BRIGGS TESTIMONY.

A Wonderful Cure—Science Prevails Against the Ills the Flesh is Heir to.

All readers of THE JOURNAL are by this time familiar with the name of Dr. Darrin, who will be at the New Columbia Hotel, Shoshone, Saturday, June 6th, only of this week, and they have no doubt read with interest accounts of the many remarkable cures this celebrated physician has performed. We suspect that many have read the testimonials of grateful patients with some suspicion as to their authenticity, therefore we are gratified to be able to present a testimonial that must put at rest every possible doubt. There is probably not a better known man in this State than Mr. Briggs. He has spent almost a lifetime among the people of this section, and his reputation is such that nobody will for a moment question his truthfulness. He has received relief at the hands of the benefactor, Dr. Darrin, and desires to inform the afflicted that they may have the same opportunity. Mr. Briggs' testimonial is given below:

BRIGGS POST OFFICE, LINCOLN CO.,

Dear Sir:—Your electrical and medical treatment has helped me wonderfully. Since I commenced treatment with you, I am gaining in weight daily and work hard every day, and feel like a new man. My cough and lung trouble is about cured. Yours sincerely,
S. E. P. BRIGGS.
