WHEN PEACE WILL COME. We have heard it said (ever so many times) that the present German offensive is the enemy's last desperate effort, and if it fails Germany will be ready for peace.

WHEN PEACE WILL COME. But if there is any public opinion in America that believes the war will end when the German thrust in Picardy is stopped, it is doomed to disappointment.

WHEN PEACE WILL COME. Remarkable activity at Kiel, the German naval base, is reported from European news sources and confirmed at Washington.

WHEN PEACE WILL COME. It is no wonder some of the towel supply companies are complaining of loss of business.

WHEN PEACE WILL COME. HOW the war books come! We've read Private Peat, Sapper Jones, Gunner Depert, Corporal Smith, Sergeant Empey, Lieut. Smith, Captain Knyvet, Major O'Connor, Colonel Roosevelt and General Bernhard.

WHEN PEACE WILL COME. GUATEMALA has declared war on Germany and has put all the propagandists, including preachers, editors and peace advocates, advocating kultur to work on the plantations.

WHEN PEACE WILL COME. MICHIGAN CITY is probably proud of the uproar over its mayor. It must be greater for a city to have for a mayor a "man without a country."

WHEN PEACE WILL COME. PUPILS in one school gathered together all their old rubbers. And what did they do? They got enough to buy a \$100 Liberty bond.

WHEN PEACE WILL COME. AS the New York Herald says, there is Human nature and then there is Prussian nature.

WHEN PEACE WILL COME. EASTERN bishop to help win the war has got rid of his stenographer.

WHEN PEACE WILL COME. LEAVE OUR TANKS OUT. The government has issued a call for "tank men," quite a number of them being needed at once in the army.

WHEN PEACE WILL COME. THE FARMER'S COST PRICE. The income tax law will force many farmers to keep books, according to the Toledo Blade.

WHEN PEACE WILL COME. THE KNIGHTS OF COLUMBUS WAR DRIVE. Of the worthy solicitations for war purposes there is one that will engage our attention and seek a share of our generosity.

drive for funds for its army recreation centers, collections for which begin May 5.

Every dollar given to the Y. M. C. A. or the Knights of Columbus fund is one spent in behalf of the soldiers.

Recognized by the war department the Knights of Columbus recreation centers have won the praise of the soldiers in the army.

The Washington administration before it grows further at newspapers to conserve on the use of paper would do well to set them an example.

THREE ROUSING CHEERS FOR THIS. The Washington administration before it grows further at newspapers to conserve on the use of paper would do well to set them an example.

THREE ROUSING CHEERS FOR THIS. Taxpayers of Lake county should bear in mind that it is impossible to prosecute the war successfully unless the county, state and national offices are filled with patriotic and careful men.

THREE ROUSING CHEERS FOR THIS. Because war there is no reason that the claims of these candidates should not receive respectful consideration.

THREE ROUSING CHEERS FOR THIS. Taxpayers should remember that the time to see that good men are named is before and at the primaries, not after.

THE PASSING SHOW. IN our sadder moments it seems to us that ABOUT this time of the year A MAN has no few buttons and no many safety pins in his war winter uniform still!

THAT he clanks like a brass foundry whenever he hurries faster than an ordinary walk.

ONE reason WHY a single woman THINKS she knows a lot about raising a family is because SHE has known so many married women who have FAILED at it.

WE suggest that "SPEED UP" signs be stuck up all over WASHINGTON THEN they wouldn't forget how BADLY the allies are needing more help.

WE believe that THE glorious stars and stripes SHOULD not fly from a flag pole looking LIKE something the pun played with. ONE reason why we LIKE a good old fat doll pickle once in a while IS that it is one thing at least that is not warmed over.

PERHAPS it's odd but a white MINISTER had just married a colored couple and thought he'd be real smart WHEN he said "IT is customary to kiss the bride but in this instance we will omit it."

WAS the colored brother equal to the emergency? WELF may be was THE politely bowed and said: "It is customary for the groom to give the minister 15 but in this INSTANCE we will also omit that!"

THIS punnace of puns RECENTLY asked the question "WHAT has become of the old-fashioned woman who were peevish?" TODAY we received an answer INFORMING us that if it is any of our business we can be introduced TO a lady who has always worn an inner tube.

IF only moving picture shows WOULD refuse to admit garlic eaters TO their theaters unless they first go to an undertaker.

AND get properly embalmed. WE always feel like titling when we note the efforts of one of these little short-skirted flappers WHO when she sits down TRIES to pull her skirt down around her ankles.

WHEN there's nothing to pull down.

PETEY DINK—We Suspect It's Work, Not Beans, That Doesn't Agree With Bill.

Cartoon showing a farmer talking to a man about beans. The farmer says: 'WELL, NOW THAT THE WIFE'S BROTHER BILL IS HANGING AROUND THE HOUSE AGAIN HE MIGHT JUST AS WELL HELP WITH THE GARDEN.' The man asks: 'DID YOU CALL ME PETEY?' The farmer replies: 'YEAH—DONT YOU WANT TO GET A HOE AND HELP ME WITH THESE BEANS?' The man says: 'I CANT DO IT PETEY—NOW IF IT WAS ANYTHING ELSE WHY—' The farmer replies: '—YOU SEE BEANS NEVER AGREE WITH ME—!!'
