WHAT SHALL THEY DO

Leap Year Dance by Shoshone Dancing Club Causes Wrinkles

ETIQUETTE BEING STUDIED

Men are Very Anxious to Know What to do When the Women Call for Them to Take Them to Dance Friday Evening

Talk about busy people. Just watch the male portion of Shoshone this week. They are running the book-shops ragged after books on etiquette. Ordinarily menfolk care but little for the niceties of society as their end of the game is easily upheld but this week new and puzzling questions are before them for solution.

All caused by the leap year dance of the Shoshone Dancing club. The ladies are to call for the men and escort them to the dance and then take them home. Fine, but—

How should a man act when a woman calls at his home for him? Should he be ready to go at once or should he like a woman fuss and primp while the woman nervously awaits his getting ready to go?

Then, again, after the dance, if she fails to take him to dinner, should he ask her in and serve a lunch? or Should he bid her goodnight at the door and slip quickly in before she tries an osculatory demonstration?

Anyway one thing has been decided and that is he does not have to dance with friend wife unless he wants to.

The dance is Friday night and the men are nervous and fidgety and wondering what to do while the women serenely smile and refuse to be drawn into the controversy.

P. S. Cold feet have developed the above has all been settled by the wives taking their husbands on this occasion.

CHANCE TO GET MONEY.

Children Have a Chance to Win a Prize in the Poster Drawing Contest in Schools

Announcement has been made by the Idaho Anti-Tuberculosis association of a health poster contest to be held from January 15 to March 15 in which children in the public schools of Idaho are invited to take part. The contest in Idaho is preliminary to an inter-state contest to be held at the meeting of the Inland Empire Teachers' association in Spokane on April 7 with schools of Idaho, Montana, Oregon and Washington competing.

The posters are to be divided into two classes, class A, to include free-hand drawing, cutting and painting, and class B, which is for pupils of the first four grades only, to include cut-out posters made from magazine or other pictures suitably mounted.

The best poster in each county will be selected by a committee appointed by the county superintendent, and these will be forwarded to the office of the Idaho Anti-Tuberculosis association at Boise, where judges will select the best poster in each class and division to represent Idaho in the inter-state contest when final judging will take place.

The prizes in the inter-state contest are generous, ranging from \$25 to \$250. The subjects of the posters are to include food health habits, posters, health activities.

MONEY FROM PULLETS

Five hundred and fifty pullets brought E. Julian \$170 November for eggs, or a little better than 40 cents each. They laid 94 eggs the first day of November and 221 November 30. The total for the month was 443 dozen, a record will be greatly exceeded in December. During the last eight days Julian received \$108.50 for eggs.

There is money in eggs. The one-stop farmer who does not learn this fact will continue to have his "good" and "bad" years. Chickens and turkeys are the best business of insurance for one-stop farmers.

The Catholic ladies will give a good time at the school on March 31. Any...

A SHOSHONE BOY WEDS

Lane B. Warren, Formerly of North Shoshone, Weds Miss Eva Ringrose in California.

The marriage of Lane B. Warren and Miss Eva Alfreda Ringrose, daughter of Mrs. Walter Newton of Sunnyvale, was the happy culmination of a romance which had its inception last summer. While it was generally conceded that the popular young couple were betrothed, it was not supposed that a marriage was so imminent, in fact the contracting parties did not know themselves that they were going to be married, until after an automobile ride last Monday evening. It was such a beautiful moonlight night and everything was so favorable that they decided to take the step at once, and in company with Mr. and Mrs. L. V. Crothers proceeded to San Jose where they secured a license and thence to Cupertino, where the ceremony was performed by the Rev. Clarence E. Robinson of the Union church.

The bride is well known in Sunnyvale, where she has been employed as chief operator at the telephone office since her arrival from Portland, Oregon, about a year ago. The groom has also been a resident of Sunnyvale for a year, having formerly resided at Shoshone, Idaho. He is associated with his father, as a building contractor. The newlyweds returned to Sunnyvale immediately after the ceremony, where they are receiving the hearty congratulations of their friends, who are now planning to hold a reception in their honor.

JUDGE SAMUEL KING DIES.

Well Known Lincoln County Character Passes Away at the Home of Son in Washington

Judge Samuel S. King, well known in Lincoln county where he at one time was active in politics died at the home of his son at Eatonville, Washington, last Wednesday.

Samuel S. King was born in Sumner-shire, Shire, England, December 16, 1844, so that he was just past 79 years of age at his death. He came to the United States at the age of five. He was a Mason since 1867 and a Knight Templar. He was to a great extent self-educated and was teaching school at the age of 17. Later he took up the study of law and was admitted to the bar in Kansas in 1867. He practiced law in Kansas, Missouri, Iowa and Idaho. He took the examination to practice law in Idaho at the age of 27.

While living at District where he was teaching school he ran for the office of county attorney on the republican ticket but was defeated by Harlan Helm. Shortly afterward he left home and went to Washington to live.

AT THE BAUGH THEATER

The attraction at the Baugh theater for Friday and Saturday is "Woman Proof", starring Thomas Meighan with Lila Lee heading the supporting cast. America's leading humorist, author of "Back Home and Broke" wrote this story especially for Thomas Meighan. It is about a handsome, hardboiled youth bachelor with some startling ideas about money and marriage and girls. The same good natured fun and native American heart-appeal that made "Back Home and Broke" go over big, fills "Woman Proof."

The character of Gale Brenon, portrayed by Dorothy Dalton as the star in the Paramount picture, "Fog Bound", which is the attraction Sunday, is one most unique in motion pictures.

Gale is the daughter of a revenue officer, living with her father on a Florida orange plantation. Next door lives Rodger Wainright, a wealthy New York man, who has bought this neighboring plantation for the purpose of being near Gale, whom he loves. Things progress more or less smoothly between the two until after a wild night spent at a nearby Inn, Wainright finds himself a fugitive, accused of the murder of Gale's father who had conducted a raid on the resort that evening.

Monday and Tuesday the stirring drama, "Hell's Hole" will be the attraction. It is a picture full of action and tenseness and sure to please the red-blooded seeker after thrills. There will also be another installment of the serial, "In the Days of Buffalo Bill."

Never before has Douglas Fairbanks waxed so enthusiastic over the success and admiration of a picture that he has over "The Mark of Zorro," his fourth United Artists' production which will be the feature attraction Wednesday and Thursday.

The story is an adaptation of Johnston McCully's novel, "The Curse of Capistrano," which appeared in the "All Story Weekly" magazine.

Those critics who have viewed "The Mark of Zorro" have proclaimed that Fairbanks has excelled any of his previous performances. This is due to some extent to the ingenious story and the opportunities afforded "Doug" to make the greatest use of his athletic ability.

The background of the story is centered around early Southern California of nearly a century ago when its details were zealously guarded by the Spanish settlers.

With state deputy Balouch against the Modern Woodmen put on an initiation class of members Tuesday evening. There was a large attendance and after the initiation refreshments were served.

KILLED AT BRADY

Wednesday night Thomas Muleska of Providence, R. I. was killed about a mile east of the Brady siding. It is thought by the crew of Train 23 saw the body lying beside the track and notified O. J. Brennan, who with Sheriff Wheeler, brought the body to Shoshone. It is thought he was beating his way east on a freight train and in some manner had been knocked off and killed. Up to the time of going to press nothing had been heard from relatives as to disposition of the body.

A FULL HOUSE

Student Body Puts on Play to Clear Inebriety of Athletic Activities

"A Full House" a farcical comedy in three acts, presented by the Student Body of Shoshone High school, is a house full of laughs. The scene is laid in the drawing room of Mrs. Fleming's duplex apartments on Riverside Drive, New York City. Imagine a reckless and wealthy youth who writes ardent love letters and then gets his hand bag mixed up with the grip of a burglar who has just stolen a valuable necklace from the mother of the indiscreet youth, and the efforts of the crook to recover his plunder, as incidents in the story of the play in which the swiftness of the action never halts for an instant. Not only are the situations screamingly funny but the lines themselves hold a fund of humor at all times. The cast is as follows:

- Parks, an English servant Dick Serpa
- Susie, from Sioux City, a maid
- Alice Borden
- Ottily Howell, a bride
- Eleanor Anderson
- Miss Winnecker, from Yonkers.

- ment
