ALCOHOL ILLEGALLY RELEASED

PHILADELPHIA, Dec. 25.—Over two and one-half million gallons of alcohol had been illegally released here within the last four months, according to Harvey L. Dunne, supervising prohibition enforcement agent here.

Six hundred thousand gallons were released through the machinery of Jerry's beer people with the aid of the Gary Good Fellows, the Salvation Army, the Red Cross and various clubs and organizations. A great number of Christmas baskets filled with everything to eat and toys for the "kids" were delivered at homes on the south side of Gary.

Many more formerly making good wages in the Gary steel mills are out of work and are unable to obtain employment of any kind. In most of the families there are many children, and without the aid of Gary's thoughtful people, Christmas day to them would have meant no more than another cold, cheerless day.

GARY NEWS

THREE BREAK BONES ON SLIPPERY WALKS. Another victim was added to the long list of Garyites who suffered falls on the slippery streets and sidewalks in Gary last Thursday when it became known that H. J. Homer, manager of the Singer Sewing Machine company, slipped on the sidewalk at Eighth avenue and Tyler street, suffering a compound fracture of the elbow.

Fred Cook, who fractured several ribs, and Nick Conthines, who broke an arm, both employed as switchboard operators at the Gary police station, are reported confined to their homes and getting along as well as can be expected today.

Extensive arrangements are being completed this week for the inaugural services to be held at the Orpheum theatre on the afternoon of Tuesday, Jan. 2, when expiring Mayor William F. Hodges will hand over the keys of the Steel City to Mayor-Elect E. J. Johnson. The program as it will be rendered will be announced in several days. Mayor Johnson issues a cordial invitation.

Patrons of the Gary exchange of the Illinois Bell Telephone company have received notices through the mail announcing that the telephone company will install four party line phones after the first of the year at the rate of \$2.50 per month. It is said that many will take advantage of the new offer.

Judge Dunn Saturday dismissed the case of Mike Marich, thirteenth and Jefferson street, the only "drunk" arrested Saturday.

Well, Christmas was coming and Mike had a very good friend by the name of Santa Claus. He was celebrating the coming Yuletide with his friend in the person of Tony Tarkenton who was visiting at home with his head in a bandage.

"Too much moonshine" is given as the reason.

Christmas was made happy for many of Gary's poor people with the aid of the Gary Good Fellows, the Salvation Army, the Red Cross and various clubs and organizations. A great number of Christmas baskets filled with everything to eat and toys for the "kids" were delivered at homes on the south side of Gary.

FIRE CAUSES A \$75.00 LOSS

A chimney fire which resulted in a loss of \$75.00 occurred at the home of N. Denzla, 1817 Adams street. When the firemen arrived the roof was a mass of flames and for a time the extent of the damage was questionable. But, the fire boys extinguished the fire with only a loss of \$75.00.

Another small fire caused by chimney sparks occurred at 1615 Broadway. The firemen used chemicals and the fire was extinguished without any loss.
