Join the 109 Per Cent American Club

FARMERS AND ALL OTHER CITIZENS:

It is the purpose of the HUNDRED PER CENT AMERICAN CLUB OF IDAHO to give you the truth about those who are trying to set up a Socialist government in our state.

This is an organization started by farmers, but it asks all classes to join in true Americanism.

HOW TO JOIN

Make a copy of the declaration of principles as shown in this advertisement, sign it and send it to H. B. Powers, Boise, president of the Hundred Per Cent American Club of Idaho.

Get your neighbors together, farmers, and sign this real American declaration and then get them to vote in harmony with its high principles.

NO POLITICS, BUT JUST PATRIOTISM.

All other citizens are asked to join. There are no dues, but we will appreciate any donations for our worthy cause—THIS FIGHT AGAINST SOCIALISM, IMPORTED FROM NORTH DAKOTA.

THIS IS TO BE A PERMANENT ORGANIZATION TO HELP EVERY FARMER AND EVERY OTHER LEGITIMATE INDUSTRY IN IDAHO AND TO PROMOTE GENUINE AMERICANISM.

If you can do so, come to the headquarters of the Hundred Per Cent American Club in the Owyhee Building, Main street, Boise, and join.

Farmers: Remember, friends, what Roosevelt has said about the leaders of the Nonpartisan League. Do you believe Roosevelt, who is your friend, and other leading men of this nation, or these league leaders? You may have been deceived by these Nonpartisan leaders.

H. B. POWERS, President.

Join for Americanism

Get your neighbors together. Write off the following declaration of principles, sign your names and send to H. B. Powers, president Hundred Per Cent American Club of Idaho, Owyhee Building, Boise. You will be put on IDAHO'S HONOR ROLL OF TRUE AMERICANISM. No dues.

DECLARATION OF PRINCIPLES.

We, the undersigned farmers and laborers of Idaho, being ourselves 100 per cent loyal Americans, believing that many of our friends and neighbors have been misled by overzealous leaders of the Socialist party who are willing to create disorganization and class dissension in exchange for political advantage, and being justified that a majority of the members of the Nonpartisan League are honest and patriotic;

Therefore, for the purpose of proving to the public, the state and national governments, that a large body of farmers and laborers repudiate the methods and practices of these leaders and giving our support to the SAILORS on the sea and our BOYS in the trenches in this hour of our nation's peril, do hereby bind ourselves, each to the other, that we will do our utmost to stamp out the insidious propaganda represented by Townley and Townleyism, and to free our state from the menace of disunion adroitly promoted by the founders of a pro-German propaganda, and for the purpose of putting the farmers and laborers of Idaho in a true light before the people of this nation, do do hereby constitute ourselves the Idaho One Hundred Per Cent American Club.

Even Roosevelt was deceived for a time. But he now sees them in their true colors.

ROY SHURTLEFF, Secretary.

Executive Committee:

- I. Lee Truax, Meridian.
- A. J. Cramblett, Gooding.
- H. B. Powers, ex-Officio Chairman.
