**Bowl Complaints in India.**  
In a lecture at one of the Des Moines, Iowa, churches a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere. Advertisement.

## "Look Before You Leap"

This is an old saying that holds good for those who may think of changing their banking connection as well as those who are opening new accounts.

This bank has grown up in Oakley. Starting in a small way in 1905 it has now grown to over \$460,000.00 in resources.

During the past six months this bank has brought into Oakley more than \$200,000.00 and reloaned it to its customers for the development of this valley.

We take proper care of all lines of legitimate business whether large or small, and from this fact have won for ourselves the name of
