At times when you don't feel just right, when you have a bad stomach, take something right away that will assist digestion; not something that will stimulate for a time but something that will positively do the very work that the stomach performs under ordinary and normal conditions, something that will make the food digest. To do this you must take a natural digestant that contains the same juices found in a healthy stomach. Each dose will digest more than 3,000 grains of good food. It is sure to afford prompt relief, it digests what you eat and is pleasant to take. Sold by Sprague's Pharmacy.

Doan's Kidney Pills relieve backache Cure every ill. Robert Baker Buchanan near Bonnevillie St., Pocatello, Idaho, brakeman on the Oregon Short Line R. R. says: "I suffered from backache and heavy aching pains across my loins for more than two years. When I caught the least cold it settled in my back and caused me considerable suffering. If I stooped I was rewarded with severe pains across the region of the kidneys and I was unable to lift any great weight. There was also a feeling of soreness in the back and I had difficulty with the kidney secretions. This was particularly annoying at night. All these symptoms showed me that I had kidney trouble and I used many different remedies to cure it, but obtained little benefit. Finally I heard of Doan's Kidney Pills and commenced using them. They proved to be just the remedy that I needed. In a short time the backache ceased, the soreness was removed from my back and the annoying urinary difficulty was corrected. I am pleased to recommend Doan's Kidney Pills."
