GARDENS WILL BE PROFITABLE THIS YEAR

The home garden is likely to prove a profitable investment of effort this year as it has for the past several seasons. In the opinion of the United States Department of Agriculture. The experience of the past few years has proved that persons who have sufficient land and spare time and who do their home gardening work intelligently and efficiently find it profitable. The relatively high prices of practically all foodstuffs tend to increase the saving effected, but the home garden should be planned with a view to meeting the family needs rather than of producing crops for sale on the market.

We have a quantity of old newspapers for sale at this office.

GOV. LYNCH URGES WEST TO LAST BIG LOAN DRIVE

To the Citizens of the Twelfth Federal Reserve District: The Fifth "Victory" Liberty Loan is in sight. Let us thank God that it is not just the Fifth Loan. Victory means the end of the war, the end of loans, the dawn of peace and prosperity. It means that the market price of government bonds will soon stabilize at par or better. It also means that commercial, agricultural, and industrial affairs will stabilize, and that the Hun-inspired clamor will cease.

JAMES K. LYNCH
 Governor, 12th Federal Reserve District

We were advised that the war would last through 1919, probably through 1920, so we were prepared for that; to have done less would have been suicide. We prepared to crush the Hun on his own ground, and he prudently quit. It cost us some money but it saved the lives of half a million of our men. Was money ever better spent?

Now we have bills to pay, promises to make good, our men to bring home. This will take from five to six billion dollars. Let us get ready and raise it. A big task, but the last, and therefore easy. All together, shoulder to shoulder, and the loan goes over!

The "Ninety-first" is the Pacific Coast Division; remember their achievement, and honor ourselves by living up to it.
 JAMES K. LYNCH,
 Governor, Federal Reserve Bank of San Francisco; Chairman, Liberty Loan General Executive Board, Twelfth Federal Reserve District.
