MAY

Roscoe Hamilton is getting very nicely now after a serious case of influenza. Mr. Hamilton and his children, Mrs. Harry Hamilton and a young fellow staying here were all attacked at the same time. Dr. Kirtley was there Wednesday and lifted the quarantine.

Mrs. Dell Grubb have moved to their ranch at Patterson and intended staying all winter. Their boy in school but the getting too near so they are best not to send him.

On January 4 to Mr. and Mrs. Grubb a bouncing baby boy. The brother proudly says, "his black."

The reopened last Monday, the vacation of two weeks. Attendance before vacation was only 15. The approaching epidemic is the cause of so many absences.

The May people are fighting to keep the influenza out of the school because they realize what the epidemic here would be with only one teacher. There has been some talk but it probably wasn't the case.

On the 30th of December to Mr. Ed Terry, a boy. The boy was in May on business Wednesday.

Elliot, who has been sick for a week, is getting along nicely.

Babe Ellis is in town on her way to see her sister at Goldberg. The epidemic of the flu epidemic in the houses of May have been closed for the past week but opened again on Thursday last.

Sam Collins, who has been at Double Springs pass against the violators of the quarantine made a flying trip to May last week.

Marjorie Ellis, who had been on the holidays with her parents returned to Salt Lake City for her school work.

Elliot has been confined to bed with an attack of influenza. Mrs. Ed Terry are the parents of a ten pound boy.

Running a few days the epidemic are again closed by order of the health officials.

Deputy sheriff, Mark Howe, has been doing patrol duty in the city and has returned to his home.

Edmund Crist came to Salmon last week to arrange to move the family of his deceased son, Edmund Dow Crist, to the old home near Gooding. They are to go out by Saturday's train.

L. F. Geertson of Klamath Falls is visiting among his Lemhi county relatives. He formerly owned the Bert Macnab ranch, one of the Big Flat ranches of great beauty and productivity.

A bulletin board now adorns the front of The Recorder office. The board is of sufficient size to carry all important announcements, advertisements and so forth, being intended for the use of the public.

A special business meeting of the advisory board of the Lemhi Woolgrowers' association was called for last Monday night in Salmon, when W. M. Carpenter and Mrs. E. K. Yearian were present of the officers of the board.

Mrs. Kate Kelly, general agent of the Singer Sewing machine, Salmon, Idaho—Machines are carried in stock for immediate sale and delivery, besides supplies. Deferred payments on purchases heretofore made are to be returned to this agency.

A herd of more than 300 cattle belonging to John Coles were driven to the home ranch on Wednesday from the meadows on the Viel-Sims ranch where they waxed fat and sleek, making a pretty show as they passed through the city.

The Recorder office was honored by a call from Harry L. Summers on Tuesday after he had moved into his new home from Montana. With him was President Astell of the Montana Short-horn Breeders' association, who came over to take a look around at what it was in this country that drew away his friend.

Mr. and Mrs. C. B. Graves left their Patterson canyon farm for the winter and are now located at Rochester, Nevada, where they have been suffering from the flu. Mr. Graves writes to The Recorder regarding their subscription and says Mrs. Graves was in the hospital 15 days and himself for a period as long except a day. The hospital was conducted by the Red Cross of San Francisco. "That institution," Mr. Graves says, "from now on has won our everlasting gratitude." Mr. and Mrs. Graves are very highly esteemed by many Salmon friends.

FOR SALE—Chevrolet car in good condition. Call and see at the Bradley garage or call owner at the Pope-Shenon mine. A. R. Goodell.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

F. J. CHENEY & CO., Props., Toledo, O. All Drugstores, etc. Hall's Family Pills for constipation.

THE KIRSCHBAUM OVERCOATS. CLOTHING, KINGSBURY HATS AND CAPS GREEN-HOOD SHIRTS, SUMMIT MACKANAWS

A SHEEPLINED VEST that is always dependable and warm at \$10, worth \$11.50 in Chicago.

RUSS W. WHITE

On the approaching departure of Dan Chick for his duties elsewhere he has asked a number of friends to take supper with him at the Hagen cafe, when covers will be laid for 14. The supper, which is to include the delicacies of the season, will be served next Tuesday evening. Mr. Chick has passed most of the time since early fall in Salmon.

J. K. Robinson, capable automobile man and salesman, is about to leave Salmon, to settle in the further Northwest. The Central garage, which he has successfully managed for the past fall and winter, with the Salmon agency for loading cars, belongs to Clyde Riggs, a soldier now in France, and will go back to the supervision of Ralph Irvin as agent for the owner.

Charles G. Lozdon, first in the Second Idaho, then in Canada, has returned to Salmon after serving on guard duty in New Jersey for nearly a year. It was a sore disappointment to Lozdon that he had not the chance to get overseas. A serious physical defect prevented his acceptance. After a recent treatment at a New York hospital he is now fully himself again. His homestead is on Big creek. He will not return there at once for the reason that he has none of the improvements that he will make on the place to make it habitable in the dead of winter.
