cole winning second. Those acting as judges were O. Wiesley, of Melbourne; C. W. Kirk, of Collins; and Carl Labbe, of Slater.

Orlan Whitmore, of Zeoring, was arrested Saturday by Constable Collins and arraigned in Justice Burritt's court charged with stealing a horse belonging to W. H. Robinson, of Collins. Whitmore said he was the holder of a lien on the horse, as he had furnished feed for the animal. Whitmore was released on \$200 bond, which he furnished.
