Many Matters Come Before the City Dads

Continued from page one

special white is being laid and and the work will be finished in a few weeks. It was agreed that this would not be added to the bills. Dr. Clark said there were places where the sidewalks were double and where the white would be spread over the whole surface. When one street went up hill and the other down hill, it was necessary to have more than one man, and these men should be furnished with more money. The workmen were also to be given the option of taking the white down to the garage for repair, as it was necessary to have the road clean and free from dirt.

Traffic Rules

People driving to the express office here have asked why the new street traffic rules were not obeyed by the drivers of teams and trucks. It was pointed out that the rules were made to meet the present conditions, but they were not always followed. It was agreed that the rules should be kept and that all persons using the streets should obey them, regardless of the time of day or night.

Many Big Failsures, But Our Hopes Are Not in Fruit.

Despite many big failures, business here is not encouraging. Many businesses have had to be closed, and the work of the winter will be finished soon. The weather has been very cold, and the business has been very slow. The conditions are not favorable for business, and it is doubtful if the winter will be successful.

GAINS FOR AMERICAN TRADE

Low-Priced Automobiles Here Effected

Clearing House- Patent Food

The clearing house for patent foods has been established, and the gains for American trade have been increased. The clearing house will help to promote American trade by making it easier for American manufacturers to do business abroad.

EGYPT WEATHERS COTTON CRISES

Several attempts to control the cotton in Egypt have been made, but the weather has been very severe, and the crop has been greatly reduced. The growers are not satisfied with the price offered by the government, and they are seeking to get the best price for their cotton.

FIRTH

Renewed Petitions have been asked to change the name of the city to Firth. A very small petition has been presented to the council, and it is hoped that the name will be changed. The petitioners have been asked to present their case in writing, and the council will consider the matter.

DANCING PARTY

Friday evening the theology class at Melba High School had a dancing party given in the gym and Auditorium. The town was united in its attendance, and the evening was enjoyed by all.

Mr. and Mrs. Stanford Miller and Harry Stahly, courtesy of the Tanglewood and Stuart, are the guests of Mr. and Mrs. J. E. Jones, of Blackfoot, Idaho, this week.

The ladies of the Zion Stake of Melba are planning a dance for some time in June at Melba as a fundraising project.
