 The beauty of the savings and loan
 plan is that the borrower is guaran-
 teed ten years time on his loan and he
 runs no risk of having the full amount
 to pay when money is as tight and as
 hard to get as it has been for the past
 two years. At the end of the ten
 years the debt is paid by the install-
 ments and the interest has been
 averaged down to a 6 per cent basis.
 See me about it. George F. Thayer,
 secretary.
 Elmer Van Hook was pleasantly sur-
 prised at the country home of his par-
 ents, Mr. and Mrs. John Van Hook,
