

Davis Stands For Efficient State Government

Of, For and By ALL the People of Idaho.
Not for One Special Class of the People.

He is not a political crook, therefore he knows he cannot reduce state taxes \$1,000,000 a year, and is too honest to steal votes by deceiving the people.

Davis is not making promises he cannot fulfill. He is not in favor of freak legislation, nor will he, as governor, be the governor of one special class against all other classes of citizens of Idaho. He will be the people's governor.

**NO HONEST CITIZEN
WILL DEMAND MORE**

Davis will give Idaho a plain, honest business administration. His acknowledged business ability will be felt in the various departments of the state, and his sound judgment and honest methods, his impartial attitude toward all classes, will establish confidence and be a guarantee that Idaho is a safe state in which to invest one's money.

Idaho is undeveloped. It would be a CALAMITY at this time to do a lot of experimenting with untried Socialistic doctrines that would drive every dollar of capital out of our state.

Honest, Sane State Government**

THE CREDITORS.

The following poem was written by R. Mill Oliver, a late lieutenant in the Australian Imperial forces, who was wounded at Passchendaele in October, 1917, and has just been discharged by reason of his wounds and is now in San Francisco en route to his home in Australia.

Each mother's son, who has given
his life,
In freedom's fight over there,
Each wooden cross, that points to
the sky,
Demands that you do your share.
Each Belgian babe, that has lost
it's home,
The fatherless, motherless too,
Cry for succour, but not in vain
For their cries are heard by you.

Each tender nurse, who mothers us
Back to health and strength again,
Can't work alone, she needs your
help
Though far from the field of pain.
Each dawn that rises, sees on the
tape,
Your sons, waiting the word to go,
And when the barrage thunders
down,
They have never faltered or gone
too slow.

So each over here can do a share,
Though not in an active way,
Just buy a bond, and help to drive
To his den, the world's beast of
prey,
Drive him to his den and across the
door,
The stone of Liberty roll,
And blot out the name that has
blood stained
Civilization's sacred scroll.

TO ALL CONCERNED!

Under date of October 8, 1918, the Clearwater County Council of Defense was advised by the National Council of Defense and War Industries Board, through the State Defense Council, of the necessity of immediately appointing a committee of five men to be known as the Non-war construction committee for Clearwater county, and accordingly at its meeting on October 12 the following were named to serve on this committee—
Chas. A. Fisher, Orofino, chairman.
Joseph B. Dickson, Gilbert.
Robert G. Hamilton, Weippe.
Joseph Myers, Tekann.
Andrew Bloom, Elk River.
The duties and purposes of this

committee are to receive and act upon all applications for building construction within the county, including sidewalks, but not street paving or highway construction, and to forward the applications with the appropriate recommendations to the state defense council at Boise, each member of the committee having been furnished with a limited number of the regulation form of application.

Notice is hereby given to all those desiring to do any kind of building, including sidewalks, but not street paving, or highway construction, that unless actual construction was commenced between September 3rd and September 20th, 1918, you must first make application for and receive building permit before commencing work.

It should not be assumed from the above, however, that there is any intention on the part of the national government to place an embargo on all construction, but simply to restrict it to what seems necessary in view of the necessity of conserving both material and labor for the use of the government in the present war crisis.

Truly yours,
CHAS. FISHER, Chairman,
Non-War Construction Committee.

NOTICE TO LYCEUM TICKET HOLDERS.

Owing to the order of the State Board of Health prohibiting indoor meetings, the first number of the Lyceum Course to be held at Orofino on October 10, was postponed to a later and at present undetermined date.

If, for any reason, we should not be allowed to present the three numbers of this course sometime during this season, we will refund the money to the ticket holders.

In the meantime anyone, owing to leaving the county, or for some unavoidable cause being unable to attend, can have their money returned by applying to Mrs. H. D. Britan or Mr. Ede at the Bank of Orofino.

Thanking the people of Orofino and vicinity for the courtesy and good will that they have shown in this matter, we are, sincerely yours,
Orofino Red Cross Lyceum Committee.

VILLAGE HEALTH ORDER.

Supplementing orders Nos. 42, 43 and 44 have been issued by the Idaho State Board of Health, in cooperation with the United States Health Service, in the control of Spanish Influenza. In substance they are as follows.

Thorough sterilization by washing and rinsing in warm water and then complete immersion in boiling water of all equipment, including dishes, knives, forks, spoons, glasses, etc., used in the serving to the public of foods and drinks, immediately after each individual use.

The use of public or common drinking cups and towels in any place whatsoever, and the use of broken or chipped drinking cups or glasses is positively prohibited.

Inspectors of this department and all local health officers will enforce this order, and are directed to promptly close any and all places failing to observe this order, or refusing to comply with these provisions, making report of their action to this office.

On the spirit in which this order is accepted and observed depends whether or not it will be modified or strengthened, in order to get the required results.

J. B. LOOMIS, Village Clerk.

CHRISTMAS PARCELS FOR OUR SOLDIERS ABROAD.

Families of men in the service abroad are eager to make Christmas overseas as merry as conditions will permit. The war department has decided that each man may receive from his family a Christmas package of standard size and approximately standard contents.

The Red Cross will prepare these parcels for mailing, an arrangement having been completed between the War Department, the Postoffice Department and the Red Cross.

Only one parcel can be sent to each man. To avoid duplication and to make sure that each parcel is correctly addressed, a "Christmas Parcel Label" is now being issued to every man abroad, who will mail his "Christmas Parcel Label" to some relative or friend who will be entitled to send him a parcel by complying with the conditions.

The weight of the parcel must not exceed two pounds and fifteen ounces unwrapped.

Call at your nearest Red Cross

headquarters for instructions and mailing facilities. The postage will be 12 cents for each pound or fraction thereof.

THE PEACE SOLDIERS AND WAR MOTHERS WANT.

The Stars and Stripes, the official newspaper published by the soldiers of the American expeditionary forces in France, says editorially about the enemy peace offensive—

"Let the weak hearted who are dreaming of a compromise; let the pacifists who are talking a peace by agreement; let the sideliners who have had enough of war; let the secretly inclined pro-Germans who think this war should end without a decision—let them one and all know once and for all that for the American expeditionary force there is no such word as 'Peace' with the Huns unbeaten. The man who talks of peace today, except by a victory, is a traitor.

"The enemy peace offensive is likened to the action of German machine gun crews in the Vesle fighting, when they fought and killed Americans until they were surrounded, then shouted 'Kamerad.'

"The mothers of the American soldiers in France want the same peace their sons demand. All the courage of the ancient Spartan mother is in the hearts of the women of America."

If you want to hit the Blake gang a knockout blow, vote against Nugent for U. S. Senator. Nugent as Senator means that Jim Blake is able to pull the strings at Washington. Vote for Gooding and you hit the Blake machine a fatal punch.

Statement of Ownership.

Statement of ownership, management, circulation, etc., required by the Act of Congress of August 24, 1912, of the Clearwater Republican, published weekly at Orofino, Idaho, for October, 1918. P. L. Orcutt, under oath, declares that he is the sole owner of the Clearwater Republican; that he is editor and publisher; that the Bank of Orofino is the holder of a \$550 mortgage on part of the equipment; that the Intertype Corporation of San Francisco, Calif., holds a contract of sale on the No. 1 Linotype.
