

A Matter of Dollars and Sense

It is not so much in the policy we use to bring our merchandise before the eyes of the people as it is the quality the merchandise has in it. Whenever we buy our merchandise the strongest point we hold to is what would be the most serviceable and reasonable?

for instance:

MERCHANT INJURED.

W. D. Kolkman and wife, the former at one time proprietor of the Winona store, were injured in an auto accident near Lewiston Sunday. With his brother, F. J. Kolkman, and wife and two boys, they were enroute from Fir Bluff to Uniontown, when the Fork truck driven by E. J. went off the grade. The glaring headlights of a car which they met blinded the driver so that he could not see his way. E. J. and wife and Mrs. W. D. were quite seriously injured, and W. D. only slightly. The two boys escaped injury by leaping from the car before it went over.—Kamiah Progress.

THE COMMUNITY CHURCH

Services at the Community church. Sunday school at the regular hour 10 o'clock. There will be no regular preaching services for the morning, but there will be several local men to give short interesting addresses at the close of the Sunday school, which will greatly benefit you, and which will replace the regular services.

So those generally coming late try to "whip" up a little this Sunday and take advantage of this new and attractive and valuable service.

There will be the regular evening services at 8 o'clock.

Marion Sliger.

HAVE JUNIOR RIFLE CORPS

The boy scouts are considering organization of the Winchester Junior Rifle Corps. It being represented and introduced to the last scout meeting by one of the Funke boys. It is a worthy consideration. By proper supervision it can be made absolutely safe for these boys to engage in. Many of these organizations are reporting successful results. Cottonwood boys must set a pace for other organizations to follow.

COUNTY SEAT NEWS ITEMS

J. Frank Sims through the agency of M. L. Ayers this week sold his ranch of 160 acres, 7 miles north of Grangeville, to C. C. Zehner, for \$90 an acre or \$14,400. Mr. Zehner recently sold his ranch five miles north of town to William Wortman and bought the Sims place as a home.

Henry Hesterman, Grangeville soldier, who was killed while fighting in France, on November 2, last, was literally blown to pieces by a German shell, his father, Henry Hesterman, sr., learned from comrades of his dead son, whom he visited at Camp Lewis, Wn., recently. Henry was a member of a group of four soldiers who were victims of the bursting shell. Three were killed and a fourth

badly wounded. There was little left of Henry to bury, the father was told.

E. J. Bennett returned last week from Missoula, Mont., where he spent a month. While Mr. Bennett was in Missoula, the body of his brother, Joshua Bennett, was recovered from the Missoula river. The brother had been missing since last October. It is believed he was accidentally drowned. The body was in the river almost six months and all efforts to recover it proved fruitless until ice in the river broke up this spring.

A huge steam shovel, mounted on a caterpillar truck, arrived in Grangeville Saturday night by rail for J. A. Hoskins & Co. The shovel is to be used for excavation on the North and South highway and is the second to be brought here for the highway work. It is the largest steam shovel ever seen in Idaho county. It was unloaded Sunday and was moved, under its own power, the first of the week, to the top of Whitebird hill. It will be taken down the old canyon road to the first road camp below the crest of the hill, and will there be placed in operation.

"SERVICE STAR"

Next Thursday at the Orpheum a Goldwyn motion picture that will reach the heart of every man, woman and child in Cottonwood. This picture is a drama of the American home and of mothers', daughters' and lovers' hearts. Not one scene of it is laid in Europe. Not one scene reveals a battle, or preparation for battle. There are no spies, no struggle, no tense unhappy moments to bring grief or pain to the womanhood of the nation.

But there is a wonderful story and all the way through it you see a wonderful girl, who, through the power that God puts into the souls of women, sends away a wonderful boy to make this a wonderful world to live in.

Whether you are hard or soft heart whether you think you wish to or not, there is nothing in the world that can keep you from coming to the Orpheum Theatre to see the Service Star.

If cleanliness is next to Godliness, then hearty laughter is next to real honest endeavor during these strenuous times. Quite a little laughter is to be garnered at the Orpheum on Sunday night when the dainty, vivacious and piquant little Triangle star, Claire Anderson, breezes through "The Mask." Sally inherits a million and forget her friends until experience meets her with a large, healthy lesson and she comes back to earth. 21-1
