

## Who Benefits By High Prices?

You feel that retail meat prices are too high. Your retailer says he has to pay higher prices to the packers.

Swift & Company prove that out of every dollar the retailer pays to the packers for meat, 2 cents is for packers' profit, 13 cents is for operating expenses, and 85 cents goes to the stock raiser; and that the prices of live stock and meat move up and down together.

The live-stock raiser points to rising costs of raising live stock.

Labor reminds us that higher wages must go hand in hand with the new cost of living.

No one, apparently, is responsible. No one, apparently, is benefited by higher prices and higher income.

We are all living on a high-priced scale. One trouble is, that the number of dollars has multiplied faster than the quantity of goods, so that each dollar buys less than formerly.

## ANARCHIST PLOT TO SEIZE GOVERNMENT

OVERTHROW OF THE REPUBLIC THROUGH BLOODY REVOLUTION PLANNED BY REDS.

Establishment of Bolshevik Government is Object of I. W. W., Socialists and Radical Anarchists, Declares Solicitor Lamar.

Washington. — Mail matter seized since the signing of the armistice has disclosed that the I. W. W., anarchists, radical socialists and others are "perfecting an amalgamation," which has for its object the overthrow of the American government through a "bloody revolution" and the establishment of a Bolshevik republic, according to a memorandum sent to the senate propaganda committee by Solicitor Lamar of the postoffice department. The memorandum was made public Monday by the committee, and Chairman Overman said it would be read into the record.

Declaring that in Bolshevism the radical elements of the country had for the first time "found a common cause upon which they can unite," Mr. Lamar said his information showed that propaganda against the government was being conducted with great regularity and that the magnitude could be measured by the "bold and outspoken statements" found in the literature. Accompanying his memorandum were several hundred excerpts from mail matter showing the trend of the propaganda. These will be made public later.

Particular reference was made by the solicitor to the activity of the dissatisfied foreign element of the country, but he said perhaps the I. W. W. was the most active in the dissemination of the propaganda because it "has at its command a large field force known as recruiting agents, subscription agents, etc., who work unceasingly in the furtherance of the 'cause.'"

### GERMAN ARMY LIMIT FIXED.

Allied War Council Sets 100,000 Men as Maximum.

Paris.—Definite steps to put Germany forever beyond the hope of obtaining military domination over the world were taken Monday by the supreme war council, with Clemenceau presiding. Lloyd George, present and Secretary Lansing and Colonel House representing the United States.

The kaiser's great armies are to be reduced to a mere police force and other steps severer than have been contemplated were provided for. The German government must accept them or take the consequences.

As a result of the discussion it was agreed to fix the strength at 100,000, less than half the original figure recommended under the terms as laid down by the allies. Germany must raise this force by voluntary enlistment.

### GET TASTE OF OWN MEDICINE

Red Terror in Germany Takes Huge Toll of Life.

London.—Many were killed and wounded in serious fighting which occurred at Halle, Germany, on Saturday, according to a Copenhagen dispatch to the Central News. Spartacists are said to have drowned many students and officers in the river there, and it is reported that there was a general pillage in the parts of the city where the fighting took place. Government troops eventually gained the mastery. It is said.

### Gas Barred From Farms.

Washington.—Poisonous gas developed in war cannot be used to clear American farms of insects and rodent pests, Secretary Lane has decided after investigation. Experience showed that while pests were killed, there was danger of the gas spreading and destroying livestock and persons living nearby, in case the wind should carry the fumes.

### Channel Tube to be Reality.

London.—The decades-old dream of a cross-channel tunnel connecting England and France is to become a reality at last. Bonar Law, chancellor of the exchequer announced in the house of commons Monday that the government was considering immediate inception of the construction of the tunnel and proposed to employ demobilized soldiers in the work.

### Spartacists Sentenced to Death.

London.—A great number of Spartacists were taken prisoner in the fighting in the center of Berlin on March 7, and will be sentenced to death, according to an Exchange Telegraph dispatch from Copenhagen.

### A Meek and Lowly Follower.

Much to her chagrin, the lady speaker had inadvertently and continually used the expression, "Do you follow me?" A meek little man in the front row added to her annoyance by signifying each time that he did.

The lady speaker was exceedingly annoyed—exceedingly. Finally she beckoned to the house policeman.

"Officer," she ordered, "I wish you would take this offensive male brute into custody. He has persisted in following me all evening."

"I don't know," responded the reg'lar minister, "but a large part of it is not coming to this 'church.'"

## WEAK KIDNEYS MEAN A WEAK BODY

When you're fifty, your body begins to creak a little at the hinges. Motion is more slow and deliberate. "Not so young as I used to be" is a frequent and unwelcome thought. Certain bodily functions upon which good health and good spirits so much depend, are impaired. The weak spot is generally the bladder. Unpleasant symptoms show themselves. Painful and annoying complications in other organs arise. This is particularly true with elderly people. If you only know how, this trouble can be obviated.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the inconvenience and pain due to advancing years. It is a standard, old-time home remedy, and needs no introduction. It is now put up in odorless, tasteless capsules. These are easier and more pleasant to take than the oil in bottles.

Each capsule contains about one dose of five drops. Take them just like you would any pill, with a small swallow of water. They soak into the system and throw off the poisons which are making you old before your time. They will quickly relieve

## Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says: "I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation. Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well. "My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 8th St., N. E., Canton, Ohio.
