A PLEASING ANNOUNCEMENT.

That May Interest Many. Dr. Darrin the Eminent Specialist Will Visit Shoshone May 17th to 23d.

There is a physicians coming to Shoshone, not simply a medical practitioner but a physician of very high order of merit, a scientist one whose years of close study, close observation, close practical experience, has enabled him to draw not only testimonials but the highest personal endorsements from the leading men of the country--congressmen, judges, etc.--and whose success in the medical field is today without a parallel. This refers to Dr. Darrin, who will have offices at The Columbia Hotel for one week only.

Dr. Darrin has an enviable rank in his profession as a wonderfully successful physician. He is essentially original in his method of practice, and those who have been under his treatment are surprised at the newness and novelty of his system of practice by electricity. His honest and straightforward advice before taking a case has won for him the confidence of his patients as well as the general public. The doctor is a gentleman of genial social nature, and his private practice is marked by the formation of a personal friendship with those whom he comes in professional contact. He is without doubt one of the most thoroughly qualified physicians now before the public, as his wonderful cures can testify.

Harry Allen, running the Vendome barber shop, Weiser; is witness to the cure of Frank Lautz, near Baker City, Oregon, six years ago. He was cured of cancer of the nose and face.

Mrs Sibbel Murphy, Weiser post office, catarrh and bronchitis, rapidly recovering.

E. Frost, Caldwell, deafness 20 years cured.

Mr. Wyatt, Boise, Idaho, cured of deafness, rheumatism and other troubles.

John Martin, Cove Union county Oregon, hydrocele, cured five years ago and the cure is permanent.

Emma Hermo, Boise, Idaho, inflamed eyes, restored.

Mrs. W. C. Denton, Boise, Idaho cough and lung trouble, cured.

Hansel Dye, Boise, Idaho, abscess of eye, cured.

G. B. Mathews, Eagle Point, Oregon, consumption and large tumor cured.

Robert Marsh, Boise, Idaho, cured of catarrh, bronchitis, rheumatism and general debility.

Miss Emma Moeller, Baker City Oregon, loathsome discharge of the ears thirteen years, cured.

Many others might be mentioned did not want of space forbid.

Dr. Darrin makes a liberal offer, of treating the worthy poor free of charge daily between the hours of 9 and 10 a. m., in accordance with his time honored custom.

Dr. Darrin makes a specialty of all diseases of the eye, ear, nose, throat, catarrh, deafness, bronchitis, lagrippe, consumption, dyspepsia, constipation, heart, liver and kidney diseases.

He permanently cures all dis-

eases of the genito-urinary organs in either sex, such as syphilis, blood taints scaoffula, gleet, gonor rhea' stricture, seminal weakness, syermtorrhoea, loss of manhood, and loss of desire or sexual power, in man or woman.

All peculiar female troubles, irregular menstruation, leucorrhoea, displacement, etc., all confidentially treated, as well as all acute, chronic private and nervous diseases of whatever nature, if curable. Consultation free.

Office hours are 10 a. m. to 8 p. m., daily. Sunday 10 a. m. to 2 p. m. Charges low and reasonable, according to circumstances and ability to pay.

Dr. Darrin will remain in Shoshone until May 23, and patients would do well to consult him at once as many cases require a second and even a third operation by electricity.

All business relations with Dr. Darrin are strictly confidential.

Col. Will Vischer says: 'Presidential probabilities? McKinley will be nominated and elected. I am a bimetalist, and think that the war of the gold power against silver is a cruel outrage against the wage-earners of the country. I am not a labor agitator, but in speaking of wage-earners, intend more distinct reference to the direct producers of the country.

Silver always was good money until the gold power sought to make a corner in gold, and to make a single standard of a metal which is too precious to be circulated, and which is not being considerably used now in the currency of the country.

When Moses came down from Sinia, with the tablets of stone direct from the hands of Jehovah, he found a great gang who cared nothing for God or His commandments, dancing around a golden calf, and the old man was so put out that he let the tablets fall and broke all the commandments at once. Those who are today dancing around the golden calf are making the masses of the people break that commandment which says, "Thou shalt not swear"--or words to that effect, and they'll cuss the tops of the heads offen' a lot of gold-bugs yet.

I believe, however that a Republican administration will be willing and able to do more for the silver situation than any other party power;

Yes, sir; I am a native of the South, who has lived in the far west the greater part of the time for the last twenty-five years, and I want to say to you that the west is going to have a say this time, or somebody will get hurt.

The editor of a Southern exchange says: "Let the young man about town out of a job try a year on the farm. Plowing behind a mule will give him a constitution, take the kinks out of his head, the frog out of his throat, the gas off his stomach, the weakness out of his legs, the corns off his toes, and give him a good appetite, an honest living, and a sight of heaven."

The man who makes his own gold always has a little one.

Testimony of Elija Frost.

His Hearing Restored in Ten Minutes. Wonderful Cure. Science Prevails Against Ills Flesh is Heir to.

Caldwell Tribune.

All readers of the Tribune are by this time familiar with the name of Dr. Darrin, and they no doubt read with interest accounts of the many remarkable cures this celebrated physician has performed. We suspect that some have read the testimonials of grateful patients with some suspicion as to their authenticity, therefore we are gratified to be able to present a testimonial that must put at rest every possible doubt. There is probably not a better known man in Canyon county than Elija Frost. He has spent almost a lifetime among the people of this section, and his reputation is such that nobody will stop a moment to question his truthfulness. He has received relief at the hands of the great benefactor, Dr. Darrin, and desires to inform the afflicted that they may have the same opportunity. Mr. Frost's testimony is given below:

Caldwell, Idaho, Mar 24, 1896.

Mr. Editor: I was the first patient to apply to Dr. Darrin for treatment, and am happy to say the treatment was a success. For 20 years prior to the same I have been hard of hearing, and at times could not hear except with great difficulty. Dr. Darrin cured me with electricity in ten minutes, so I can hear any ordinary conversation, and I would advise all similarly afflicted to try Dr. Darrin. I reside in Caldwell and will gladly answer any question.
