*Listen to Reason*

WITH the wisdom of a sage, Poor Richard said: "If you will not hear Reason, she will surely rap your knuckles."

The advertising you find in this paper is 100 per cent reason. Ignore its messages, and you neglect opportunity, overlook vital information and put yourself in a way to get your knuckles severely rapped. Heed them, and you cannot fail to profit.

Sometimes, the advertisements keep you from making an unwise purchase by pointing out the reasons why one article suits you better than another.

And always they identify for you goods of unquestioned value. When a store or manufacturing concern puts its name on goods and tells you about them, you may be sure that they are worth consideration. It does not pay to advertise merchandise that is not good.

It's Worth While to Heed the Voice of Reason. Read the Advertisements.

Twice Proven  
If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Blackfoot evidence—doubly proven.

Mrs. Fred Gertsch, 307 W. Judicial St., says: "I had attacks of backache and have had those attacks ever since I was a small child. Overwork or catching cold often brings on the trouble. I use Doan's Kidney Pills and they bring good results."

DOAN'S ALWAYS HELP HER.  
Ten years later, Mrs. Gertsch said: "I don't often need a kidney remedy now, but when I catch cold, and it settles on my kidneys, I use Doan's. They always give the same good results."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gertsch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—adv.
