**"Try Ayer's Pills"**  
For Rheumatism, Neuralgia, and Gout.  
Stephen Lansing, of Yonkers, N. Y.,  
writes: "Recommended as a cure for  
Chronic Constiveness, Ayer's Pills have  
restored me from that trouble and also  
from Gout. If every victim of this dis-  
ease would heed only three words of  
advice, I could banish Gout from the land.  
These words would be—'Try Ayer's  
Pills.'"  
"By the use of Ayer's Pills alone, I  
cured myself permanently of rheuma-  
tism which had troubled me several  
years. These Pills are at once laxative  
and effectual, and, I believe, would  
prove a specific in all cases of incipient  
Rheumatism."  
The medicine could have served me in  
any other way.—C. C. Rock, Corner  
C. F. Hopkins, Nevada City, writes:  
"I have used Ayer's Pills for sixteen  
years, and I think they are the best Pills  
in the world. We keep a box of them  
in the house all the time. They have  
cured me of sick headache and neuralgia.  
I have taken Ayer's Pills, I have been  
cured from these complaints."  
"I have derived great benefit from  
Ayer's Pills. Five years ago I was  
troubled with rheumatism that I was  
unable to do any work. I took three  
boxes of Ayer's Pills and was entirely  
cured. At that time I am never  
troubled with these pills."—J. M. Pomeroy,  
Barnstead, Sherwood, Wis.

## A WEEK'S ROUNDUP

Next week THE NEWS will resume  
its former size.

Albion has a fine brick church but  
no pastor.

Much sickness is reported at Oak-  
ley, Cassia county.

Engineers of the Union Pacific Ry.  
are reported in Malad Valley.

Another pleasant ball at the Com-  
mercial hotel New Year's eve.

A preliminary survey of the Snake  
river canal was begun Wednesday.

Start right, keep right and end right  
is a good motto for the year 1889.

May this New Year of 1889 be the  
best and most prosperous known to  
all Idahoans.

Nicholia is distressingly dull at  
present but better times are expected  
in the spring.

A quarterly conference will be held  
at the Methodist church Saturday and  
Sunday.

The thermometer at Salmon City  
last week stood from 22 to 30 de-  
grees below zero.

Mr. and Mrs. Wm. Kirkpatrick en-  
tertained a few friends and feasted  
them magnificently New Year's day.

The new county officers will enter  
upon the discharge of their duties on  
the 14th of January.

Mrs. Emily Warren has been com-  
missioned postmistress at this office,  
and entered upon her duties Tuesday.

Treasurer Bunting has the cash to  
redeem certain county warrants, see  
his notice in another column.

Several of our citizens have been  
busy this week harvesting ice. The  
ice on Blackfoot river is reported be-  
tween 15 and 18 inches thick.

With a free bridge, a canal from  
Snake river and a good road to Car-  
iboo Blackfoot will advance 40 degrees  
in the scale of prosperity.

Messrs. C. Bunting & Co. bought  
the larger portion of goods of the  
Idaho Trading Co's store at Nicholia  
Saturday.

During the eclipse the chickens at  
Wm. Kirkpatrick's went to roost and  
his little four year old boy said "that  
was a good April fooling of the  
chickens."

Mrs. John Roberts, of Camas, died  
of consumption during the Christmas  
holidays. Her remains were brought  
to Blackfoot and buried in the Odd  
Fellows' cemetery.

Parson Jones humorously informed  
the Indians Tuesday that the eclipse  
was nothing more than Cleveland, old  
Washington, passing out and Harri-  
son, the new Washington, coming in.

Messrs. Gynn & Co., dealers in  
Hides, Furs, Etc., Pocatello, Idaho,  
have an "ad" in to-day's NEWS. Read  
it and sell them the hides you have  
been holding for years.

The passage of the moon between  
the earth and the sun as observed at  
this point Tuesday occupied one hour  
and seventeen minutes.

The Pocatello Reporter has chang-  
ed hands and will hereafter be pub-  
lished weekly. Geo. P. Wheeler has  
withdrawn and Ham Kautzman takes  
control. Success.

Mrs. D. H. Beithan presented her  
husband with a lovely baby girl as a  
New Year's gift and the happy father  
now feels that great good luck is in  
store for him the year round. Con-  
gratulations.

Next week we shall begin the pub-  
lication of newsy letters from Poca-  
tello from the pen of a correspondent  
who is as bustling and stirring as the  
business men of that bustling town.

A petition numerously signed by  
parties living in Bingham county has  
been sent to the members of the leg-  
islature from this county praying the  
passage of the Liquor License bill  
now pending in the lower house.

When the blood is impure, thick  
and sluggish, or thin and impoverish-  
ed, there can be no health. With  
these conditions, all the functions of  
the body are impaired, and the result  
is a variety of dangerous complica-  
tions. The best remedy is Ayer's  
Sarsaparilla.

Joe Miller has registered a vow and  
sealed it with the great seal of the  
Commonwealth that whenever his bet-  
ter half takes another two month's  
vacation he will do the vacation act  
himself. He says to a man left alone  
"home, sweet home" is a fraud of the  
first water.

If you find a twenty dollar gold  
note and a ten dollar greenback affec-

tionately entwined in each others em-  
brace return them to Judge Hopkins.  
He will make it to your interest be-  
sides telling you of their affection one  
for the other.

Two prisoners, Brown and Wilson,  
were brought down from Camas Sun-  
day by deputy sheriff Hays and lodg-  
ed in jail under charge of arson. The  
same day one Morrison was brought  
down from Eagle Rock for disturbing  
the peace.

G. W. Powell, of Lost River, in a  
letter of New Year's greetings to The  
News informs us that a Mr. Merritt,  
living on Antelope creek, had two lit-  
tle daughters, aged 3 and 5 years old,  
burned to death a few nights ago.  
How sad must be that poor father's  
household at the beginning of this  
New Year.

Whooping cough, croup, sore throat  
sudden colds, and the lung troubles  
peculiar to children, are easily con-  
trolled by promptly administering  
Ayer's Cherry Pectoral. This remedy  
is safe to take, certain in its action,  
and adapted to all constitutions.

The Second Quarterly Conference  
for the Blackfoot charge will be held  
in the Methodist church Saturday and  
Sunday, January 5th and 6th. Busi-  
ness meeting Saturday evening in the  
parsonage. Sunday morning sermon  
followed by communion service. You  
are cordially invited to be present at  
these services. G. C. STULL.

If St. Peter keeps an open record  
of all charitable deeds of mortals for  
inspection at the Beautiful Gate, he  
will give Auditor Robethan a bright  
page for his deeds of charity New  
Year's day. Many little hearts were  
made glad and their feet made warm  
by his gifts of boots and shoes to lit-  
tle ones around town who were sadly  
needing such useful presents. He is  
happiest who makes the largest num-  
ber happy.

The "Garland Stoves and Ranges"  
have the most artistic finish of any  
that we have ever seen. They are  
everywhere acknowledged to be the  
best in the world, while they cost no  
more than is often asked for inferior  
goods. They are as noted for dura-  
bility, convenience and economy of  
fuel as for style and beauty.—Sold by  
D. H. Beithan.

As the 4th of March approaches  
there is no falling off of candidates  
for federal appointments in the Terri-  
tory. For the one office of governor  
new ones keep looming up. Boise  
City has two candidates with a pros-  
pect of more; Hailey two and maybe  
three; Lewiston one with more to fol-  
low; North Idaho two; and when the  
time comes THE NEWS will name one  
for Bingham county. We do not be-  
lieve in disturbing the dreams of Mr.  
Dubois and President Harrison before  
their time, nor of striking the iron be-  
fore it is hot, but when the iron gets  
hot we shall make the sparks fly for  
our man in a way that will scare his  
competitors.

The week of prayer will be observ-  
ed in the Methodist church during the  
coming week. Services etc. night,  
beginning at 7:30. Leadership of  
meetings will be announced on Sun-  
day from the pulpit.

and confession for the individual, for  
the family, the church, the communi-  
ty and the nation.  
Tuesday, 8—The Holy Spirit.  
Wednesday, 9—The family and the  
church, for parents, children, masters  
and servants.  
Thursday, 10—Reforms, for the  
abolition of the manufacture, impor-  
tation, sale and use of intoxicating  
drinks as a beverage; for the destruc-  
tion of the opium habit, for the repeal  
of all laws which protect vice, for the  
sanctification of the Lord's day.  
Friday, 11—Missions, city, home,  
and foreign.  
Saturday, 12—Nations, for peace,  
and prosperity, temporal and spiritual,

**The New Year.**  
[BY M. ANNA TERRO]

Oh thou happy, glad New Year,  
That comes to all with hope and fear,  
Oh may thy sweet sunbeams stay  
Though shadows linger by the way.  
Stay in forms of kindly thought,  
Stay in friendship, all unsought,  
As deep as the Father's love,  
Descending from the home above.

The shadows of the grand old year,  
That made its sunshine seem more dear,  
Have passed away from mortal sight  
Leaving a dim reflected light.  
By which we see a blessing lay,  
In darkest night as well as day,  
No fruit or flower comes to earth  
Unless the rain drops give them birth.

So we no brighter growth attain  
Unless the bitter tear drops rain;  
Then for the sorrow, joy and strife  
We thank the Father of our life.  
All sunshine and no cloudy day,  
Would wither leaf and flowering spray:  
Therefore a grief to each is given  
To draw them nearer into heaven.

That state of consciousness sublime  
That lights the soul above all time;  
Where the eternal glad New Year  
Doth to the inner sight appear.  
Thus to sing the glad sweet song,  
The soul is free from grief and wrong  
Heaven's New Year has come at last,  
All the griefs of earth have passed,  
Valley Home, Idaho, Jan. 1, 1889.

**Make No Mistake.**  
By dispelling the symptoms so often  
mistaken for consumption. Santa  
Abie has brought gladness to many a  
household. By its prompt use for  
breaking up the cold that often de-  
velops into that fatal disease, thou-  
sands can be saved from an untimely  
grave. You make no mistake by  
keeping a bottle of this pleasant re-  
medy in the house. California Cat-R-  
Cure is equally effective in eradicat-  
ing all traces of nasal catarrh. Both  
of these wonderful California reme-  
dies are sold and warranted by Behle  
& Son, \$1 a package, 3 for \$2.50.
