When you take a little chew of this real quality tobacco, and the good tobacco taste begins to come. You'll find it keeps coming, too. The rich tobacco taste lasts and lasts. You don't have to take a fresh chew so often. Any man who uses the Real Tobacco Chew will tell you that.

**CATARHIAL DEAFNESS CANNOT BE CURED**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous membrane. Hall's Catarrh Medicine acts thru the blood on the mucous surface of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Give this free. All Druggists 15c.

F. J. CHENEY & CO., Toledo, O.

**Chronic Constipation.**  
There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative, such as Chamberlain's Tablets affords a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation.

**Dollars and Cents.**  
Counting it only in dollars and cents, how much did that last cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did to make about ten days to get completely rid of a cold under the usual treatment. That time can be shortened by taking Chamberlain's Cough Remedy and proper care of yourself. In fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months.
