Arbor and Bird Day programs are being prepared in both Buildings. April 23rd is the day set aside by the County Superintendent to be thus observed.

The April state examinations are being conducted for Rathdrum and neighborhood by Miss Sauer this week. There are a number of 7th and 8th Grade pupils from surrounding Districts who are here taking them.

The 6th Grade entertained the 7th Grade after school Tuesday night, at which, also, Misses Berry, Steele and Sauer were honor guests. A dainty lunch was served and a splendid time was reported.

"Bound and Gagged."

This big Pathe serial is a genuine thriller in ten episodes—ten only. We selected this splendid chapter picture because we found it was made up of everything to be desired—romance, comedy—stunts galore and thrills which will make the audience gasp. Geo. B. Seitz, the hero, is the youngest and one of the most famous directors, writers, producers and actors in the movie world today. We hope that our patrons will welcome these good friends with enthusiasm.

We will also offer a complete feature play each week in connection with every episode of "Bound and Gagged."—STAR THEATER.

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wondering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted.

Dance Saturday night, April 10, at Apple Packing House, Hayden Lake. Everybody welcome.—adv.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

A WORLD REBUILT

By the Golden Rule
not by the rule of Gold

THIRTY denominations of the Church are uniting in a simultaneous campaign in the week of April 25th-May 2nd.

They are uniting because the task before the Church is too great for any one denomination; because there must be no duplication of effort; no waste.

These churches know that the world needs many things; but it needs Faith most of all.

They know that there can be no final solution of our economic problems that is not a spiritual solution, based on the teachings of Jesus Christ and His Golden Rule.

They have had the courage to survey the whole task, and to ask for a budget large enough to sustain (1) the work abroad, (2) the work at home including the church's part in the huge task of Americanization, (3) the colleges and (4) hospitals supported by the Churches, (5) the religious training of the young, and to provide (6) a living wage for the Church's ministers.

The budget is large in the aggregate; yet if each person who loves America would increase his contribution by only a few dollars the whole amount would be easily subscribed.

We face the task of rebuilding the world. Let the cornerstone be a strong and vital church in every American community; and the measuring rod by which the builders build must be the Golden Rule.
