

PRESIDENT AND THE GOVERNOR OF IDAHO INDORSED

Both Are Asked by the Democrats of Three Southeastern Counties to Stand for Re-election.

(Capital News Special Service.)
 Rigby, Feb. 24.—Resolutions indorsing the administrations of President Wilson and Governor Alexander were unanimously adopted at the meeting of the Democrats of Jefferson, Fremont and Madison counties, held here on Washington's birthday. Both the president and the governor were called upon, in the resolutions, to permit the use of their names as candidates for re-nomination and re-election. The principle of primaries for the selection of delegates to the state convention which will elect delegates to the St. Louis convention and for the expression of preference for national committeemen was indorsed and favorable mention was made of the candidacy of Jerome J. Day for national committeeman from Idaho. Barnaby Lavery, state central committeeman from Madison county, moved the adoption of the Jefferson county resolutions as expressing the sentiment of Democrats in Madison and Fremont county as well. A motion also made by him indorsing President Wilson, Governor Alexander and Senator Day, the latter for national committeeman, was unanimously carried as representative of the views of the three counties.

The Jefferson county resolutions follow:
 Resolutions Adopted.
 "Whereas, we, the Democrats of Jefferson county, Idaho, find it convenient and a pleasure to meet around this banquet board to discuss the political affairs of our nation and state, because of the approaching national presidential and state campaigns, in which we desire to take part;

"Therefore, be it resolved, that we unqualifiedly indorse the administration of President Woodrow Wilson in the nation, and the distinguished service he has rendered our beloved country during the unparalleled trying times we have and are now passing through, because of the deplorable war-torn condition of the world. We appreciate to the utmost the noble statesmanship, tact and executive ability our president has shown in handling both our domestic and foreign affairs, and we commend the many important legislative enactments and reforms he has accomplished thus far during his administration. We pledge our united support to the preparedness program President Wilson desires to perpetuate the peace and security of this country with, and trust to a wise and overruling Providence, acting through our 1-b-minded and conscientious chief executive, to keep this nation out of war and the entangling alliances used to draw us into the terrible world conflict now facing. We trust he may be able to continue to insure our peace and prosperity during the remainder of his term of office, and pledge our untiring efforts to re-elect Woodrow Wilson president of these United States for another four years. The great needs of this country demand that he retain the reins of government for another term. In order that we may receive the continued benefit of his safe guidance of the ship of state during future troublesome times.

Want Governor to Run Again.
 "And, whereas, the state of Idaho has an honest and efficient man in the person of Governor Moses Alexander, who was elected upon a platform having for its predominant issue the reduction of state taxes without impairing the efficiency of our state government;

"Therefore it gives us great pleasure to indorse the administration of Honorable Moses Alexander, who has ren-

Resinol Soap

makes good complexions

Simply use Resinol Soap regularly once or twice a day, and see if it does not quickly soothe and cleanse the pores, lessen the tendency to pimples, and leave the complexion clear, fresh and velvety.

When the skin is in a very neglected condition, spread on just a little Resinol Ointment for ten or fifteen minutes before using Resinol Soap. Resinol Soap is sold by all druggists. For a trial size cake, write to Dept. 10-P, Resinol, Baltimore, Md.

Men with tender faces find that Resinol Shaving Stick prevents irritation.

Under the Capitol Dome

Governor Alexander delivers a short address last night during the exercises at the White Cross school house.

J. C. White of Coeur d'Alene was today appointed by Governor Alexander commissioner of Heyburn park to succeed H. J. Hull, who resigned to accept appointment of prosecuting attorney for Shoshone county, succeeding J. H. Waxom, resigned. Commissioner White's term of office is for two years.

Mr. Gannett of Gannett, Blaine county, is in the city today. He consulted with Governor Alexander and other members of the land board relative to securing 24 acres of land to be used for the townsite of Gannett. The Oregon Short Line has agreed to install a station and agent in the new town, it is said.

P. H. Smith of Twin Falls was a caller at the public utilities commission headquarters today and consulted with Commissioner Graham regarding business matters. Mr. Smith states that Twin Falls is prosperous and the new year is filled with promise for that section. The snow is gone and plowing is in progress. The hotels are having difficulty accommodating the traveling public. New business blocks are going up in the city and many residences.

Adjutant General Crow who went to Moscow to attend the military exercises of the cadets at the University of Idaho, stated the commissions were not presented at that time but will be later when the governor visits Moscow.

The headquarters of the state land department in the main capitol building is rapidly nearing completion so that the transfer of the departments can soon take place. Unlooked for delay was caused in preparing the new quarters.

The fish and game department announces the new 1916 licenses are going rapidly. The fact they are good from the date of purchase until March 31, 1917 has created a demand for them.

The farm markets department is busily engaged preparing for the spring employment season and expects to be able to place a number of those seeking employment as well as satisfy applications from employers.

State Senator Jerome J. Day and

INDOOR LIFE MAKES FAT

TRY OIL OF KOREIN TO KEEP WEIGHT DOWN, OR TO REDUCE SUPERFLUOUS FAT.

People who are confined within doors and who are deprived of fresh, invigorating air and exercise must take precaution to guard against overweight, as fat acquired by indoor life is unhealthy and a danger to the vital organs of the body. Lack of exercise in the fresh air is said to weaken the oxygen carrying power of the blood, so that it is unable to produce strong muscles and vitality and the formation of unsightly and unhealthy fat is the result.

If you are 15 or 20 pounds above normal weight you are daily drawing on your reserve strength and are constantly lowering your vitality by carrying this excess burden. Any persons who are satisfied in their own mind that they are too stout are advised to go to Charles L. Joy & Co., a good druggist, and get a box of oil of korein capsules, and take one after each meal and one just before retiring at night.

Even a few days' treatment has been reported to show a noticeable reduction in weight, improved digestion and a return of the old energy; footstaps become lighter and the skin less flabby in appearance, as superfluous fat disappears.

Oil of korein is inexpensive, cannot injure, and helps the digestion. Any person who wants to reduce 15 or 20 pounds is advised to give this treatment a trial.—Adv.

ALEXANDER

ONE PRICE CLOTHIER. NINTH & MAIN

Senator Ravenel Macheth, who arrived in the city today from the southern part of the state, paid their respects to Governor Alexander at the stately house today.

Today was the forty-eighth birthday of Justice Alfred Budge of the supreme court. Since childhood Justice Budge has lived in Idaho. He was born, however, in Utah. After serving as county attorney he was elected judge of the Fifth judicial district court and remained on the bench there until his appointment by Governor Haines in November, 1914, to the supreme court. He is a graduate of Ann Arbor and has been admitted to the Michigan and Idaho bars.

DEATHS.
 Mrs. Mary Sargent Engleson, wife of George G. Engleson, died at their home, 1907 State street at 12:30 o'clock this morning. Death came very suddenly from heart trouble. Mrs. Engleson retired after enjoying a very pleasant home evening with her family and with her mind full of plans for the future. Her life ended as she had always lived it, in doing for and giving to others those manifold motherly attentions always remembered with kindness and pleasure. "Aunt Jennie," as she was known by her many friends and relatives, left a large legacy of these remembrances wherever she lived and those nearest at hand were the most favored and are the richer accordingly. She was born near Cadiz, O., 70 years ago the seventh of February. At an early age she joined the Presbyterian church and her religion was a thoughtful part of her daily life and revealed itself in her many kindly ways to all who came within her influence. "Aunt Jennie" was one of the pioneers of Jefferson Green county, Ia.

where a host of old time friends will mourn her death. She came to Boise in 1907 where she is survived by her husband and daughters, Miss Billie Engleson, principal of Lincoln school, Mrs. Nettie Bossert, wife of Fred Bossert and son, B. Clyde Engleson, deputy clerk of the district court and grandson, George Bossert. Funeral arrangements have not yet been made but will be announced later.

After Lagrippe—What?
 Coughs that "hang on" after lagrippe exhaust the strength and lower the vital resistance. F. G. Prevo, Bedford, Ind., writes: "An attack of lagrippe left me with a severe cough. I tried everything. I lost in weight and got so thin it looked as if I would never get well. I tried Foley's Honey and Tar and two bottles cured me. I am now well and back to my normal weight." Foley's Honey and Tar gets right at the trouble. It is a safe, reliable remedy. Whitehead's Drug Store, Adv.-T-TH-8
