NOTICE TO AUTOMOBILE OWNERS

The World War in which we are now engaged, together with its various resulting disturbances of economical conditions, has caused a great shortage of man-power in all parts of the country, this is especially true regarding automobile mechanics; in fact these and the automobile business have been in many cases largely taken over by our Government.

In view of these facts, which affect us all more or less, and in response to the urgent request of our Government and the National Defense Council, the following Garages and Dealers of Moscow will strictly observe the following rules regarding closing hours and the sale of gasoline and supplies:

Beginning Sunday, October 27th, 1918, Garages and Gas Stations.

Sundays: Open from 8:00 a. m. to 9:00 a. m. and from 6 p. m. to 7 p. m. (to get storage cars in and out only).

Saturdays. Close 9:00 p. m.

Other week days: Close 7:00 p. m.

NO GASOLINE OR SUPPLIES SOLD ON SUNDAY!

These rules will be strictly enforced, so procure your supplies during the week. They will not be sold on Sunday.
