

COUNTY SEAT NEWS ITEMS

Joseph Squibb has sold his ranch of 160 acres, northeast of Grangeville, to George Turner and Otto Sholtz of the reservation country. The price was \$100 an acre.

Bill Shober was over from Cottonwood Saturday evening and returned the following morning. Bill was recently discharged from service, having been stationed at Camp Lewis in the artillery division. He left Grangeville with the August draft.

Word has been received by Mrs. Fenn Batty that Mr. Batty had left the sanatorium at Hot Lake, Oregon last Wednesday and had returned to his farm near Maupin, Oregon. This will be pleasing news to Mr. Batty's many friends in this section where he resided for many years.

Judge Wilbur L. Campbell of the probate court, came in on last evening's train from a ten-day trip to points in the southern part of the state. The judge accompanied three young fellows to the Industrial school at St. Anthony, and after completing that task enjoyed a few days' visit at other places before returning.

James Potts, of Stites, charged with a statutory crime, and Lee Woodworth of Grangeville, alleged forger, both of whom are held in the county jail, have expressed willingness to plead guilty according to Sheriff William H. Eller. The sheriff will take the men to Lewiston Friday and permit them to plead before Judge Scales who is holding court in Nezperce county. The sheriff and prosecuting attorney, it is said, will recommend leniency for Woodworth.

First condemnation proceedings to procure right-of-way for the North and South highway link between Grangeville and Whitebird were filed in the district court this week when action was brought by the commissioners of the Lake highway district against Sarah H. Robbins and Leslie D. Robbins, administrator for the estate of S. W. Robbins, deceased.

A reunion and picnic in Grangeville of soldiers of the great war from Idaho, Lewis, Nezperce and Clearwater counties was suggested to the commercial club at its meeting Wednesday by Sgt. Don C. Fisher. July 4, it was believed, would be an opportune time for the picnic because, coupled with the fact that the day is a national holiday, it is felt that most of central Idaho soldiers will have been discharged by that time.
