Before the open season for trout came in a small boy was fishing when a game warden came along. "Caught any trout?" asked the warden. "Nary a trout," said the boy. The warden saw a big salmon trout on a stringer. "What's this?" he inquired. "Well," said the boy, "that big fellow kept getting my bait and I thought I'd tie him up until I got through fishing." The rector had been explaining the Sunday school lesson to the infant class. "Now," he said, "would any little boy or girl like to ask me a question?" "Have you got on trousers under that nightgown?" inquired a little chap.

**HAVE YOU A BAD BACK?**  
If You Have, the Statement of This Emmett Resident Will Interest You.  
Does your back ache, night and day  
Hinder work; destroy your rest?  
Does it stab you through and thro  
When you stoop or lift or bend?  
Then your kidneys may be weak.  
Often backache is the clue.  
Just to give you further proof,  
The kidney action may be wrong.  
If attention is not paid  
Headaches, dizzy spells and nerves,  
More distress will soon appear.  
Uric acid and its ills
