DROWNED IN CLOUDBURST

Ancona, Cal., July 28.—A cloud burst came to the Rioño region today; great damage was done and a number of persons were drowned.

WILL EXTEND INTAKE PIPE

Notwithstanding the attempts of Health Officer Roe to belittle the work of the Evening Teller in bringing to the attention of the public the polluted condition of the source of Lewiston's water supply, the city council last night instructed Water Superintendent Smith to extend the intake pipe further up the river and into the current of the stream.

The instructions to Smith are to add several joints of pipe to the three intake pipes and construct it in such a manner as to form a boot, the end of which would be dropped 27 inches below the surface of the water.

A printed article regarding the water situation was presented to the council but no action was taken, as the matter was one with which they have been battling for the past three years.

The street commissioner was instructed to notify all persons having barns or fences outside the property line in the city alleys to remove the same before September 1. The alleys in the city will be looked after more carefully and cleaned by the property owners.

The opium smoking ordinance which was passed lately was amended so as to make section four of the ordinance read: "Any person violating any provisions of this ordinance shall, upon conviction be fined in any sum not less than \$25 nor more than \$50, or imprisoned for not less than 10 and not more than 30 days, or both fine and imprisonment."

The police department was given extended powers in the handling of vagrants and people who make their living on the earnings of women in the restricted district. Heretofore vagrancy was punishable by a fine only while the powers given the department last night are such that the offender may hereafter be placed on a rock pile.

The council adjourned to meet Friday night.

BURN WIRES TO THE INTERIOR

Belief is General that Rebels Caused Accident to Telegraph. St. Petersburg, July 28.—The switchboard at the central telegraph station in St. Petersburg was burned out today destroying all communication with the provinces. There is a suspicion that the "accident" was arranged by the revolutionists as the public is cut off from communication with the interior, but the government retains the possibility of communication with provincials over the railroad wires. The cable communication is not affected.

WAS ONLY A FRIEND OF WHITE

Evelyn Nesbit's Letters to Architect Given to Attorney Jerome Today. New York, July 28.—A number of letters written by Evelyn Nesbit to Stanford White before her marriage to Thaw, and the reports of detectives employed by White were given into the custody of District Attorney Jerome today by Delancy Nicoll, counsel for the family of White. Miss Nesbit's letters show only a friendly feeling for White. The detectives were employed by White after he suspected that he was being watched by detectives employed by Thaw.

GRASS ON FIRE—Fire in the dry grass on the hill east of the residence section burned over about 200 acres this afternoon. Chief Lydon and several men of the fire department by backfiring have got the flames under control and there is no immediate danger of adjoining property. The fire is about a mile northeast of the school house and between the Evans dairy and the convent.

IDAHO COUNTY 16 STRONG AGAINST INDORSEMENT

"You can count 16 votes solid from Idaho county against the indorsement of a senator in the state convention." This is the statement of C. H. Nugent, state senator from Idaho county, who arrived on the train this morning with four members of the Idaho county delegation, each of whom have a number of proxies. "We have a few men on our delegation," he said who are Borah men. "They are in favor of his election to the senate, but are against any action on the matter in convention. "It was the expressed sentiment of our convention that the people of Idaho county are against the convention indorsement plan, and the members of the delegation are solid substantial men who will stand for the sentiment of the people they represent. You can safely say that Idaho county has 16 votes solid on all questions in which the convention made

expression. We are a unit on all matters mentioned in our resolutions. We did not instruct on the senatorial matter, but we know where the sentiment of the convention was and we are a unit on this matter." The Morning Tribune, in accord with its usual news coloring policy, publishes this morning that J. L. Eckert and W. L. Farnsworth, members of the Idaho county delegation, will work in the convention for Borah.

Mr. Eckert was seen this morning by an Evening Teller representative. "The morning paper published that report without authority from me," he said. "I am an admirer of Borah, but I can be counted upon first, last and all the time to stand by the sentiment of the people I represent. The sentiment in the Idaho county convention was against the indorsement of a senator in the state convention, and I can be counted upon to vote against this measure at Pocatello."

WHEAT YIELD ABOVE AVERAGE

Special to Evening Teller. Lapwai, Idaho, July 28.—(By Nezperce Co-operative Telephone.)—Many harvesting crews are now in the field and the general report is that the yield will be above the average quantity and good in quality. J. H. Gertje starts today for Tom Beall creek where he has contracted some 2,000 to 3,000 acres for threshing. He will start in Monday on the work.

PERSONAL MENTION

H. L. Gurmea and family leave today for Craig mountain where they will go into camp for several weeks. Mr. Leavitt, clerk at the government agency, will go today for a month's outing in the Pierce county. McGrath Bros. and Joe Ziver, local butchers, have started out wagons to supply the various threshing crews at work throughout the county.

TO INSTALL NEW LIGHT PLANT

Culdesac Will Have Systems of Latest Westinghouse Patents. Special to Evening Teller. Culdesac, Idaho, July 28.—W. L. Kimmel of Spokane, representing the firm of the Nixon & Kimmel Electrical company, arrived here yesterday to stake out the line and attend to other preliminary work for the new electric light plant. Mr. Kimmel says that the plant his firm is to install will be one of the best of its size in the state, and the equipment to be of the newest Westinghouse make.

"WE WILL GIVE THE TICKET OUR SOLID SUPPORT"

The same loyal disposition that has led the republican party to success for years past has made itself manifest here in Nez Perce county. The Borah people, though defeated in convention, have announced that they are warm supporters of the ticket placed in nomination at the county convention.

The warmest contest in the convention, aside from the main issue of endorsement of a senatorial candidate was between A. A. Masters and Charles Monroe for sheriff. The supporters of Mr. Masters have a number of them seen Mr. Monroe since his nomination and assured him that he would have their warmest support at the polls. "We are defeated," said one of the leaders of the opposition yesterday, "but we are good losers and we are not

ENGINE SPARK STARTS FIRE

Special to Evening Teller. Kamlah, Idaho, July 28.—(By Nezperce Co-operative Telephone.)—Sparks from a railroad engine set fire to the dry grass a mile and a half below this city day before yesterday, and before the spread of the flames could be checked, the vacant house owned by George Eynon and several miles of fencing were destroyed in addition to a large acreage of pasture. The total loss is estimated at \$300. Twelve men were employed by the railroad company and by effective work the fire was put out.

Pittsburg, July 28.—The Standard Oil company has reduced the price of higher grades of crude petroleum three cents, while the other grades were reduced two cents.

DECIDE CASE FOR WILLIAMS

The case in the land office against Attorney Charles Williams has been dismissed by the department. Williams was charged with dealing in relinquishments and with dishonest and unprofessional conduct in his practice before the land office. The case came for trial before the register and receiver and on the facts brought out a provisional recommendation for disbarment was made to the department, but in reviewing the papers and testimony in the case the recommendation was not accepted and the charges against Mr. Williams were ordered dismissed.

Mr. Williams when seen by an Evening Teller reporter regarding the decision said:

"I am gratified to have this matter settled. I feel that I have suffered an injustice and that I am fully entitled to the decision as handed down by the commissioner. I have enjoyed and still do enjoy a good practice in the land department and will continue in the future as in the past to merit by square dealing with my patrons."

ROCKEFELLER RETURNS HOME

New York, July 28.—John D. Rockefeller was a passenger on the steamer Amerika from Hamburg today. He was not to be seen while the vessel was in quarantine.

New York, July 28.—No attempt was made to serve legal papers on Rockefeller when he left the Amerika at Hoboken today. Rockefeller was most amiable to the reporters, but would not talk of his business affairs.

SENTENCED TO M'NEIL ISLAND

Portland, July 28.—Henry W. Miller and Frank E. Kincart, who pleaded guilty to subordination of perjury in connection with the land frauds in Oregon, were today sentenced by Judge Hunt to serve terms of one year each at hard labor on McNeil's island. Martin Hoge, who was convicted with Charles Nicholls on the same offense, was sentenced to four months in the county jail and a fine of \$500 imposed. Nicholls was granted a stay of judgment until August 6.

RECOVER BODY OF FRANK COPE

The body of Frank Cope, the boy drowned at Clarkston Thursday evening, was recovered about 3 o'clock this afternoon in the vicinity of the ferry, only about thirty feet from the point where he went down. After trying with explosives to raise the body all day yesterday and until this afternoon the searching party got a pair of grappling irons from the boat and in 15 minutes recovered the body.

WILL GO SOUTH 100 STRONG

Delegates from Northern Counties to Meet at Riparia Tomorrow. The state delegates from the five northern counties will meet at Riparia tomorrow and go into Pocatello by their own special cars. The local committee has been active in making such an arrangement and today received word from Kootenai that the delegates from that county would join the party at Riparia. This makes a delegation 100 strong, the entire representation from the northern counties, and they are practically a unit on the issues involved in the convention fights. The delegation from Idaho county is in the city and will leave on the boat in the morning with the Nez Perce delegation.

FRENCH BULLET LAYS HIM LOW

American Naval Officer Shot Dead at Chefoo

Chefoo, July 28.—Lieutenant Clarence England, the navigation officer of the cruiser Chattanooga, was wounded at noon today by a rifle bullet fired by a member of the crew of the French armored cruiser Dupete Thoars and died this evening. The Chattanooga with the lieutenant on the bridge was proceeding from the harbor to target practice and was passing the French squadron anchored near the American squadron where it was engaged in small arms practice. The Chattanooga, after several bullets had struck her side, signaled to the Frenchmen to cease firing, but before this was accomplished, England was struck at the base of the spine. The crew of the Dupete Thoars continued to practice from the deck of the cruiser. The fire was directed at a target in the water differing from the American practice of landing the men on Barn island at the entrance of the harbor. The French squadron here consists of nine ships, the American seven.

HE WAS WELL KNOWN OFFICER Naval Men Believe Shooting Accidental—France Will Apologize. Washington, July 28.—Great regret is expressed at the shooting of Lieutenant England, who was well known here. The naval officers believe the shooting was entirely accidental. It is expected that the French officials will make ample apologies.

Trouble is believed to have followed a quarrel in a camp. Michel Cieto, a fourth party is missing.

LIVELY BIDDING ON SEWER WORK

Everything is in readiness for the letting of the contract on Lewiston's new \$120,000 sewer. Engineer Miller says that hardly a day passes that some new contractor is not making inquiry about plans and specifications. For several days crews of men representing different contractors have been prospecting the ground along the route of the sewer testing the depth of the soil in order that their estimates might be more clearly made. Among the contractors that have made a personal investigation of the route are James Broad of Spokane, Naylor & Norlin of Lewiston and F. A. Dole of Lewiston, also a contractor from Portland whose name Mr. Miller did not get. Advertisement for bids has been made and the bids will be opened here on August 8. Mr. Miller is confident that there will be close competition in the bidding. Miss Hazel Smith arrived this morning from Kooskia to spend a few days visiting friends in the city.
