\$100 REWARD, \$100
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

"KEEP TIMES GOOD BY BUILDING NOW"
Times never will be kept good by sitting supinely, like "Mcawber," waiting for something to turn up. It is up to us to turn things over and find out what makes the "OLD MACHINE GO."
THIS IS FULLY REALIZED BY THE GOVERNMENT.
This is the reason the Secretary of Labor is urging the people to get behind this move. More than anyone else, Mr. Wilson is in a position to know the need of more and better American homes; and in a like measure he knows that this is the only sure method to bring about a normal, peaceful and prosperous condition to the American people.
TAKE HIS ADVICE—DO YOUR PART
