A Sparing Match.

The local sports are looking forward with delight to Saturday night when they will be treated to an exhibition of scientific fisticuffing in a fifteen round bout between Prof. Sunshine and Eddie Santrey. Prof. Sunshine hails from Chicago, but has received quite a reputation as the "Mormon fighter" on account of having made Salt Lake City his headquarters for a number of years. Eddie Santrey is advertised

as one who recently bade fair to acquire the light weight championship of the world. Both gentlemen are now in heavy training preparatory to engaging in encounters with famous fighters on the coast. Prof. Sunshine will match Jimmy Britt and Santrey—Eddie Hanlon. The contest on Saturday evening is to be conducted in a purely friendly and scientific spirit.

It is a well-known, indisputable fact that there is no other one influence so powerful and effective in the upbuilding of a community (whether it be an infant village or antique city) as a well supported newspaper. People on the outside judge of any town by the appearance of the paper or papers, published there.

To the Great Beyond.

On Wednesday afternoon all that was mortal of Mrs. Ada Walker the beloved wife of Chas. H. Walker and the mother of 8 living children, 1 boy and 7 girls was consigned to the silent tomb. It seems strangely inexplicable and unexpressably sad that such a devoted wife and tender mother should be taken from those who so much need her love and care. The Lord's ways, however, are not man's, and there is naught to do but patiently submit, and struggle bravely on. We trust that the "Power that pities man" will pity, comfort, and bless the bereft husband and orphan children, also the aged mother. Mrs. Walker was born in Buckinghamshire, England, May 8, 1867, and consequently was 38 years old at the time of her demise. Mrs. Walker was the daughter of Charles and Eliza Smith. She emigrated with her parents to Utah in 1882, arriving in Salt Lake City June 4, from whence they proceeded direct to Oakley arriving July 23, 1882. She was married to Chas. Walker Jan. 1, 1884.

As is generally known Mrs. Walker succumbed after a long and painful illness to the dreadful disease erysipelas. Her death occurred on 17th inst.

Funeral services were held at the tabernacle yesterday at which appropriate music was rendered by Prof. Otte and the stake choir, and consolatory words were offered by the following speakers: Bp. H. C. Haight, Elders Ether Durfee, O. P. Bates, George A. Day, Counselor D. P. Thomas, and Pres W. T. Jack.

The Best or Nothing.

Nothing but the very best will do Dr. N. Ray Mechem, even though he

have to wait many years, and then send all the way to Chicago for it. We do not know where the doctor got that brand new incomparable rubber tired rig, but we do know that hoarded that sweet girl he has been showing about during the week from the Windy city (though not from Montgomery Ward) and we do also know that Ray thinks she is about the nicest ever. As everybody knows this sweet little parcel did not come on approval, as the Dr. knew just exactly what he was getting and made complete arrangements for keeping it as a permanent possession. John R. Winder helped to fix the matter up a week ago yesterday in the Salt Lake Temple, and now N. R. Mechem of Oakley and Miss Lillias M. Swart an accomplished and a beautiful girl of Chicago, Ill., are indissolubly bound together forever and a day. If time will only continue to pass as it has the past 10 days they think eternity will prove all too short. May their fondest anticipations be realized.

For the Housewife.

Ever since our Colonial ancestors instituted Thanksgiving Day it has been a day of rejoicing and the good old fashioned dinner plays the all important part therein. A detailed and an interesting account of a thanksgiving dinner as it will be served by a young house wife who has followed the story of "The Making of a Housewife" in The Delinctor, is given by Isabel Gordon Curtis in the November number. "Thanksgiving Day Novelties" illustrate many reasonable dishes from the traditional pumpkin pie to a choicely arranged harvest centerpiece, other articles "Novelties" and "Maple Dainties" can be made to advantage at this season of the year and will add a novelty to the family menu.
