

IN SOCIETY

On Monday, Sept. 4, was celebrated the marriage of Miss Grace Cook, daughter of Mr. and Mrs. C. W. Cook of the South Slope, to Mr. Albert Briney of New Meadows. The ceremony took place at 11 o'clock in the morning, solemnized impressively by the Rev. Ashworth of Payette, at the Episcopal church. Before the ceremony, nuptial music included the singing by Miss Lucille Illingworth of Boise of the bridal song, "God Made You Mine." Miss Evelyn Cowan of Boise played the wedding processionals. In the wedding party Mrs. Ray Stinson, sister of the bride, and Miss Clara Peterson were bridesmaids, gowned in satin frocks of blue and ice shades with hats to match. Immediately preceding the bride were the two little flower girls, Sybil and Janette Stinson, nieces of the bride, in party frocks and maline bows and carrying delicate and fragrant bouquets. The bridegroom had as best man, Mr. Sam Stinson. The bride, handsomely gowned for her marriage in white satin and veil and carrying for her flowers a shower of Shasta daisies and sweet alyssum, entered with her father. The church was beautifully decorated in white astors, with the altar banked in flowers, and to mark each pew, a bow of white ribbon and aster was used. A reception and luncheon was given by the Art Committee of the Crescent club in honor of the young people in Rebekah hall, with Mrs. W. Lyman and Mrs. Ed Tyler and Mrs. Katzenmeyer on reception committee. The guests were welcomed in the hall, where flowers and blossoming vines in the brilliance of early September coloring made a fit setting for the wedding party of over 40. The wedding table was made attractive with a lovely hand made luncheon cloth. The centerpiece was a large bowl of bright yellow flowers on a mirror surrounded with amaranth and near the large wedding cake. The colors throughout were white and yellow. Three long tables arranged around the luncheon

table seated the guests. Mr. and Mrs. Briney left for Boise in the afternoon and after a short honeymoon will make their home at New Meadows. The bride is one of Emmett's splendid young women, growing up here and educated in the Emmett schools. Among the out of town guests were: Miss Olive M. Petrashek of Weiser, Mrs. Hattie Shanah of Weiser, Mr. and Mrs. F. A. Finney of Weiser, Miss Laura Finney of Weiser, Mr. and Mrs. Harry Cowan of Boise, Miss Evelyn Cowan of Boise, Mr. and Mrs. H. B. Illingworth of Boise, Miss Lucille Illingworth of Boise, Mr. and Mrs. W. A. Briney of Salmon, parents of the groom, Mr. and Mrs. C. T. Hall of Nampa, Mr. W. Hall of Fruitland, and Mrs. Ray Stinson of Paul.

Mrs. Adelaide Bias entertained with a pretty dinner of seven cover Sunday evening. Roses were used in charming array for table decorations.

P. E. O. met Monday evening following a summer vacation at the home of Mrs. J. P. Reed.

The Golden Rule Store employees of Boise entertained with a jolly get-together evening Tuesday. The affair was held at the Y. M. C. A. with guests invited from the many branch stores in near-by towns. Business took up the early part of the afternoon with the evening hours full of merry entertaining and a pleasing luncheon. Mrs. Mae Allen, Mrs. Vern Tappan, Mrs. Frank Rinker, Mrs. Larson and Vern Myers were representatives from the Emmett store.

About 14 guests enjoyed the miscellaneous shower given Mrs. Ella Marrs, Friday afternoon, by her two daughters, Mrs. W. H. Madden and Mrs. Merlin Nefzer. Mrs. Marrs will be married sometime this month to Mr. Frank Jones of Portland. The afternoon was spent in visiting and at a late hour dainty and cool refreshments were served.

Mrs. W. H. Yergenson of Knowles, Calif., was entertained at a 6 o'clock dinner last Wednesday at the home of Mr. and Mrs. Ed Francis.

Mr. and Mrs. F. D. Bowen entertain

ed a number of friends last Thursday evening with a 7 o'clock dinner at their home on McKinley Avenue. A color scheme of green and white was carried out in the table decorations, green candles and white roses being used. Covers were laid for Mrs. Minnie Fairchild, Mr. and Mrs. W. H. Cammerer, Dr. and Mrs. B. O. Clark, and Mr. and Mrs. Chas. McLain.

A farewell party was given Monday evening at the home of Mr. and Mrs. R. E. Shaw, honoring their son Dwight, who left yesterday for Tucson, Ariz., where he will attend school. Eight of his school friends were present and the evening was spent in playing cards. Luncheon was served late in the evening at small tables.

The Presbyterian Ladies Aid is meeting this afternoon (Thursday) with Mrs. Vanderdaas.

SPEAKS HIGHLY OF MOORE

Former Townsman Eulogizes Character of Republican Candidate for Governor.

When a man runs for office he is invariably attacked by those of different political faith and C. C. Moore is no exception to the rule. While one of the clean, strong men of the state and no specific charge has been brought against him where proof would be required, yet there have been innuendoes that he is not a man of force, would be unduly influenced, and all that.

To ascertain the unbiased truth, Dr. John Pipher of Nampa wrote his old friend, D. C. Neifert, at present Supt. of Schools at Weiser. Mr. Neifert was at the head of the schools in the Iowa town in which he and Dr. Pipher both lived. Later they both came to Idaho. For ten years Mr. Neifert was Supt. of schools at St. Anthony, the home of Mr. Moore. Dr. Pipher therefore knew that he would have full knowledge concerning Mr. Moore, and not being in politics, could and would give him the unprejudiced truth.

Mr. Neifert answered him promptly in a letter which is published in the Nampa Leader-Herald, and is as follows:

"In reply to your letter concerning Hon. C. C. Moore, candidate for governor, will say that it has been my good fortune to have known him for the past seventeen years as an official, as a friend, and as a neighbor. During this time I have yet to learn of a single dishonorable act committed by him. He is a man of intelligence, integrity, vision, and force of character. He is known especially as a man who deals fairly and squarely with his fellowmen.

No one has been hurt more than Mr. Moore by the high taxes. He is a real dirt farmer, operating over two thousand acres of land. I have every confidence in his willingness and ability to economize in government expenditures for the state of Idaho if elected governor.

Whatever else may be said of Mr. Moore in this impaign, his friends and acquaintances know him to be a man of high ideals and genuine worth to the state of Idaho.

D. C. NEIFERT.

Former Emmett Folks Picnic in California

Prof. E. H. Buck, a former teacher in the Emmett schools, but who left to accept the superintendency of the Hailey schools several years ago, has resigned his position there and with his family moved to California, July 1. Mrs. Buck and son Homer are now visiting at Kirkville, Mo., and Mr. Buck is stopping with Mrs. Edwards at Pasadena. In a letter to The Index he gives the following account of a picnic of former Emmett people at Brookside Park at Pasadena:

"A group of former Idahoans, one-time residents of Emmett, met at Brookside Park Sunday, August 27, for a picnic. On account of the short notice all could not attend that would have, had the publication of the event been made earlier. Those present to enjoy the dinner and the social good time were 37 in number, and included

the following: Mr. and Mrs. A. A. Richards and family, Mr. and Mrs. Delos Knox and Miss Helen, Mr. and Mrs. Fred Beust and family, Mr. and Mrs. Carl Zimmerman, Mr. and Mrs. Wm. Hoppeck and daughter, Mr. and Mrs. Walter Edwards and son, Mr. and Mrs. Blaine Gilkerson and family, Mr. and Mrs. Lawrence Gilkerson and family, Mrs. F. J. Edwards, Mr. Vernon Edwards, Prof. and Mrs. E. H. Buck and son, Mr. and Mrs. Bever and family, Mrs. Cort Pyle, Mr. and Mrs. Ernest Bladen and family, Mr. and Mrs. A. Hoistad, Dr. and Mrs. R. E. Rose.

To Do a Thing Well.
No man can do anything well who does not esteem his work to be of importance. My work may be of none, but I must not think it of none, or I shall not do it with impunity.—Emerson's Essay on Nature.

Faded Carpet.
A faded carpet can be much improved at little expense. Add a pint of vinegar to a pan of fairly hot water and, after having given the carpet a thorough brushing, rub this well into every part of it with a clean cloth.

Reckoning Age of Trees.
Some trees often live to a great age, and while they are standing it is a difficult matter to arrive at their age, but when they have been cut down, it is said, the age may be reckoned by counting the number of rings visible in the section.

Send it to the Laundry

Say what you will about the drudgery and unhealthfulness and real hard work being eliminated by family washing machines—it is all fiction. Ask the housewife. She will tell you the dread of wash day has not been removed, neither has the hard work, the unhealthfulness of steaming tubs of foul smelling garments. Besides that, the machines add to the expense.

She has learned that there is no pleasure, let alone saving in doing the family wash at home, whether by hand or by machine. Then after the washing is done, there is still the ironing to do.

Our laundry, with its modern methods, removes the dread of ironing day as well as wash day. All the housewife needs to do is to collect the soiled clothes. We will call for them, return them spotlessly clean and sanitary when wanted, with practically two-thirds of the ironing done. Better give us a trial for a month to demonstrate our claims.
