

Victrola

The instrument of the world's greatest artists

It is natural that in the musical world there should be singers and instrumentalists whose transcendent art places them in the forefront of their profession.

These artists have attained their commanding positions by reason of their superb artistry, and it is no mere coincidence that they have chosen the Victrola as the instrument to carry their sublime art into the home with the utmost fidelity.

The Victrola is the greatest of all musical instruments not only because it brings you the exact renditions of the world's famous artists, but because it has through sheer merit and through world-wide recognition by millions of music-lovers earned this high honor the artists have conferred upon it.

Any Victor dealer will gladly show you the complete line of Victors and Victrolas—\$10 to \$400—and play the music you know and like best, which is the only way for you to personally judge its capabilities of satisfying your musical longings.

Victor Talking Machine Co., Camden, N. J.

Important warning. Victor Records can be safely and satisfactorily played only with Victor Needles or Tanya-tone Stylus on Victors or Victrolas. Victor Records cannot be safely played on machines with jeweled or other reproducing points.

New Victor Records demonstrated at all dealers on the 28th of each month.

SAMPSON MUSIC COMPANY

Exclusive Boise Dealers in Victrolas and Victor Records.
SAMPSON BUILDING. 913 MAIN STREET

but pure and unadulterated starvation. This is the report made to State Veterinarian Bodde by Dr. Decker, a deputy of the department sent to make an investigation. He visited the ranches of J. D. Murphy and George Gaches. It seems they had some stock shipped in from Washington and the animals were put on the cars in a half starved condition. When they arrived at the ranches they were in bad shape. Both are progressive stockmen and they welcomed an investigation. Dr. Decker could find no disease but is positive the animals were weak from starvation after the long trip.

Thomas M. Connor, of Bakersfield, Cal., wrote the adjutant general's department asking for a record of the date of his enlistment and discharge from an Idaho Falls militia company from 22 to 25 years ago. An investigation has been made but no record found of either his enlistment or discharge. Connor says in his letter that it is necessary to secure the data to enable him to take civil service examinations for rural mail carrier. He is one year over the age limit, but if he can show he served in the militia the authorities will waive the age clause, which he says they are permitted to do.

Ramsay M. Walker of Wallace, appointed by the governor as a member of the state board of education to succeed Herman J. Rossi, is vice president and cashier of the Wallace National bank and one of the most wide awake business men in the north.

The supreme court affirms the findings of the district court for Bonneville county in a decision handed down last night on the appeal in the case of Robert H. Smith and George H. Smith versus the Progressive Irrigation district. The plaintiffs sought to have their lands within the district excluded from assessment after \$350,000 in bonds was voted for the buying of canals and other property. They failed to make objection at the proper time, which precludes them from any right now to have their lands eliminated.

At a meeting of the state land board yesterday afternoon a set of rules that only makes minor changes was adopted as effective April 25. The rules govern its proceedings. The board granted a mineral lease to Fred L. Johnson of Boise.

The news letter of the University of Idaho says: The following horticultural bulletins are just off the press and ready for distribution: Bulletin No. 85—"The Use of Lime-Sulphur as a Summer Spray for Apple Scab." Bulletin No. 87—"Insect Pests of the Orchards and Gardens of Idaho and Their Control." Circular No. 1—Spray calendar. These reports may be secured by writing to the director of experiment station, Moscow, Idaho.

APPLICATIONS ARE BEFORE THE STATE BOARD OF PARDONS

The state board of pardons at its meeting today fixed definite sentence in two cases, denied the applications of seven others and deferred action on four more. Due to the board's new rule not to consider applications for six months after taking definite prior action, it is not likely the case of Fred Coleman, defaulting deputy state treasurer, third time applicant, will get very much consideration. It had not been reached up to a late hour today. Definite sentence was fixed at three years for W. H. Nell, sentenced from Bannock county for embezzlement, and Pedro Pacheco, from Madison county for a statutory offense. Six applications of Roy Maloney, George Brown, Charley Roberts, Logan W. Miller, William Cooper, John Murray and N. V. Redford were denied.

ASKS ARTIFICIAL LEGS FOR SERBIANS

Madame Slavko Grouitch, wife of the permanent under secretary of foreign affairs, of Serbia, herself a native of West Virginia, has just returned to America from war-ridden Serbia. She is particularly interested at this time in raising a fund to secure artificial limbs for thousands of cripples in Serbia. Madame Grouitch will visit the principal cities of the country in an effort to relieve the heroic sufferings of the Serbians.

IMPROVEMENT IN MAIL SERVICE TO BASIN COUNTRY

Protests Against the Present Irregular Delivery May Result in Adoption of a New Plan.

Again the citizens of the Boise basin country are protesting against the deplorable mail service into that section and are trying to secure relief. Not since 1914, when the mail contractor was forced to give up the route because of the heavy parcel post business, has there been regular daily service in the basin country towns. The route was changed so that mail for Idaho City, Placerville, Centerville, Grimes Pass, Garden Valley points and other sections in that country were served by a mail service to Horseshoe Bend via the Idaho Northern and thence taken over a long hard road by stage to Boise basin points. The mail from Boise into Idaho City was often from three to four days late in arriving. These conditions have existed since the route was changed and while various protests have been made, no remedy was found and now again the citizens are seeking to find some way of getting better mail service.

In the Boise basin country at present the mining activity has revived to such an extent that upwards of 200 men from Boise are working there. Many of these men have homes in Boise and desire to hear from their families regularly. Almost as many more men are working in the timber in that section. These are additional to the residents of the Boise basin towns and indications are that several hundred more men than the present force will be working in the basin this summer.

According to those who made an investigation of the mail service, they see but one plan by which better service to the basin can be secured and that is via the Intermountain railway, which runs from Boise to Centerville, a distance of 40 miles. At present service is semi-weekly, but the railroad owns a motor and passenger coach and with the possibility of increased travel, it is understood the company will consider a daily mail service to Centerville, from which point Idaho City, Placerville, Grimes Pass, Garden Valley and points in that territory could get daily mail service. The plan is to have the first and second class mail matter go in daily on the motor line and the parcel post sent to the basin country every Wednesday and Saturday when the regular trains are run.

Postmaster Davis approves such a plan, believing that it would give much better service to a large number of people and would give daily business letters to mining companies and lumber companies operating there besides serving a large number of farmers and it is hoped an early arrangement can be made to provide such a service.

City Briefs

A son was born Monday night to Mr. and Mrs. Ira F. Shaffner at their home on the bench.

'Healthgrams' On Skin-- Flashed to Thousands

One of Nature's signals is an unhealthy skin. It is a scientific fact that the skin indicates the condition of the blood and the blood is the building material for the body and all its vital parts. Unless the blood is nourished and kept rich and healthy, it will eventually react on the organs it feeds and reduce the individual to a pitiable condition. Little do people realize the physical ailments that drain away strength and vitality and that can be traced straight to the poor supply of blood. Pimples, Eczema, Salt Rheum, Rheumatism, Carbuncles, Boils, Catarrh with its obnoxious results and the tendency to easily catch cold, Malaria and scores of other equally serious ailments, are all manifestations of bad blood. For over 50 years S. S. S. has been a mighty remedy for these disorders. Thousands of men and women have been relieved or actually cured by S. S. S. Many of them had spent years and hundreds of dollars for other remedies in a fruitless endeavor to regain their health—a marvelous tribute to S. S. S. S. S. is a purely vegetable and when taken into the stomach is absorbed by the blood, supplying certain elements which stimulate the action of the blood corpuscles and help them drive out impurities and build up the system. With such a tried and true medicine awaiting you at the closest drug store, will you go on suffering and looking badly when so many others similarly afflicted have turned to S. S. S. and found the meaning of perfect health. Our Medical Department will gladly advise you about your case without cost to you if you wish to avail yourself of this service. Swift Specific Co., Atlanta, Georgia.

T. U. Ira Aldrich is to be the leader. The ladies of Grace church guild will meet Thursday afternoon with Mrs. John Krall, 328 East Bannock street. Miss Marie Irvin will tell of some of the things that interested her most on her recent visit to New York.

The Idaho Vinegar & Pickle company of Payette, file a complaint with the public utilities commission against the Oregon Short Line Railroad company charging it enforced collection an excessive freight rate on produce it shipped.

Virginia L. Childs has filed suit in district court against Charles Childs upon the grounds of failure to support. She asks the custody of their minor child, Jack, aged four years. The couple were married at Annapolis, Md., June 11, 1911.

There will be a caucus of the Republican electors of precinct No. 6 at the Seller building on South Eleventh street Thursday night at 7:30 o'clock to select three delegates and three alternates to the Republican convention to be held at Meridian April 11.

Letters from homeseekers in various sections of the country are being received at the office of the reclamation service. The letters are inquiries regarding the sales of land under the Boise project, advertised for sale on April 27 in Boise, and April 29 in Caldwell.

After spending several weeks in the east, James H. Hawley, former governor of this state, was back at his office today. While in Washington Mr. Hawley was honored by being elected president of the National Conference of Reclamation Interest. He was called to Washington and New York on legal business.

Judge Carl Davis late yesterday granted Emma McCabe a divorce from John McCabe on the grounds of desertion and non-support. The case was one in which a motion for a change of venue to Pocatello was sought Saturday. Upon the change being denied, the defendant refused to plead further and the case was heard and the plaintiff given the divorce sought.

FELIX DIAZ IS IN SOUTHERN MEXICO

Washington, April 5.—Reports to the department of justice indicate that there is no longer doubt that Felix Diaz has landed in Mexico. Officials have been informed that he is at the head of a considerable force in south Mexico and has received material aid through Guatemala. It is the first official information of the revolutionary leader's whereabouts.

NEGRO IS LYNCHED BY NORTH CAROLINA MOB

Kinston, N. C., April 5.—Joseph Black, a negro, was today taken from jail here and lynched. He was the father of 16-year-old William Black who was removed last week from jail to the state prison to prevent lynching. His son was charged with criminal assault and his father was charged with assisting his son in an attempt to escape.

SEE THE GAS RANGES AT WORK at The Home Products Exhibition, 915 Main

Under the Capitol Dome

Floyd Adams, a well known newspaper man of Rexburg, was a caller at the statehouse today.

Governor Alexander announces the appointment of C. W. Morrison of Rexburg as a notary public.

Dr. C. M. Cline of Idaho Falls has tendered his resignation as a member of the state board of medical examiners, to Governor Alexander.

Pure Food Commissioner J. K. White has gone to Pocatello on department business.

The governor has appointed Dan W. Church of Pocatello a notary public and his commission was issued by the secretary of state.

The village of Minidoka has made application to the public utilities commission for a certificate of public convenience and necessity to install a municipal water system.

Decorating the floor of the governor's office is a rag rug made by one of the inmates of the Blackfoot asylum and presented to the state's chief executive. It was received yesterday.

Major Woodson Jeffreys inspected the new rifle range of Company G of Caldwell Monday. This range is located closer to the city of Caldwell than the old one and all danger is eliminated in range work. Major Jeffreys says it is a very satisfactory one.

The reported disease among stock north of Shoshone is not disease at all.

ELKS' INSTALLATION OF OFFICERS

Installation of the new officers of Boise Lodge No. 319 will take place tonight at the Elks' Bldg., corner Ninth and Jefferson streets. All members of Boise Lodge and visiting brothers are invited.

H. W. PETTENGLILL, Exalted Ruler.
By E. W. Johnson, Secy.
