TRAINED NURSE NOW TESTIFIES

SAYS SHE FEELS MADE OVER SINCE TAKING TANLAC—GAINS NINE POUNDS.

Mrs. F. O. Forrester, a trained nurse residing at the Grand Central Hotel, Denver, Colo., is but one of this high profession who have testified to the merits of Tanlac. Mrs. Forrester recently said:

"I had been in miserable health seven years, suffering from indigestion. Everything I ate would sour and even cold water would cause me much distress. The pains in my chest and about my heart were almost unbearable at times and I suffered terribly from neuralgia. I would have vomiting spells daily and for three months couldn't retain a thing on my stomach but oatmeal. Often at night I would wake up feeling like I was smothering to death and would have to get up out of bed and stand on my feet awhile to get my breath. "One of my friends who knew of my awful condition and who had been benefitted by Tanlac advised me to try it, I did so and my relief has been remarkable. Really I feel like I have been made over again. I have already gained nine pounds in weight and intend to keep on taking Tanlac as long as it does me as much good as it is now."

Tanlac is sold in Bonners Ferry by C. D. Simonds, druggist and at Lenia, Idaho, by the Boundary Mercantile Co.

COMING TO SPOKANE DOCTOR Mellenthin & Co.

DO NOT USE SURGERY Will be at SPOKANE HOTEL Wednesday, Thursday and Friday, of May 14, 15, 16. Office hours 10 a. m. to 4 p. m. THREE DAYS ONLY NO CHARGE FOR EXAMINATION

The doctor in charge, on account of having been in the United States army service, has not been able to visit the different cities for the past seven months, but from now on will again make his regular calls. He is a graduate in medicine and surgery, and is licensed by the state of Washington. He visits professionally the most important towns and cities and offers to all who call on this trip, consultation and examination free, except the expense of treatment when desired.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of the stomach, tonsils or adenoids.

He has to his credit many wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidneys, bladder, bedwetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

If you have been ailing for any length of time and do not get any better, do not fail to call, as improper measures, rather than disease, are often the cause of your long-standing trouble.

Remember above date, that examination on this trip will be free, and that his treatment is different. Address: 336 Boston Block, Minneapolis, Minn. 31 May 13 adv

Have you ever heard this?

"My baking powder," says the smooth solicitor, "costs less than Dr. Price's."

But he omits to say that it often leaves a bitter taste, that food made with it is likely to stale in a day and that it contains alum, which is condemned by many medical authorities for use in food.

England and France prohibit the sale of alum baking powders.

DR. PRICE'S CREAM BAKING POWDER

Made from Cream of Tartar derived from Grapes Contains No Alum—Leaves No Bitter Taste

Union Church Notice Services in Union church next Sunday as usual. Sunday school at 10 o'clock. Morning service at 11 o'clock. Subject, "God's Eternal Love." Evening service at 8 o'clock. Good music both morning and evening. Everyone is cordially invited to these services. There will be a very important business meeting at the close of the morning service. All who are interested in the church be sure and attend. G. H. Wilbur, Pastor.

Cause of Headache By knowing the cause a disease may often be avoided. This is particularly true of headache. The most common cause of headache is a disordered stomach or constipation, which may be corrected by taking a few doses of Chamberlain's Tablets. Try it. Many others have obtained permanent relief by taking these Tablets. They are easy to take and mild and gentle in effect.
